U.S. UKRAINE SUPPORT

It is important for the United States to support countries like Ukraine against aggression because...

*RESPONDENTS CHOSE UP TO 4 REASONS

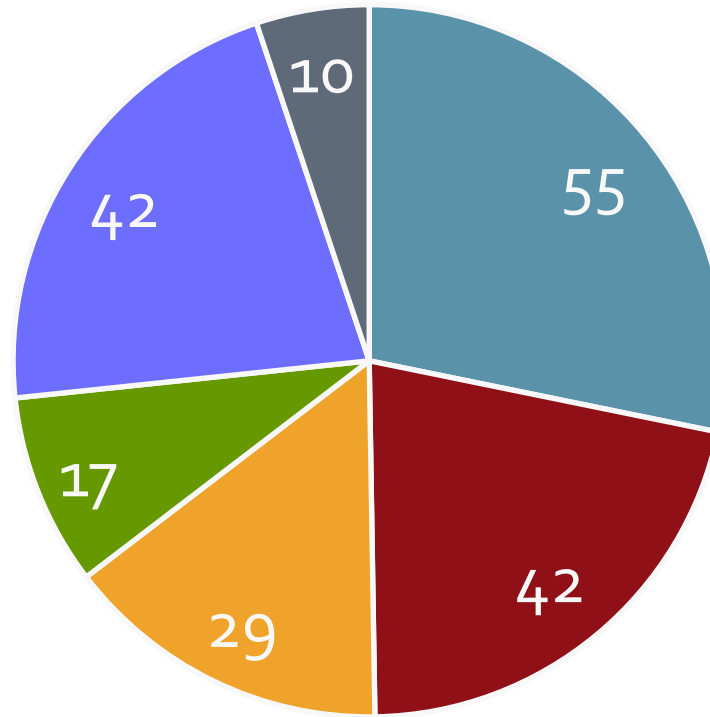

- It maintains global order and keeps our role as a world leader
- It will deter bad behavior by other countries
- It is the humanitarian and morally right thing to do
- It is in America's national security interest to stop Russian aggression
- America should not be involved
- Don't Know/No Opinion

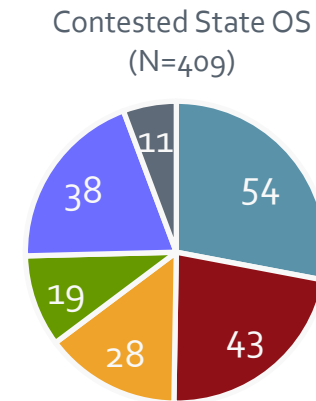

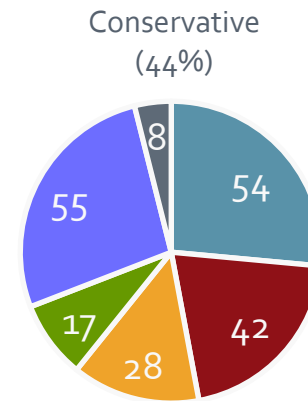

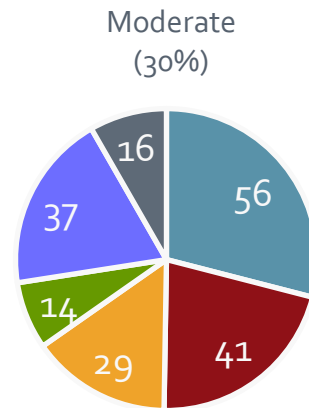

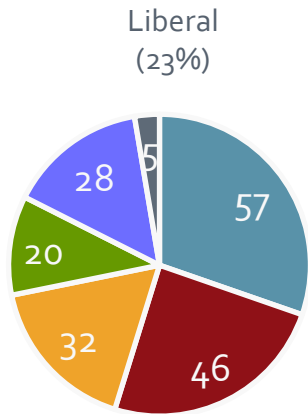

BIDEN UKRAINE POLICY

From the following list, please tell me which of these action you think President Biden should take regarding Russia going to war with Ukraine.

*RESPONDENTS CHOSE UP TO 5 ACTIONS

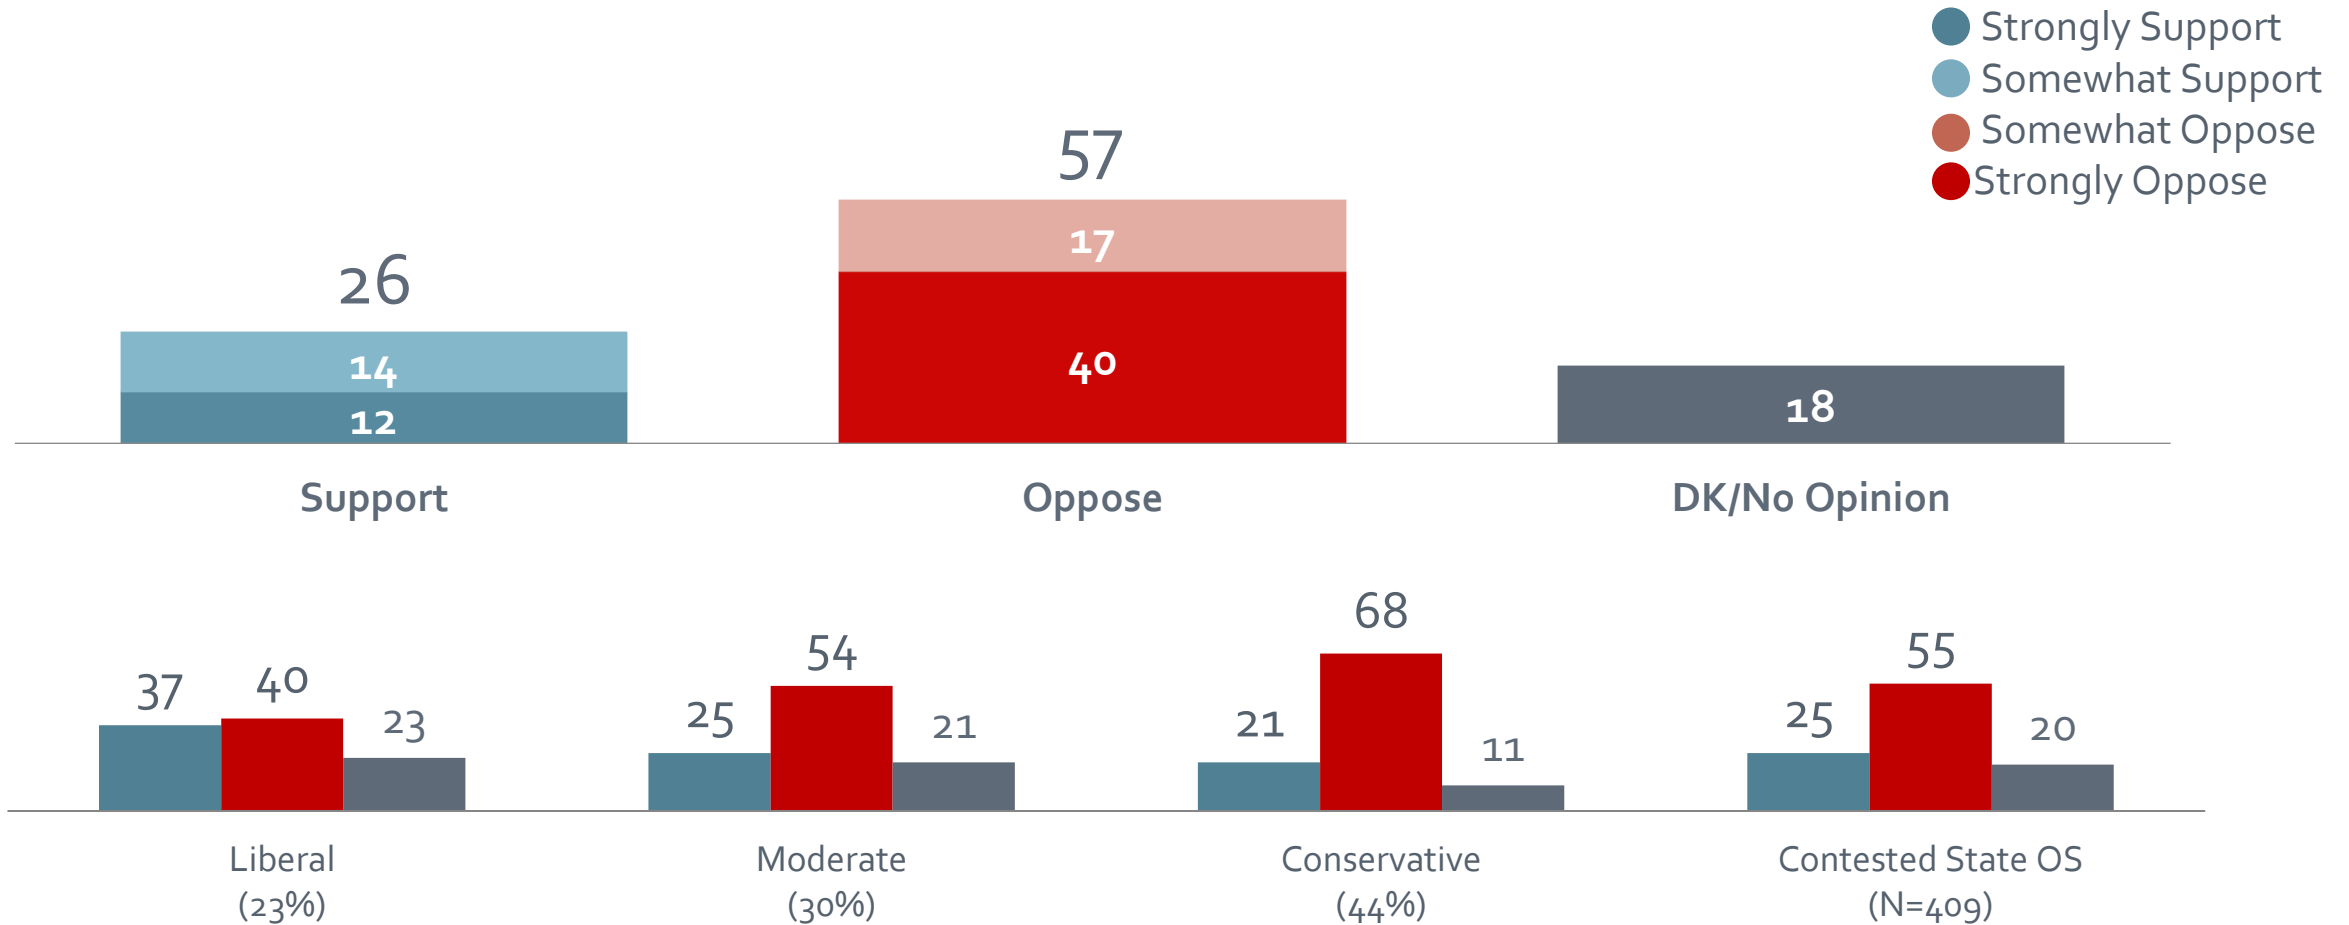

- President Biden should strengthen economic sanctions against Russia
- President Biden should provide fighter jets and weapons to Ukraine so they can defend themselves
- President Biden should continue diplomacy with Russia
- President Biden should send US troops to Ukraine
- President Biden should unleash American Energy Production
- Don't Know/No Opinion

BIDEN IRAN DEAL

It is being reported the Biden Administration is nearing a deal with Iran, negotiated by the Russians. Reports say this deal is weaker than the previous Iran deal, and would lift many sanctions on both Iran and Russia leading to billions of dollars going to these countries. Based on what you now know, do you support or oppose this new Iran Deal?

