# RECESSION PERCEPTION

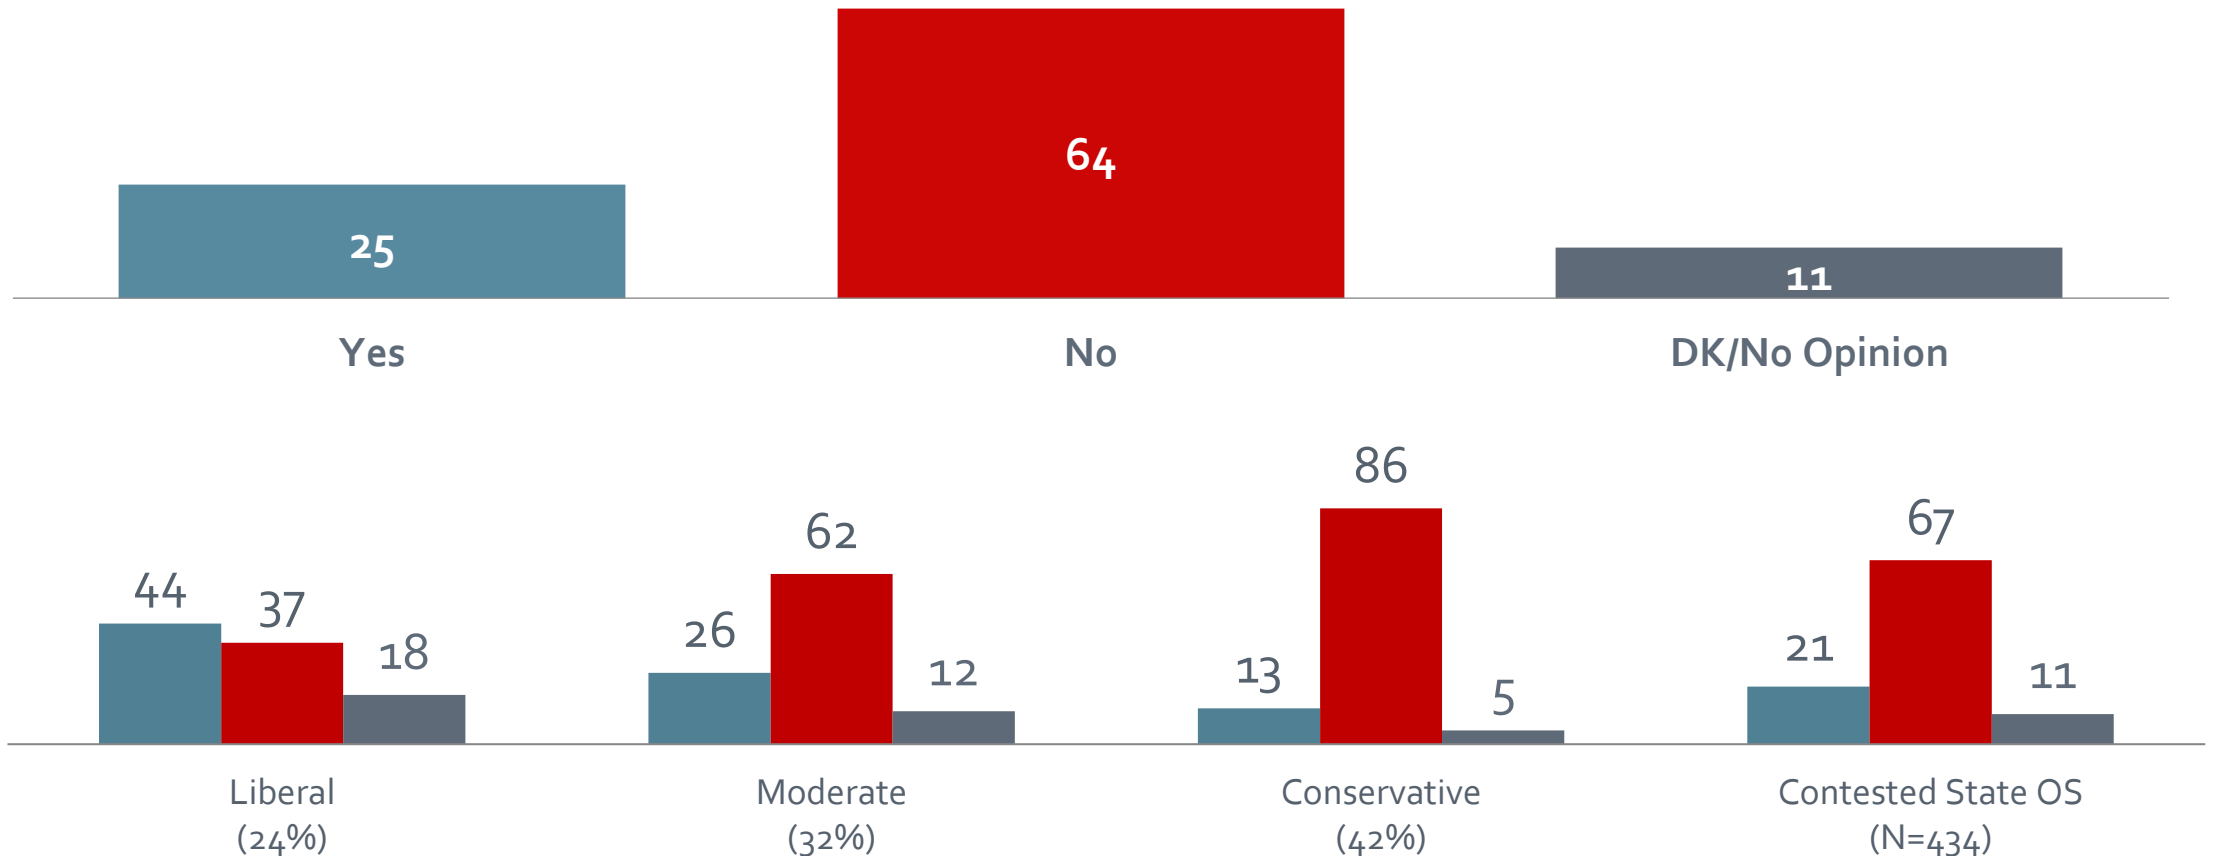

This week, the country will receive second-quarter gross domestic product (GDP) numbers. This measures the country's economic growth. If second-quarter GDP numbers are negative, it will mark two consecutive quarters in which the economy has contracted – something that is generally understood to mean a recession.

Do you believe the country is in a recession?

# BIDEN RECESSION CLAIMS