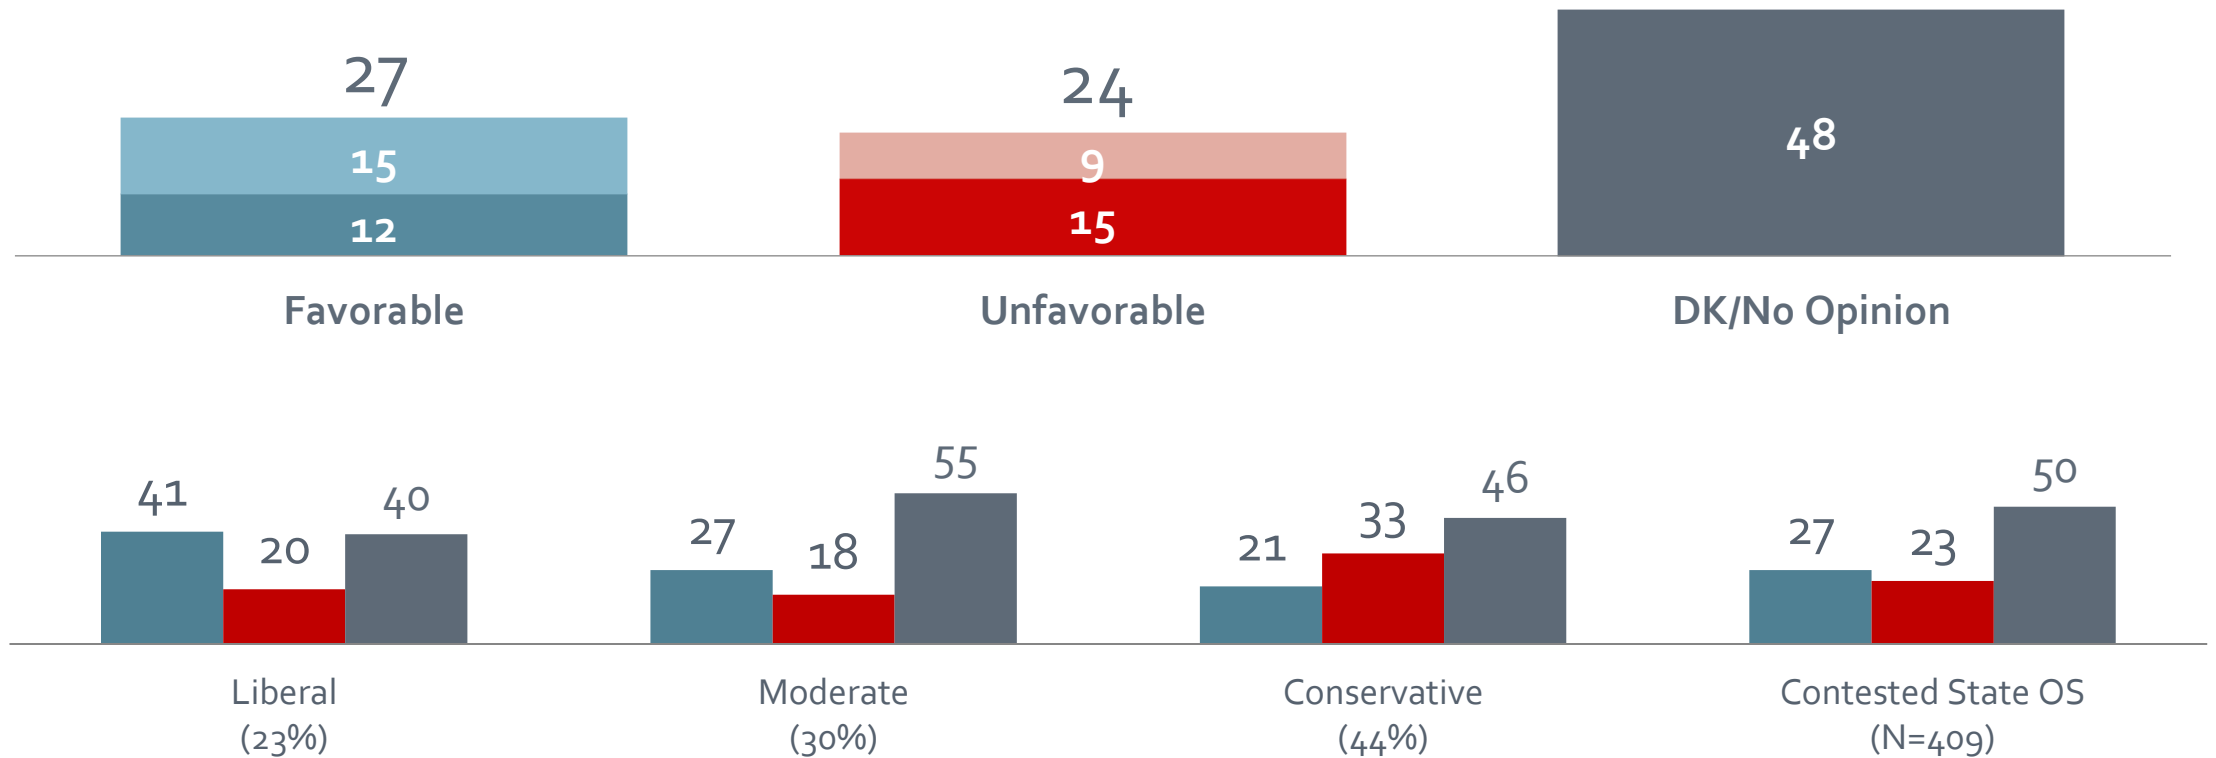

SCOTUS – KETANJI BROWN JACKSON

KETANJI BROWN JACKSON FAVORABILITY

Thinking about some groups and individuals in positions of national leadership, please indicate if you have a Very Favorable, Somewhat Favorable, Somewhat Unfavorable, or Very Unfavorable opinion of each person or group.

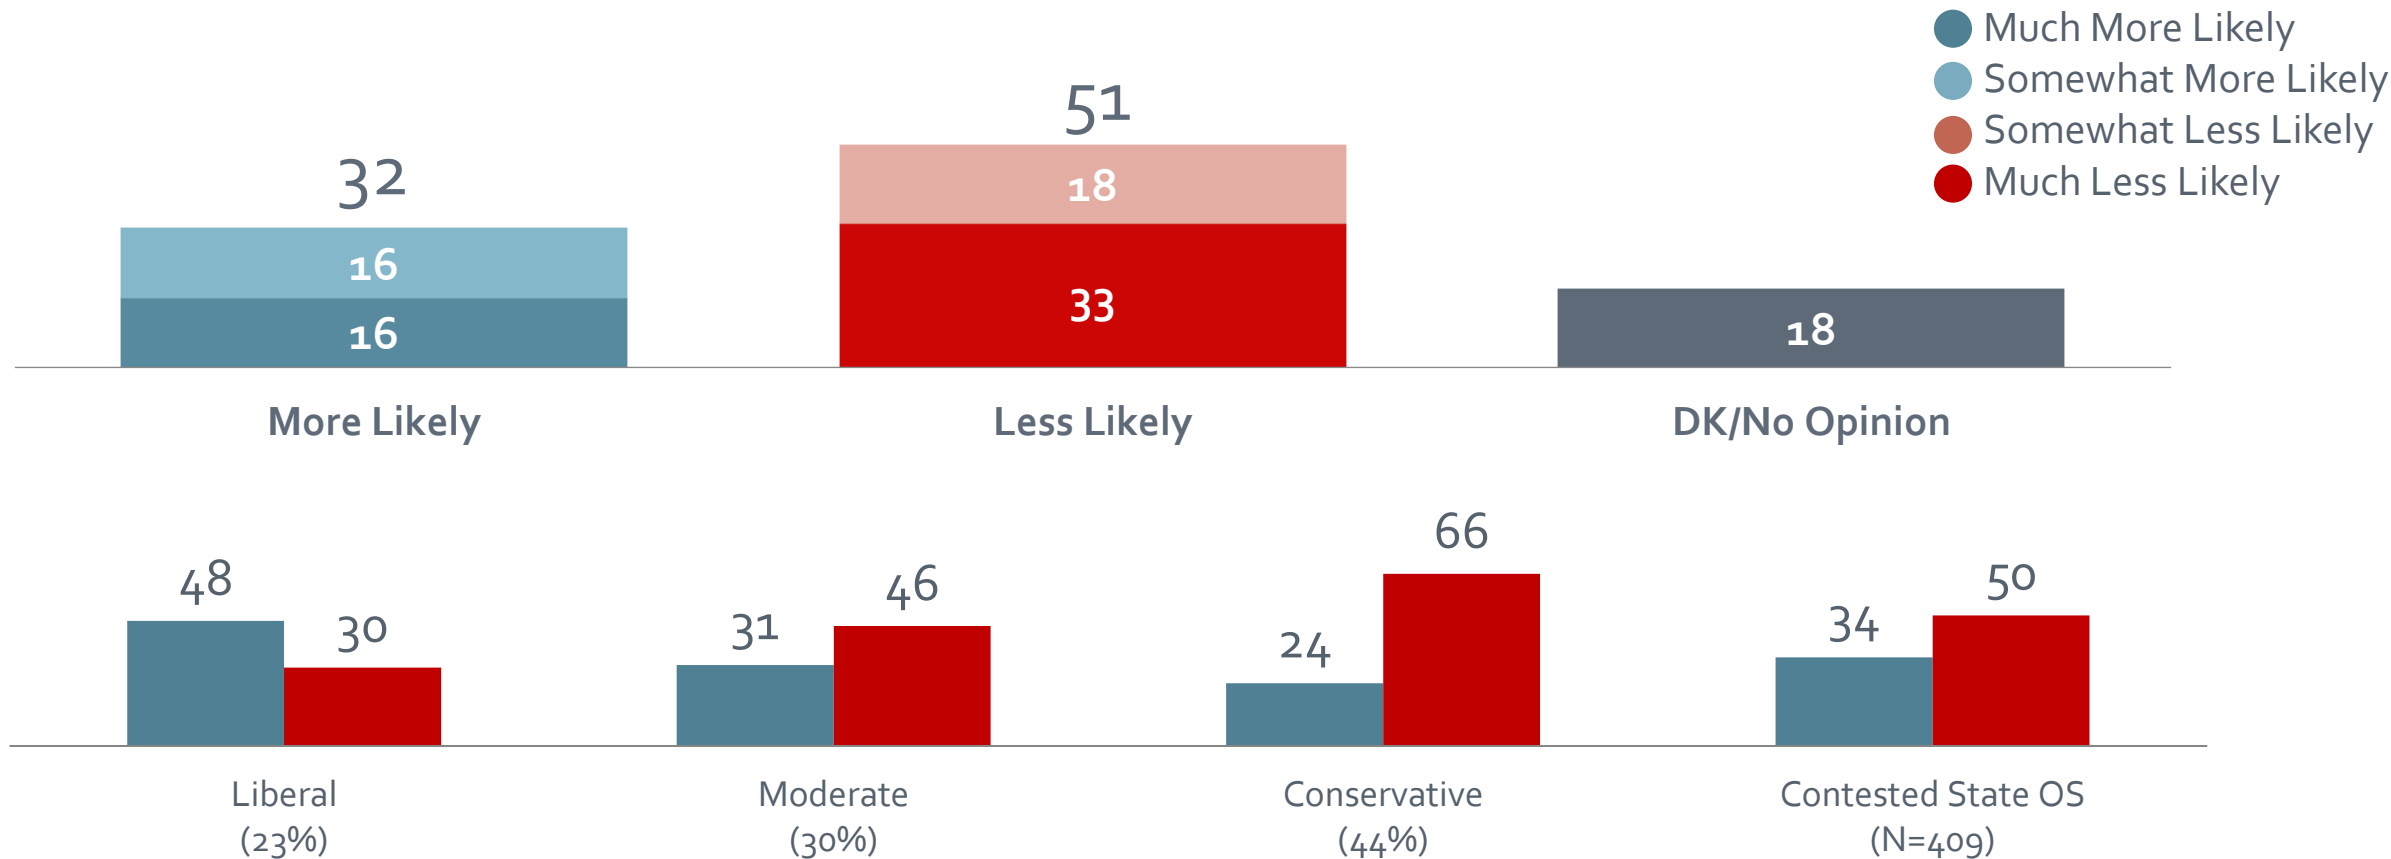

- Very Favorable ●
- Somewhat Favorable ●
- Somewhat Unfavorable ●
- Very Unfavorable ●

KETANJI BROWN JACKSON TERRORIST DEFENSE

Biden's nominee to the Supreme Court (Ketanji Brown Jackson) represented suspected terrorists who were detained at Guantanamo Bay when she was a public defender. When she left public service and went into private practice, she chose to continue to defend the suspected terrorists.

Does this make you more or less likely to support her confirmation to the Supreme Court?

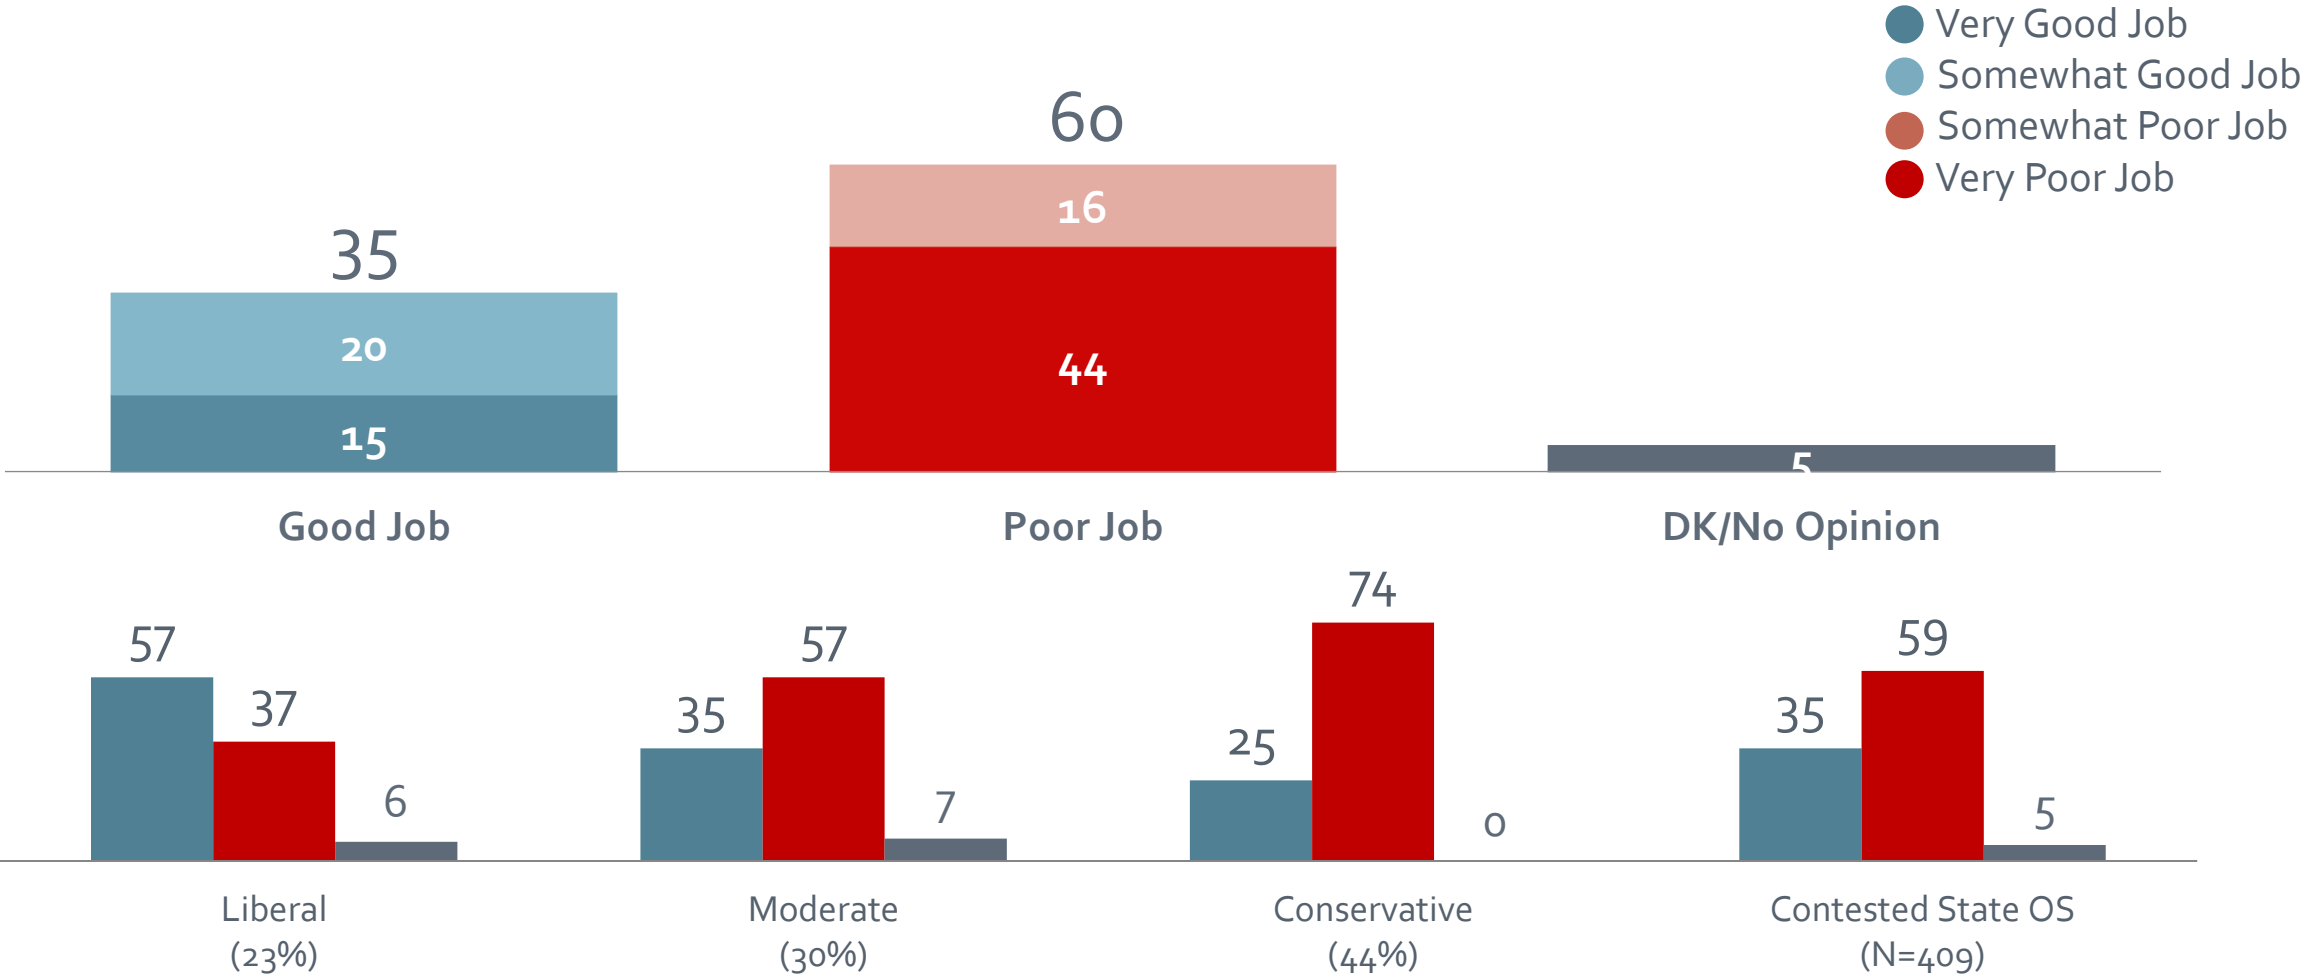

INFLATION AND GAS PRICES

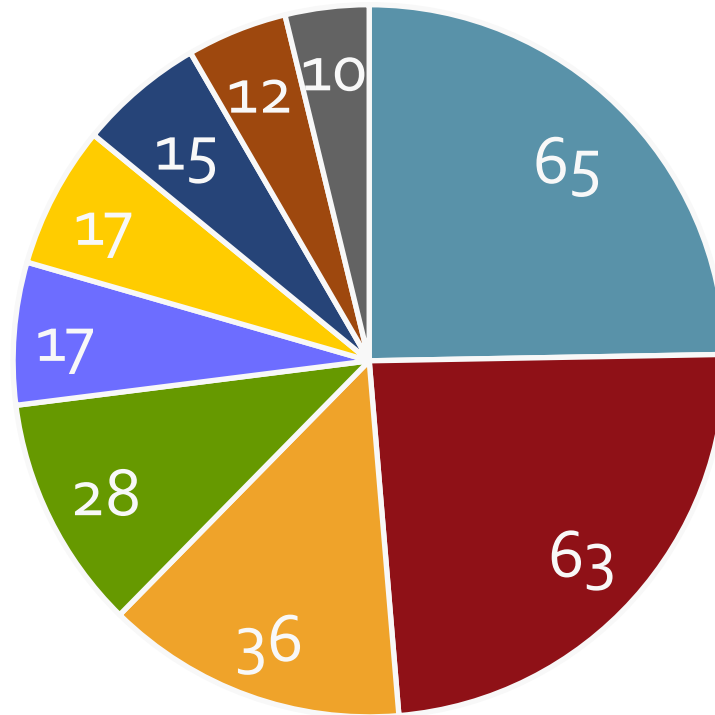

BIDEN JOB ON INFLATION

Thinking about the job that President Biden has done with regard to inflation, how would you describe the job he has done on this issue?

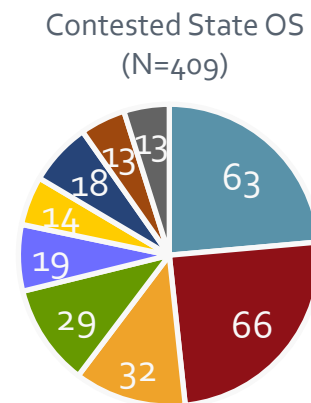

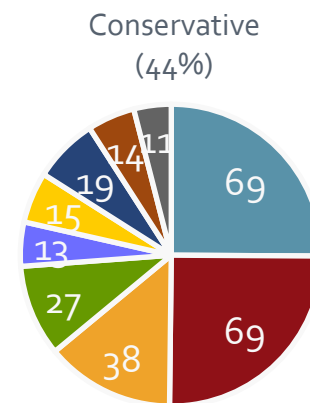

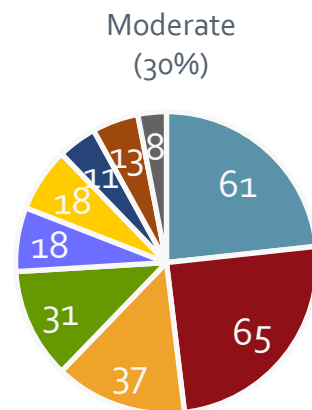

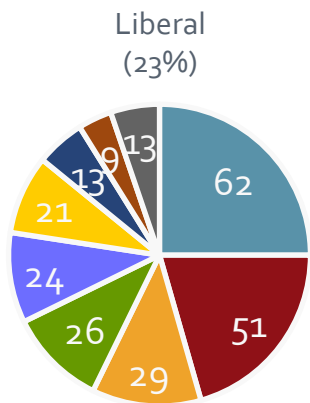

MOST CONCERNING ISSUES - INFLATION

*RESPONDENTS CHOSE UP TO 3 ISSUES

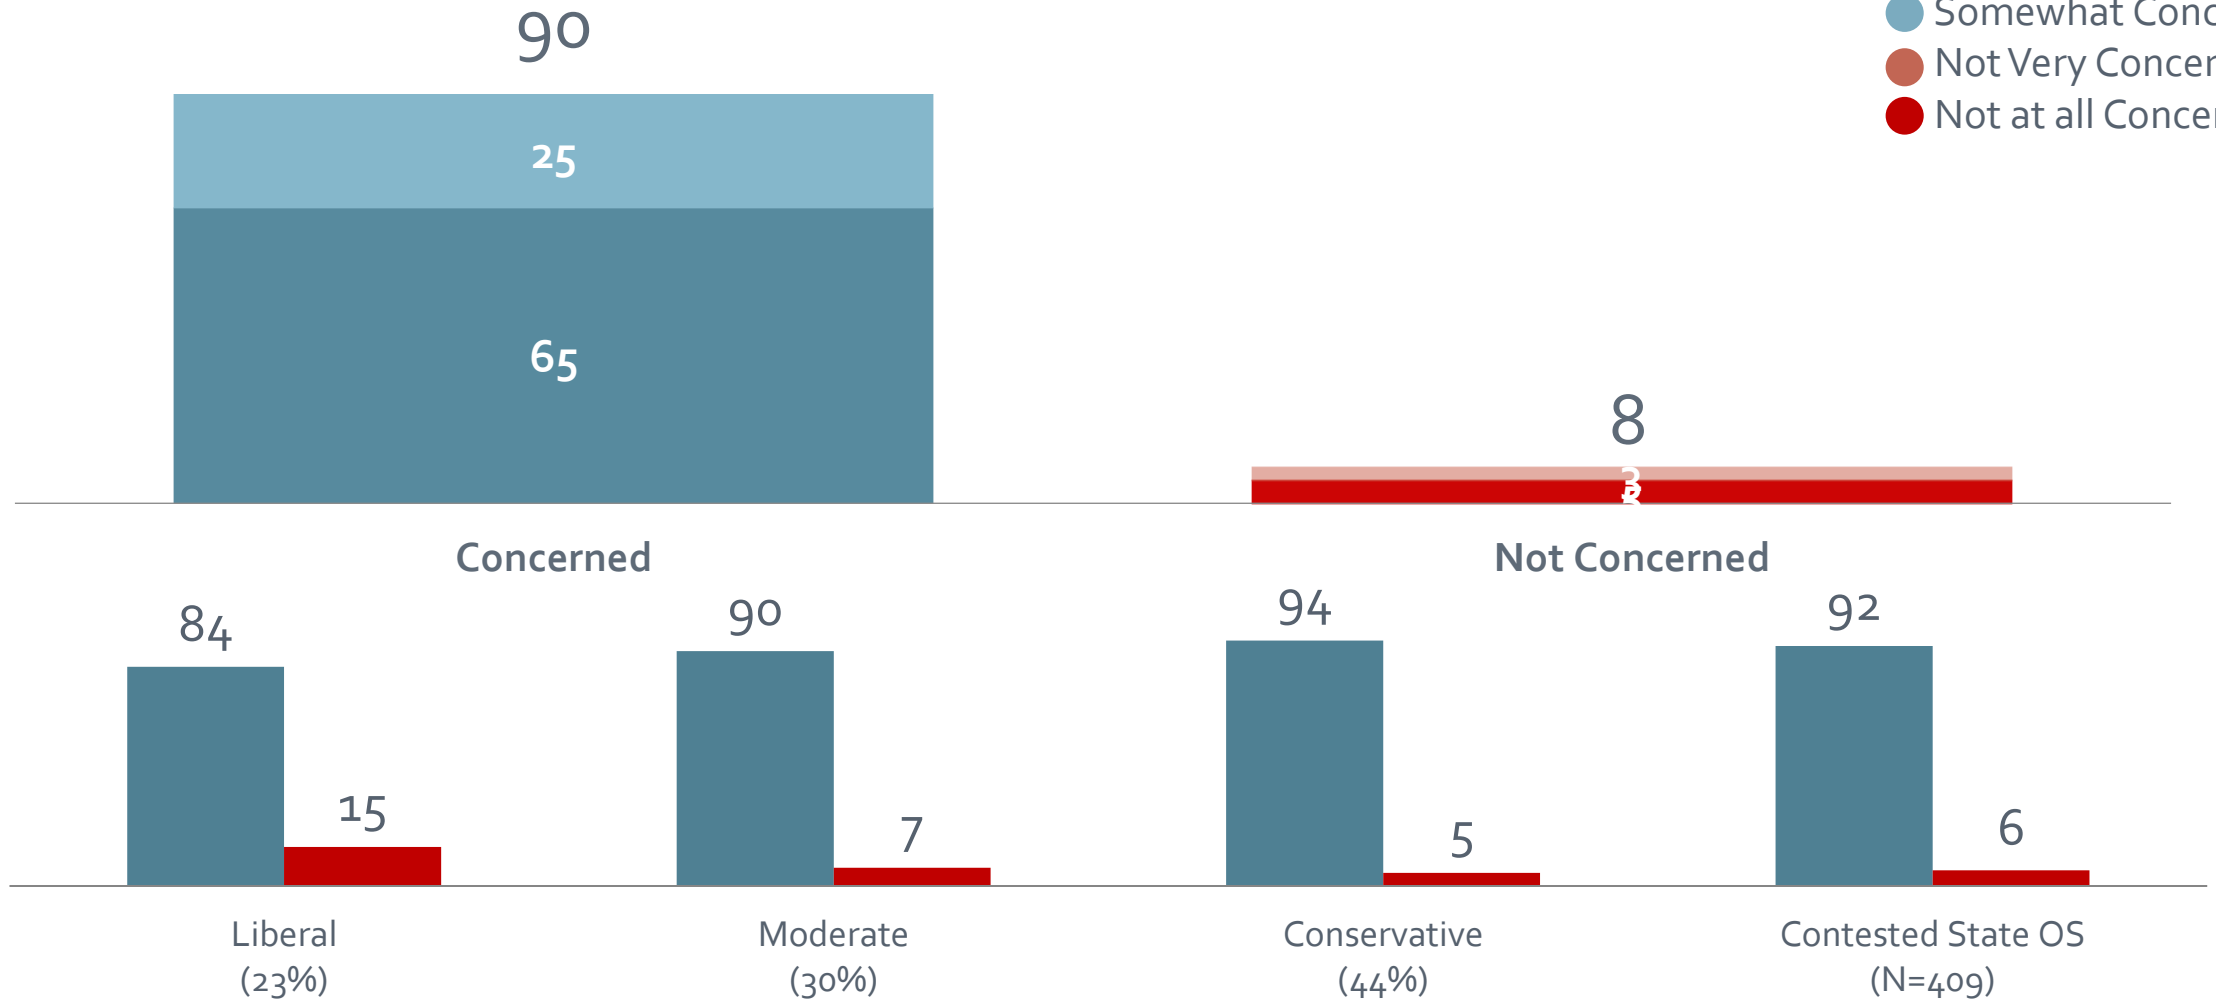

- Higher cost of food
- Higher cost of gasoline
- Higher home heating and electric bills
- More expensive household goods
- Higher cost of rent
- Having to cut back on quality of life
- China becoming more economically dominant
- Harder to buy a home
- More corporate power

CONCERN ABOUT GAS PRICES

Please tell me how concerned you are about rising gas prices in America.

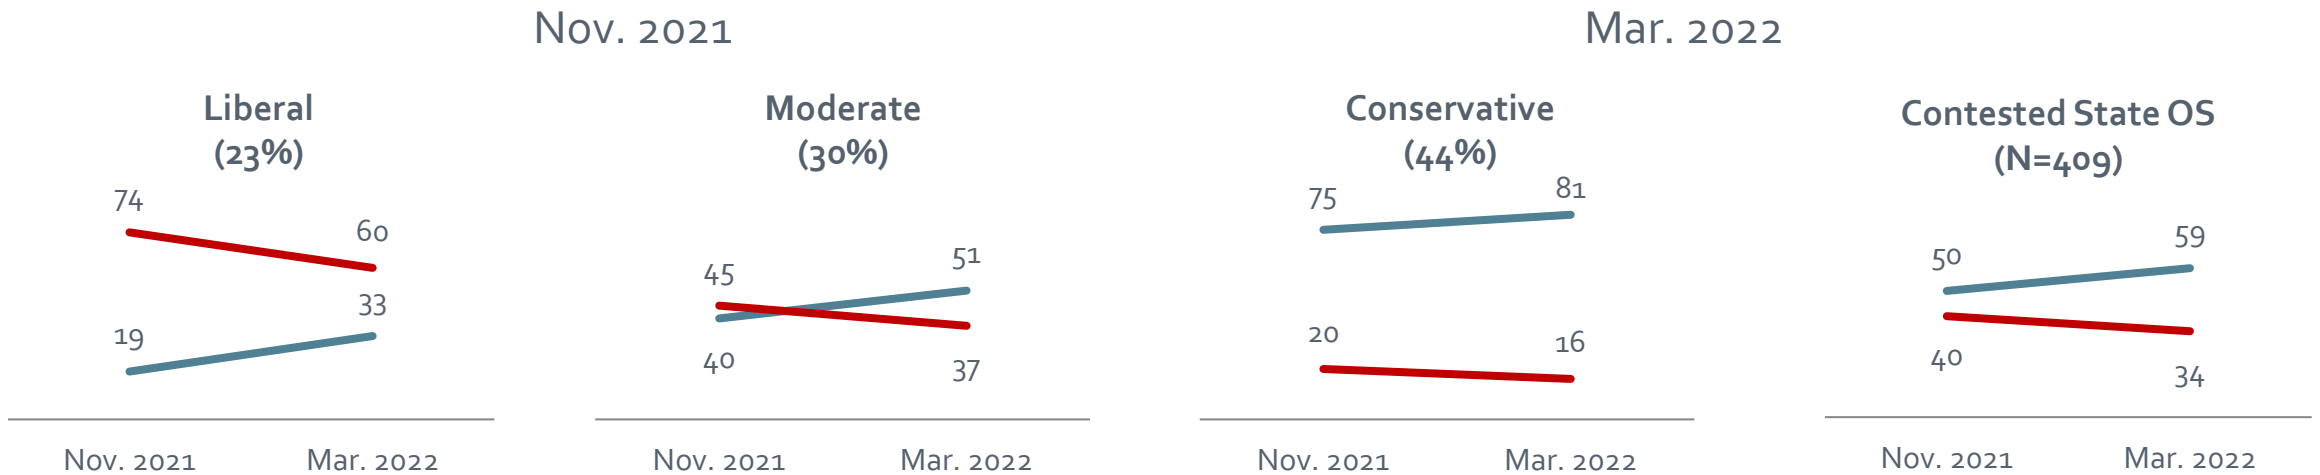

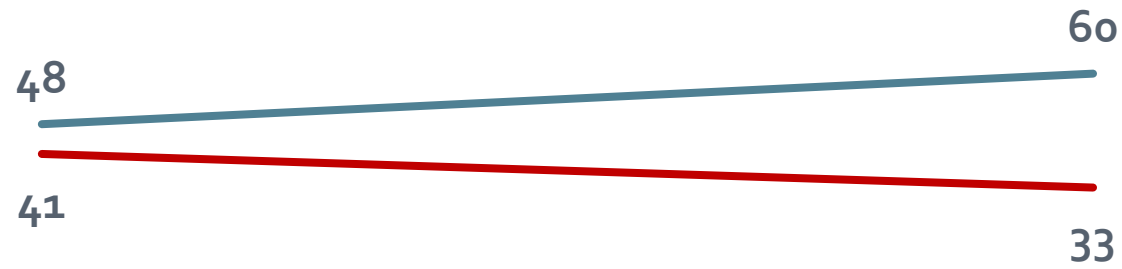

- Very Concerned
- Somewhat Concerned
- Not Very Concerned
- Not at all Concerned

As you may know, energy costs have risen significantly over the past year, even before the war in Ukraine, affecting things like the cost of gasoline and the cost of home heating. Which statement do you agree with more even if neither is exactly right?

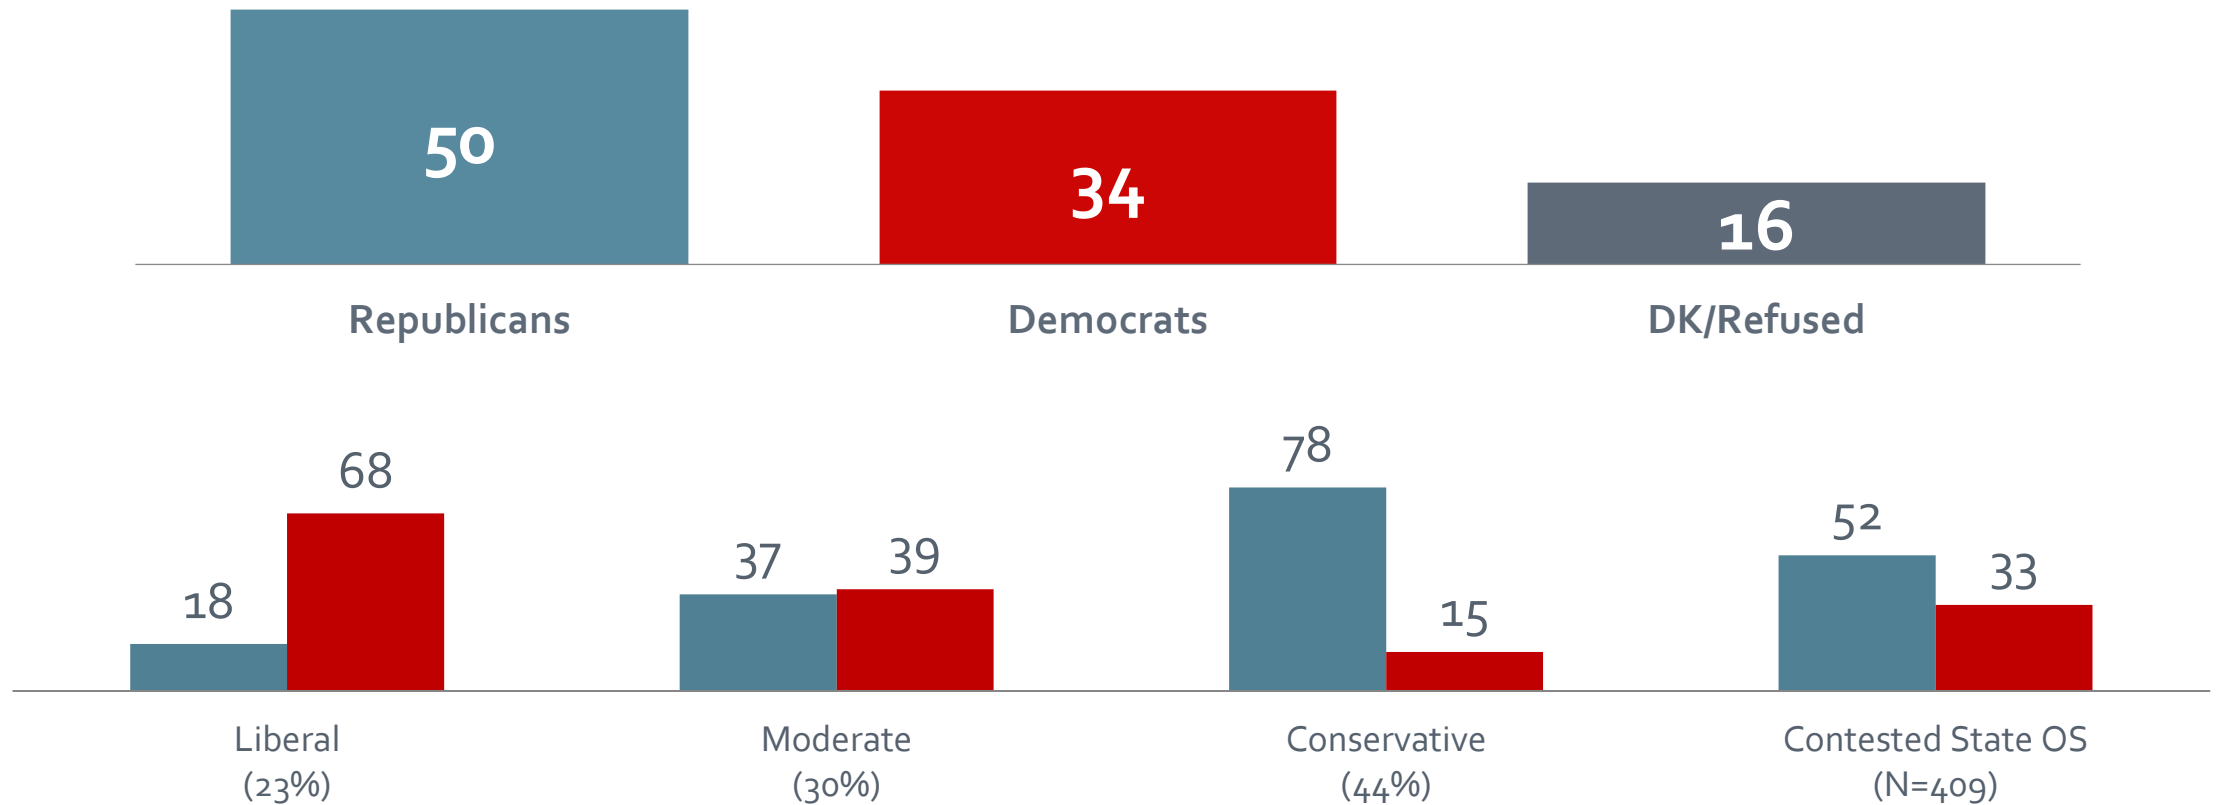

High energy prices are, at least partially, the result of policies from President Biden and the Democrats shutting down energy exploration and pipelines.

High energy prices are the result of general market forces and should not be blamed on Democrat policies.

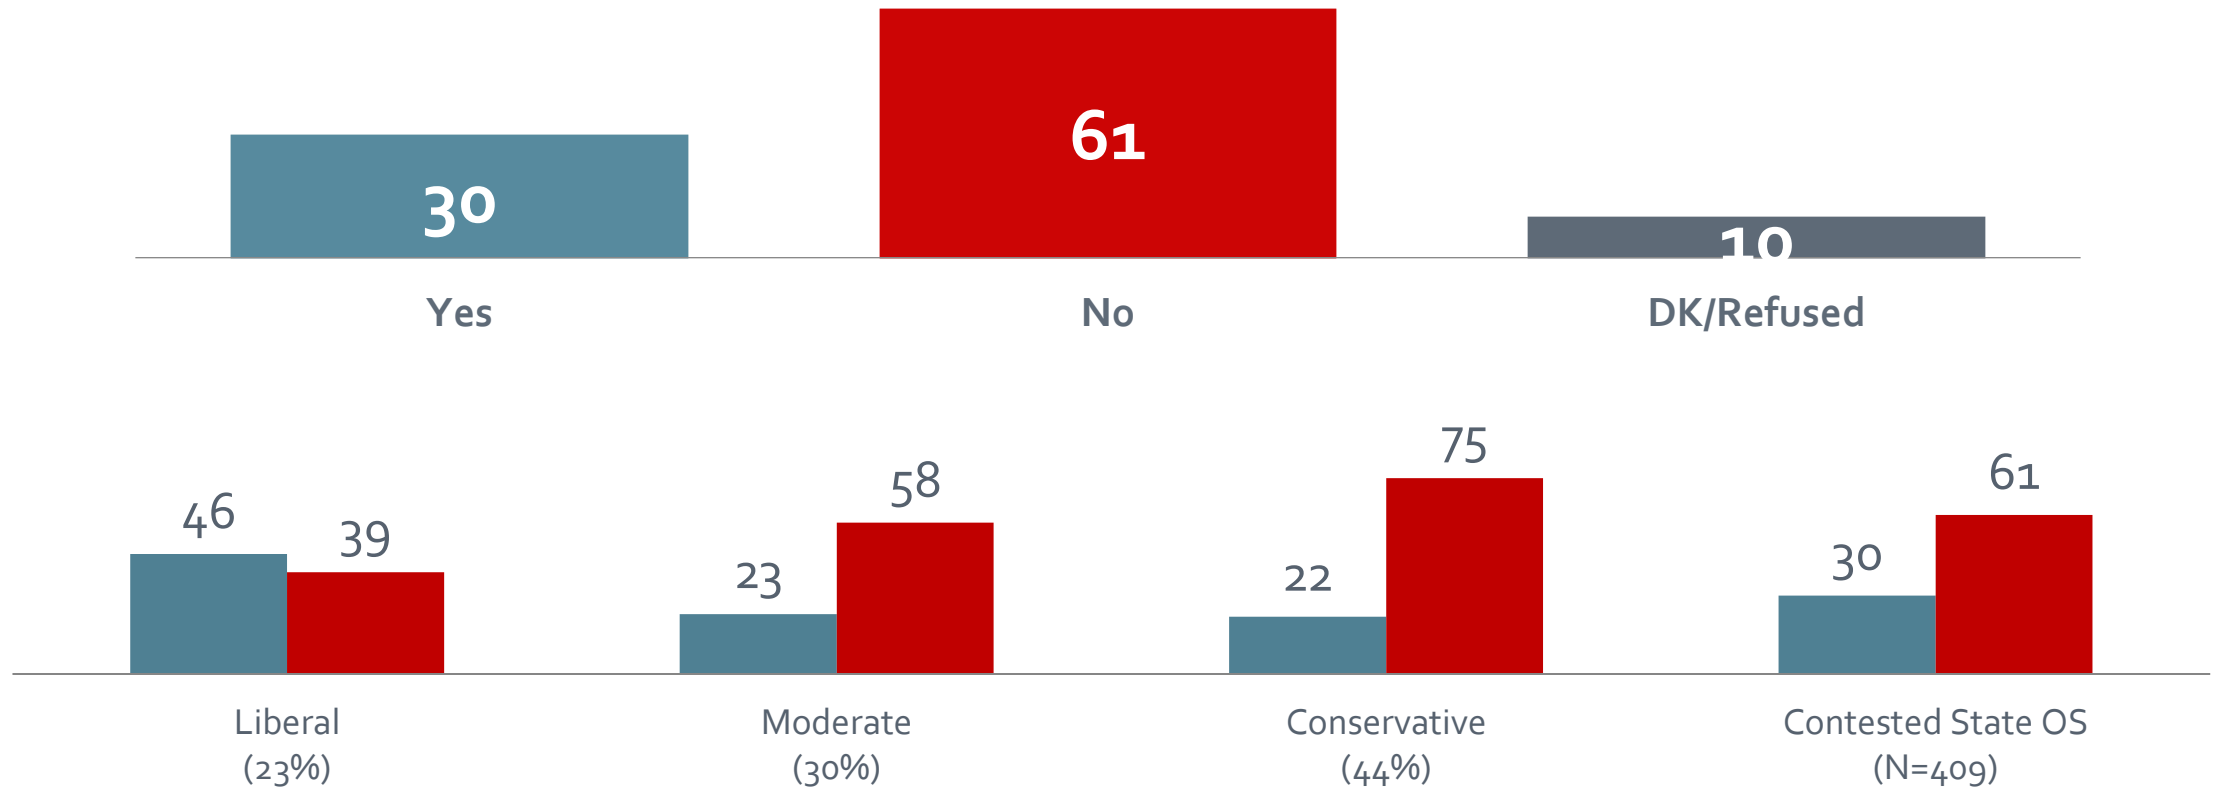

REDUCING GAS PRICES

Which party do you trust to do a better job reducing gas prices in America?

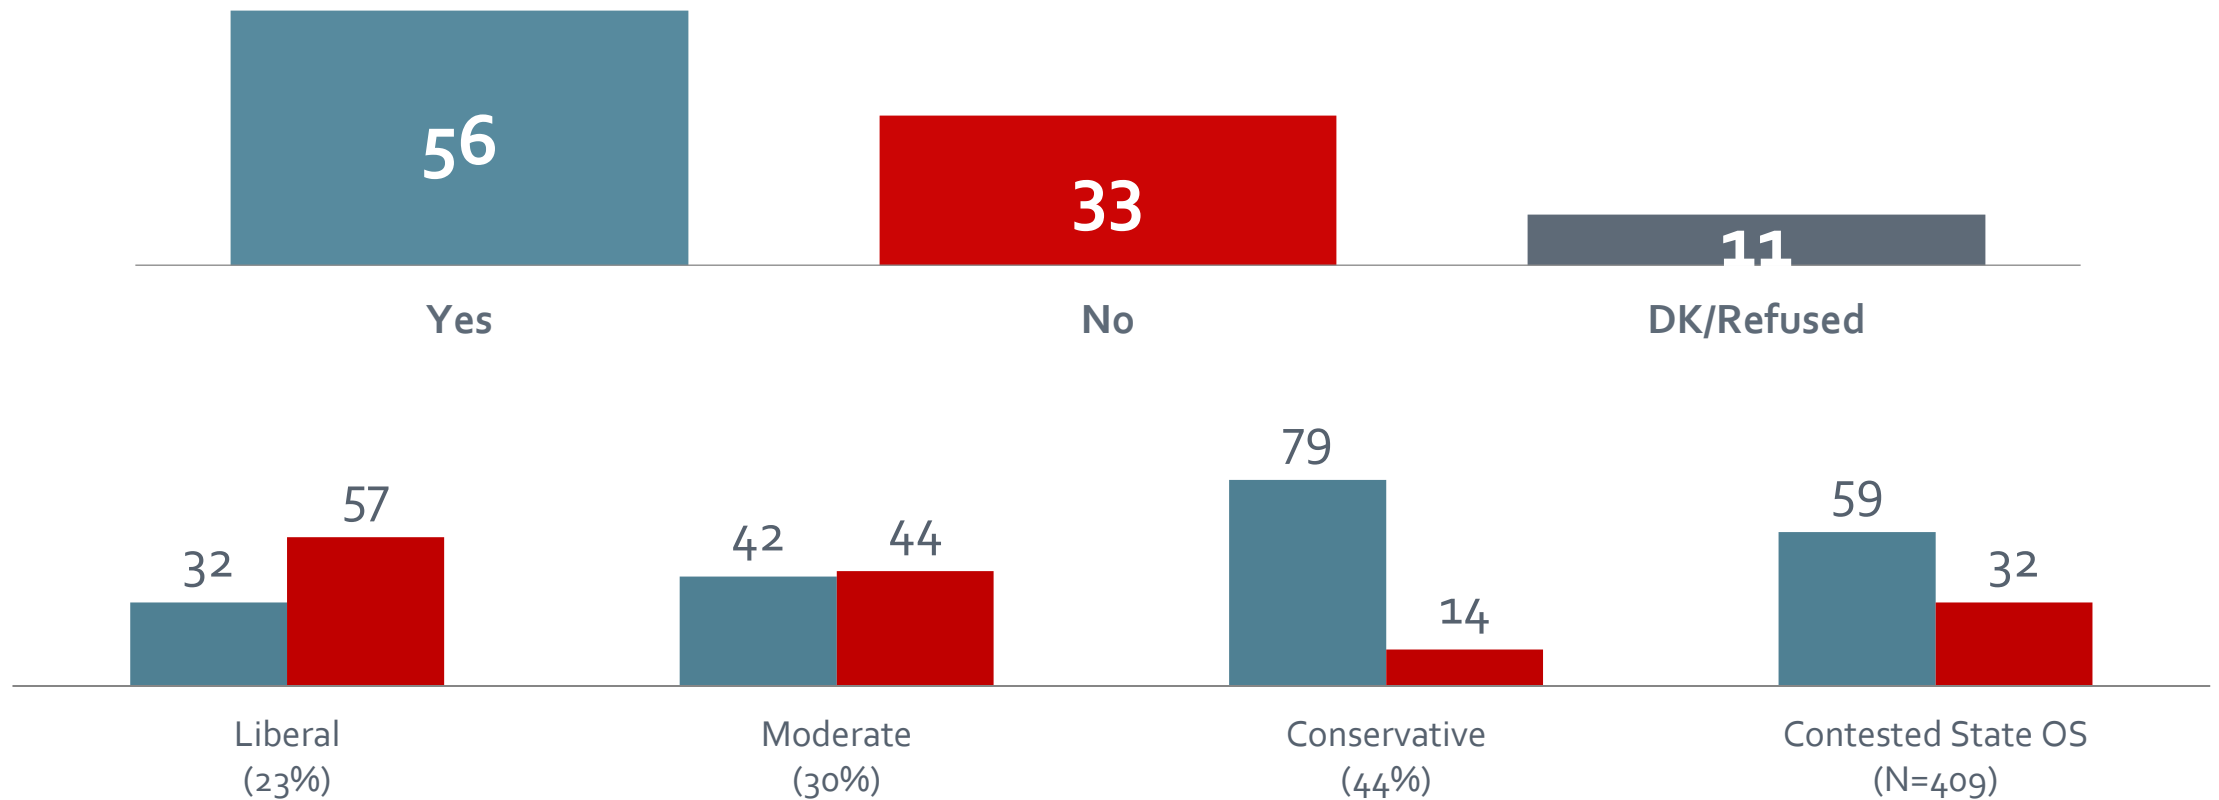

STOPPING INFLATION

In your personal opinion, do you think President Biden and Congressional Democrats are doing enough to stop inflation?

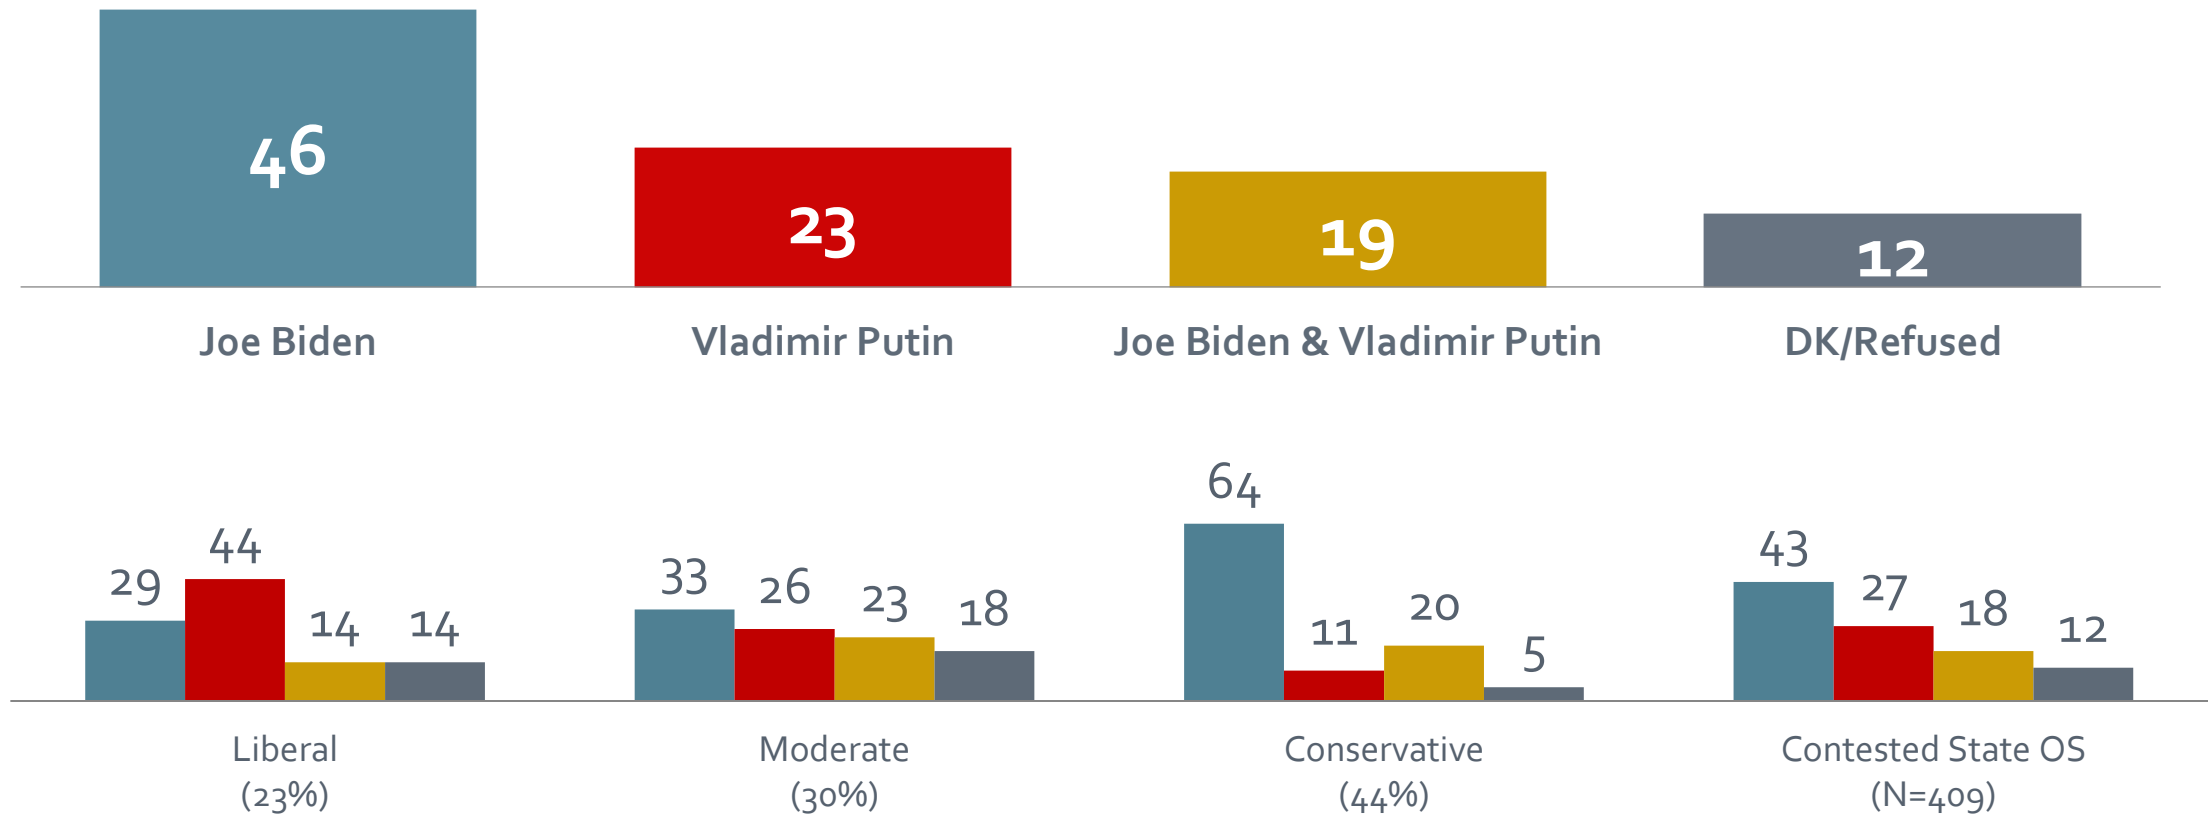

INFLATION BLAME

Do you believe President Biden and Congressional Democrats are responsible for inflation?

GAS PRICES BLAME

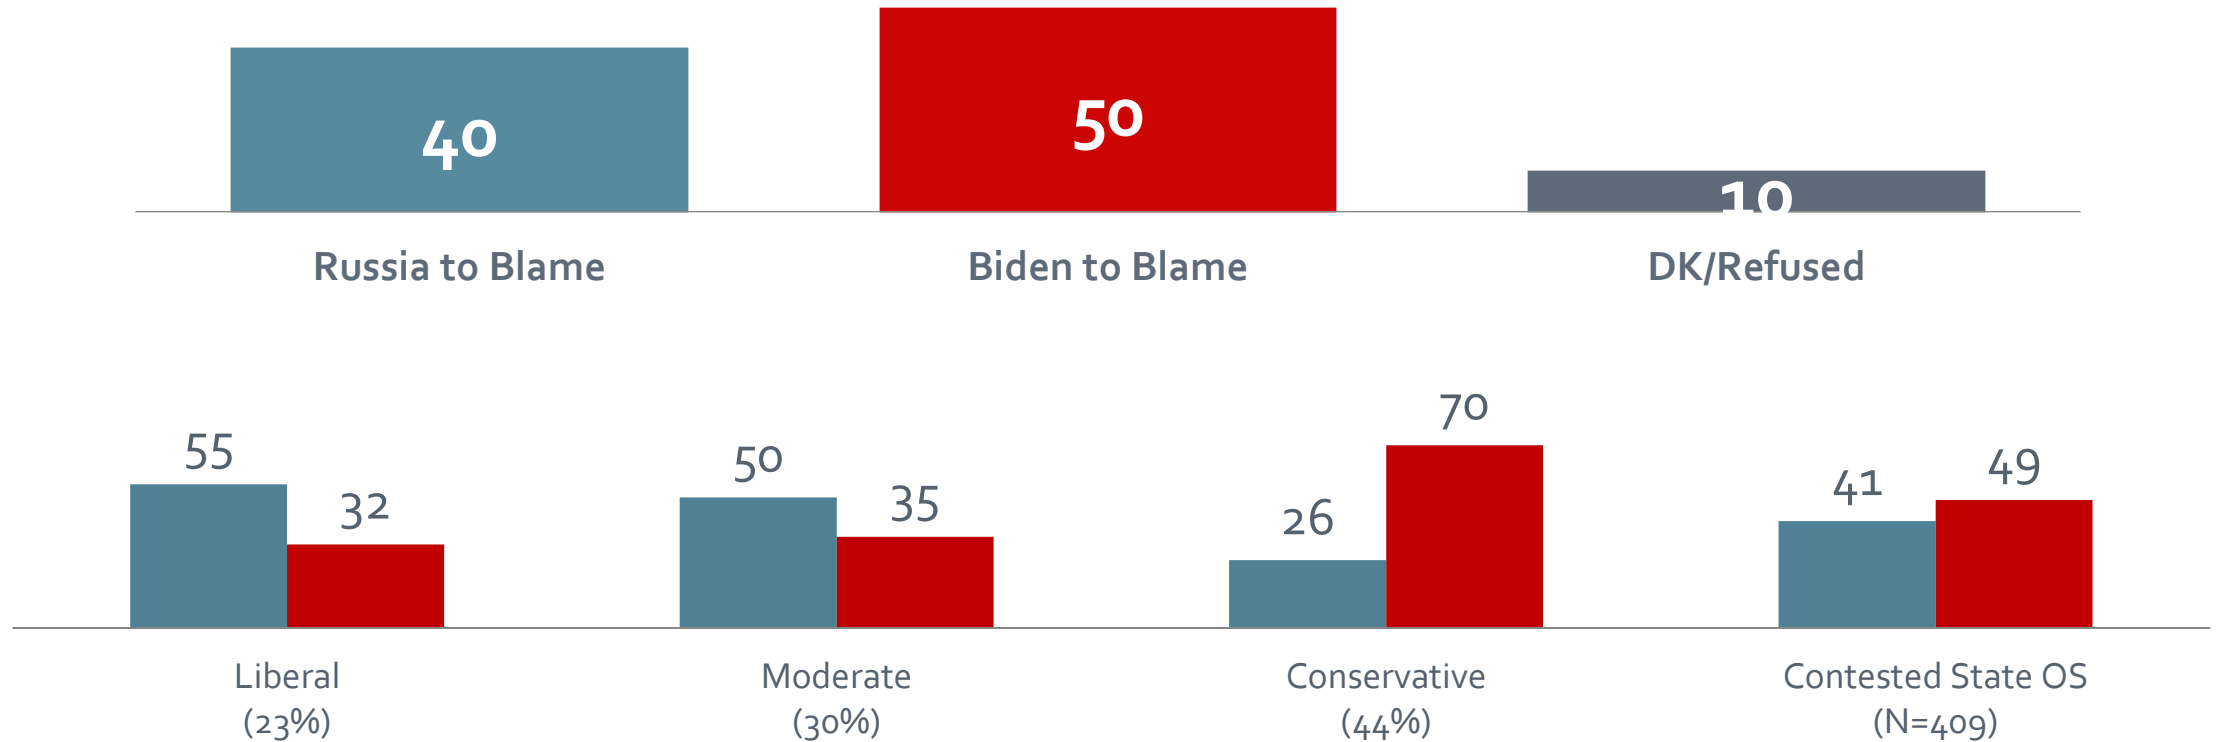

Who do you think bears MORE responsibility for rising gas prices in America?

Which statement do you agree with more even if neither is exactly right?

Some people say the increase in gas prices is primarily because of Russia's preparation for and invasion of Ukraine, even if other factors contributed.

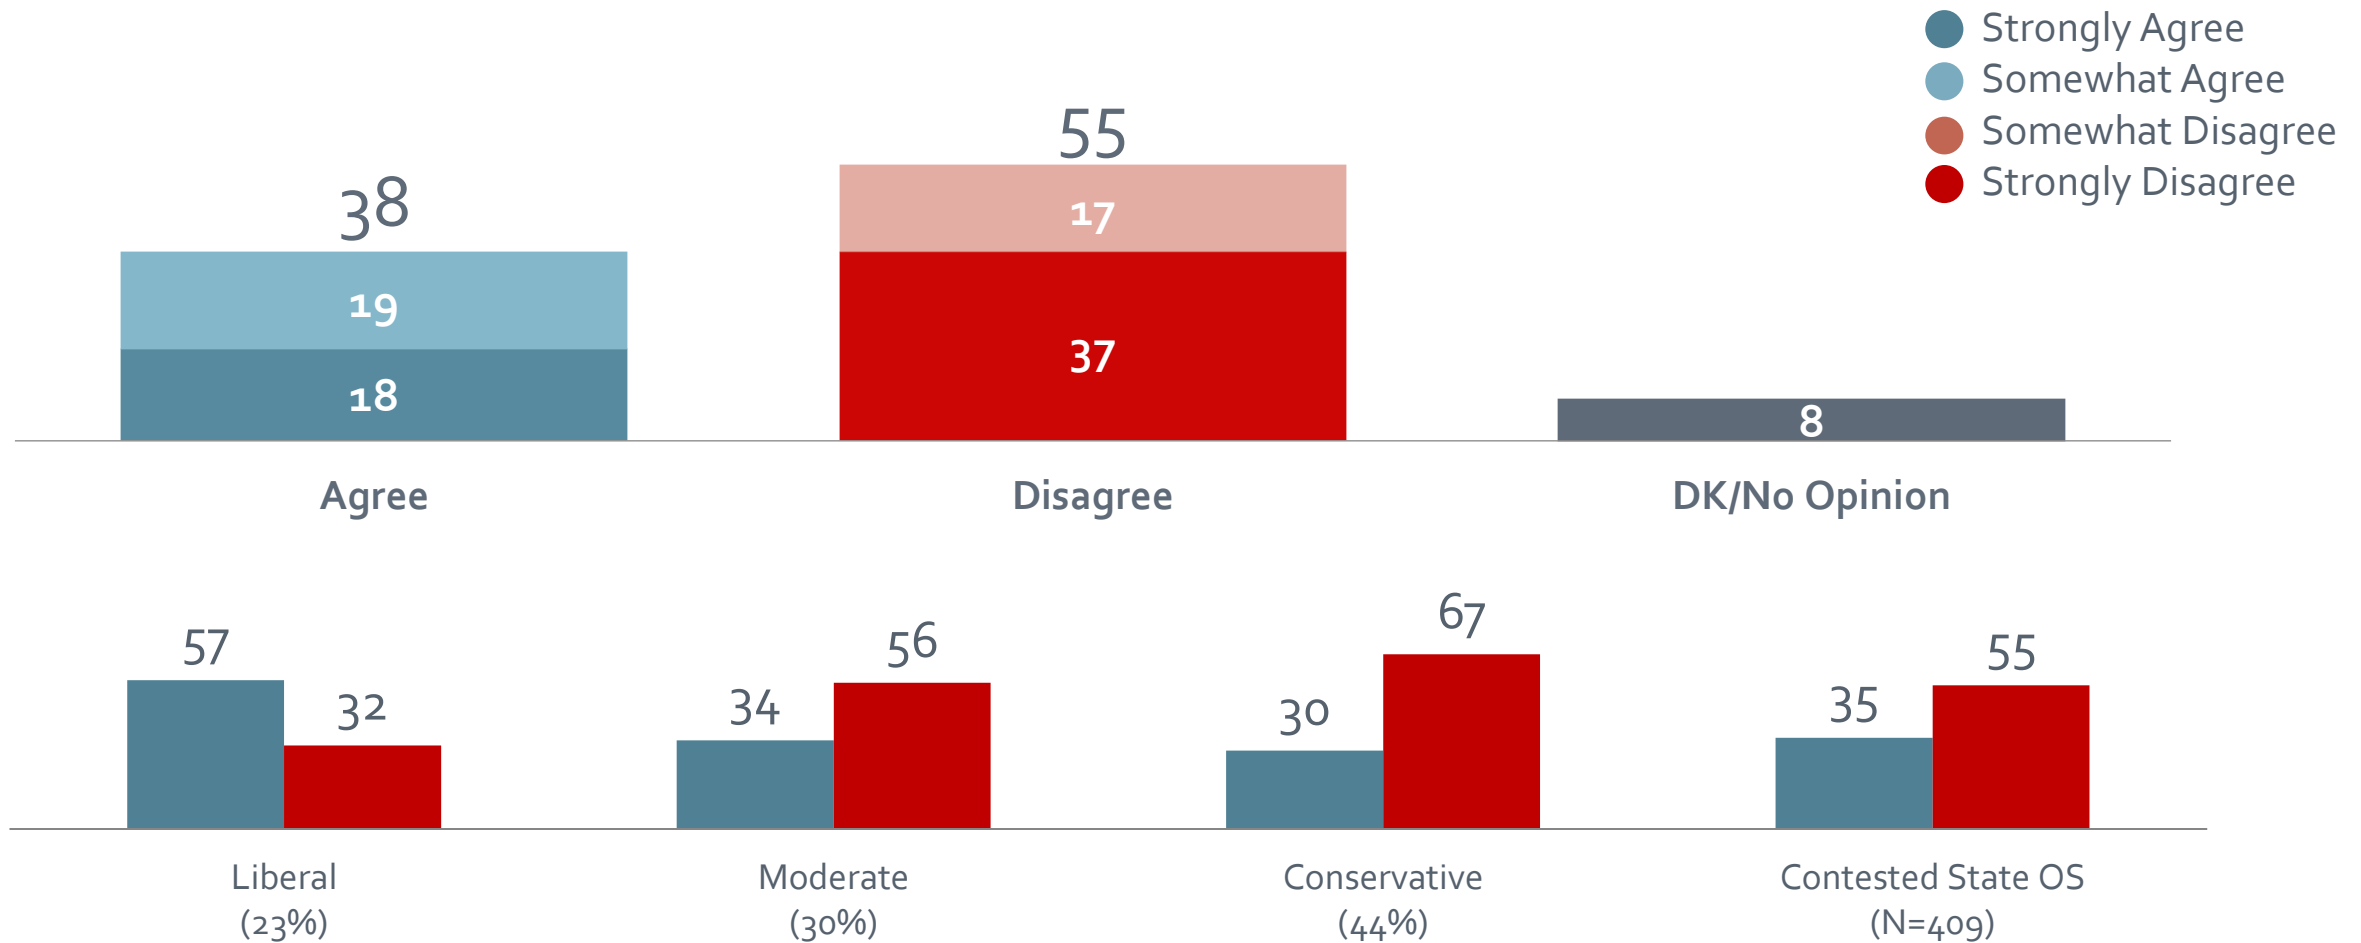

Other people say the increase in gas prices is primarily because of President Biden's policies, even if other factors contributed.

ELECTRIC VEHICLES

Please tell me if you agree or disagree with the following statement.

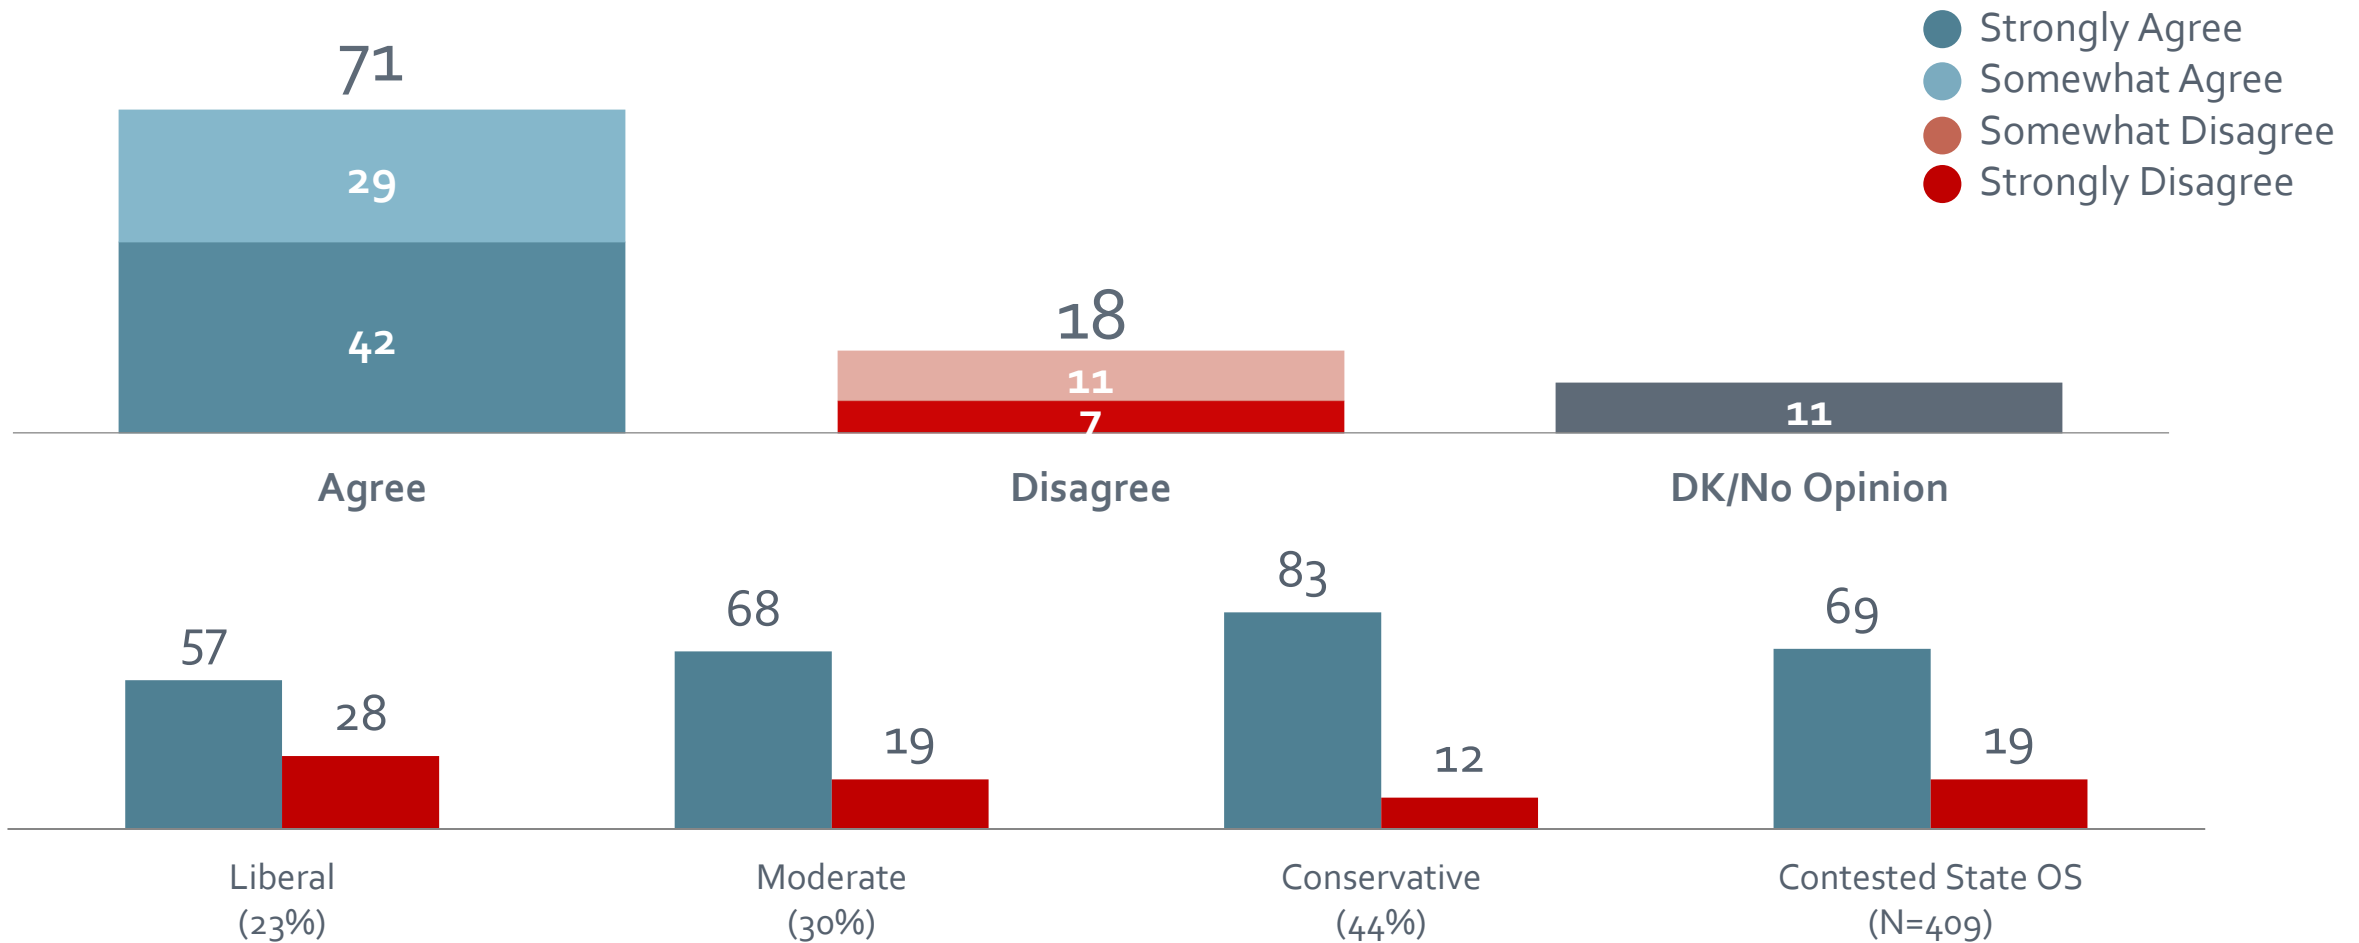

The best solution to high gas prices is urging all Americans to buy electric vehicles.

BIDEN OIL POLICY

Please tell me if you agree or disagree with the following statement.

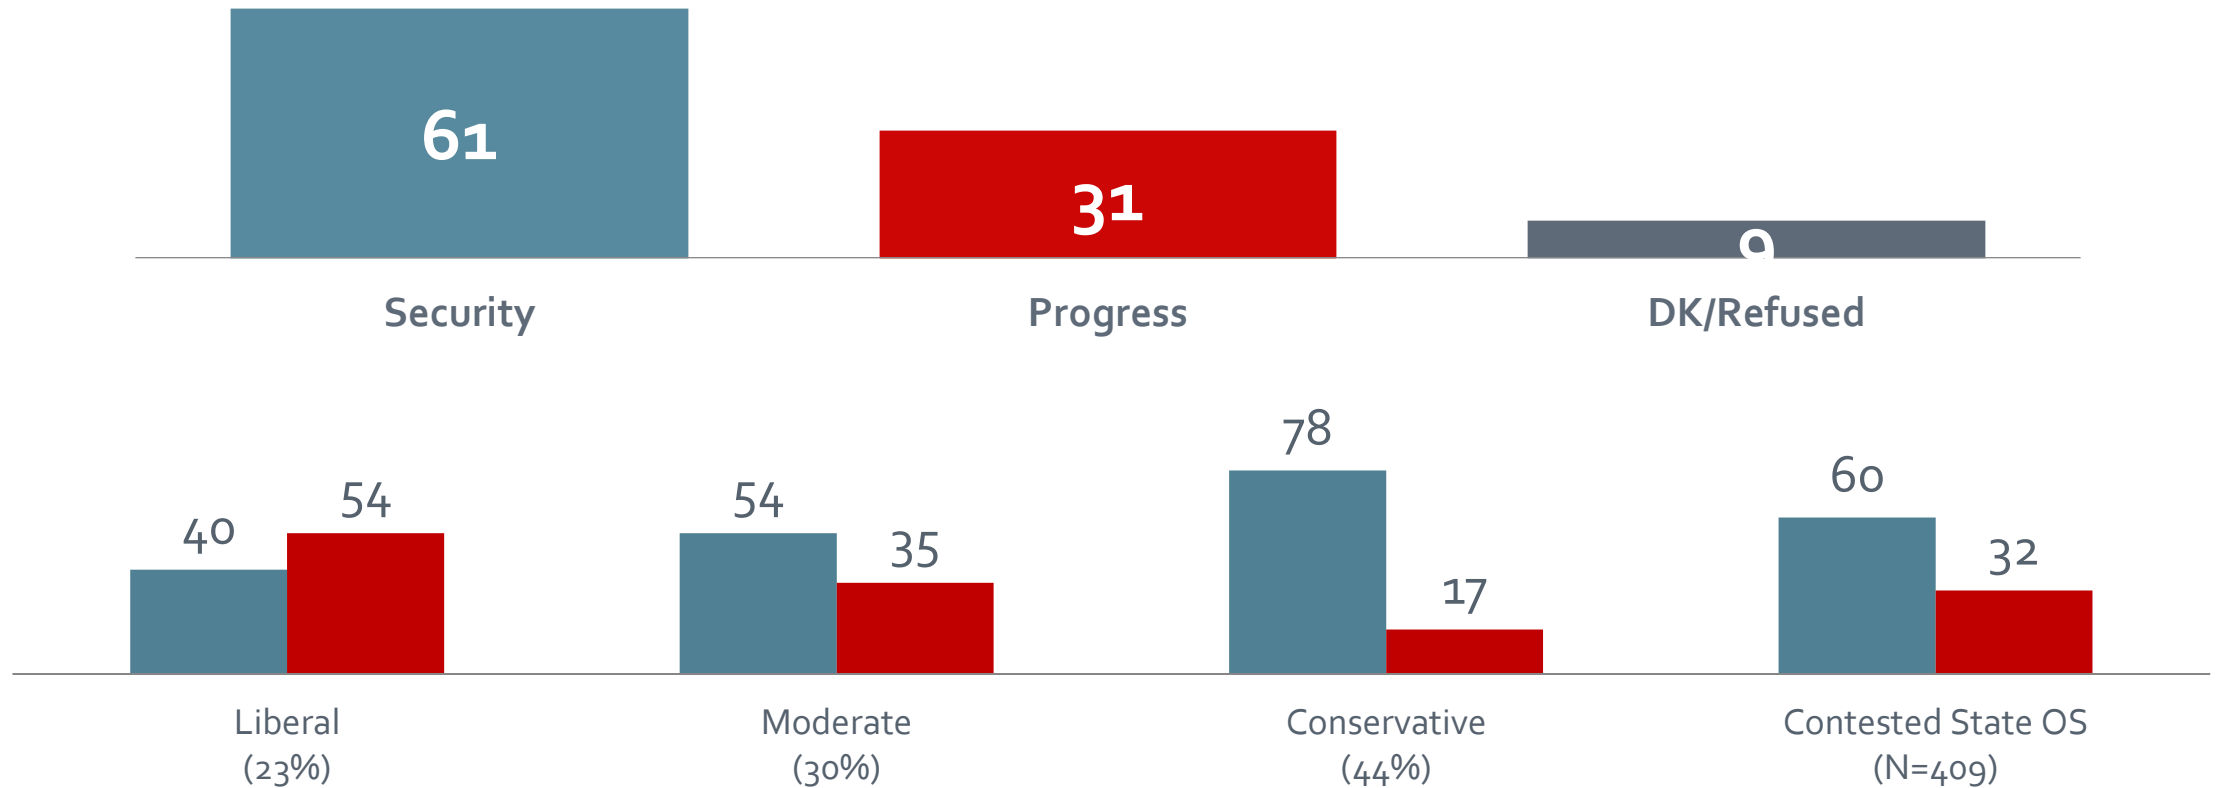

President Biden's decision to solicit purchases of oil from dictatorships like Venezuela and Iran, instead of producing more oil here in the U.S., weakens us both economically and morally. And it hurts our national security.

Which of these two policy agendas do you think would be better for our country right now?

Focus on American Security: National Security, Economic Security, and Energy Security

Focus on American Progress: Green Energy, Prescription Drug Prices, and More Investments
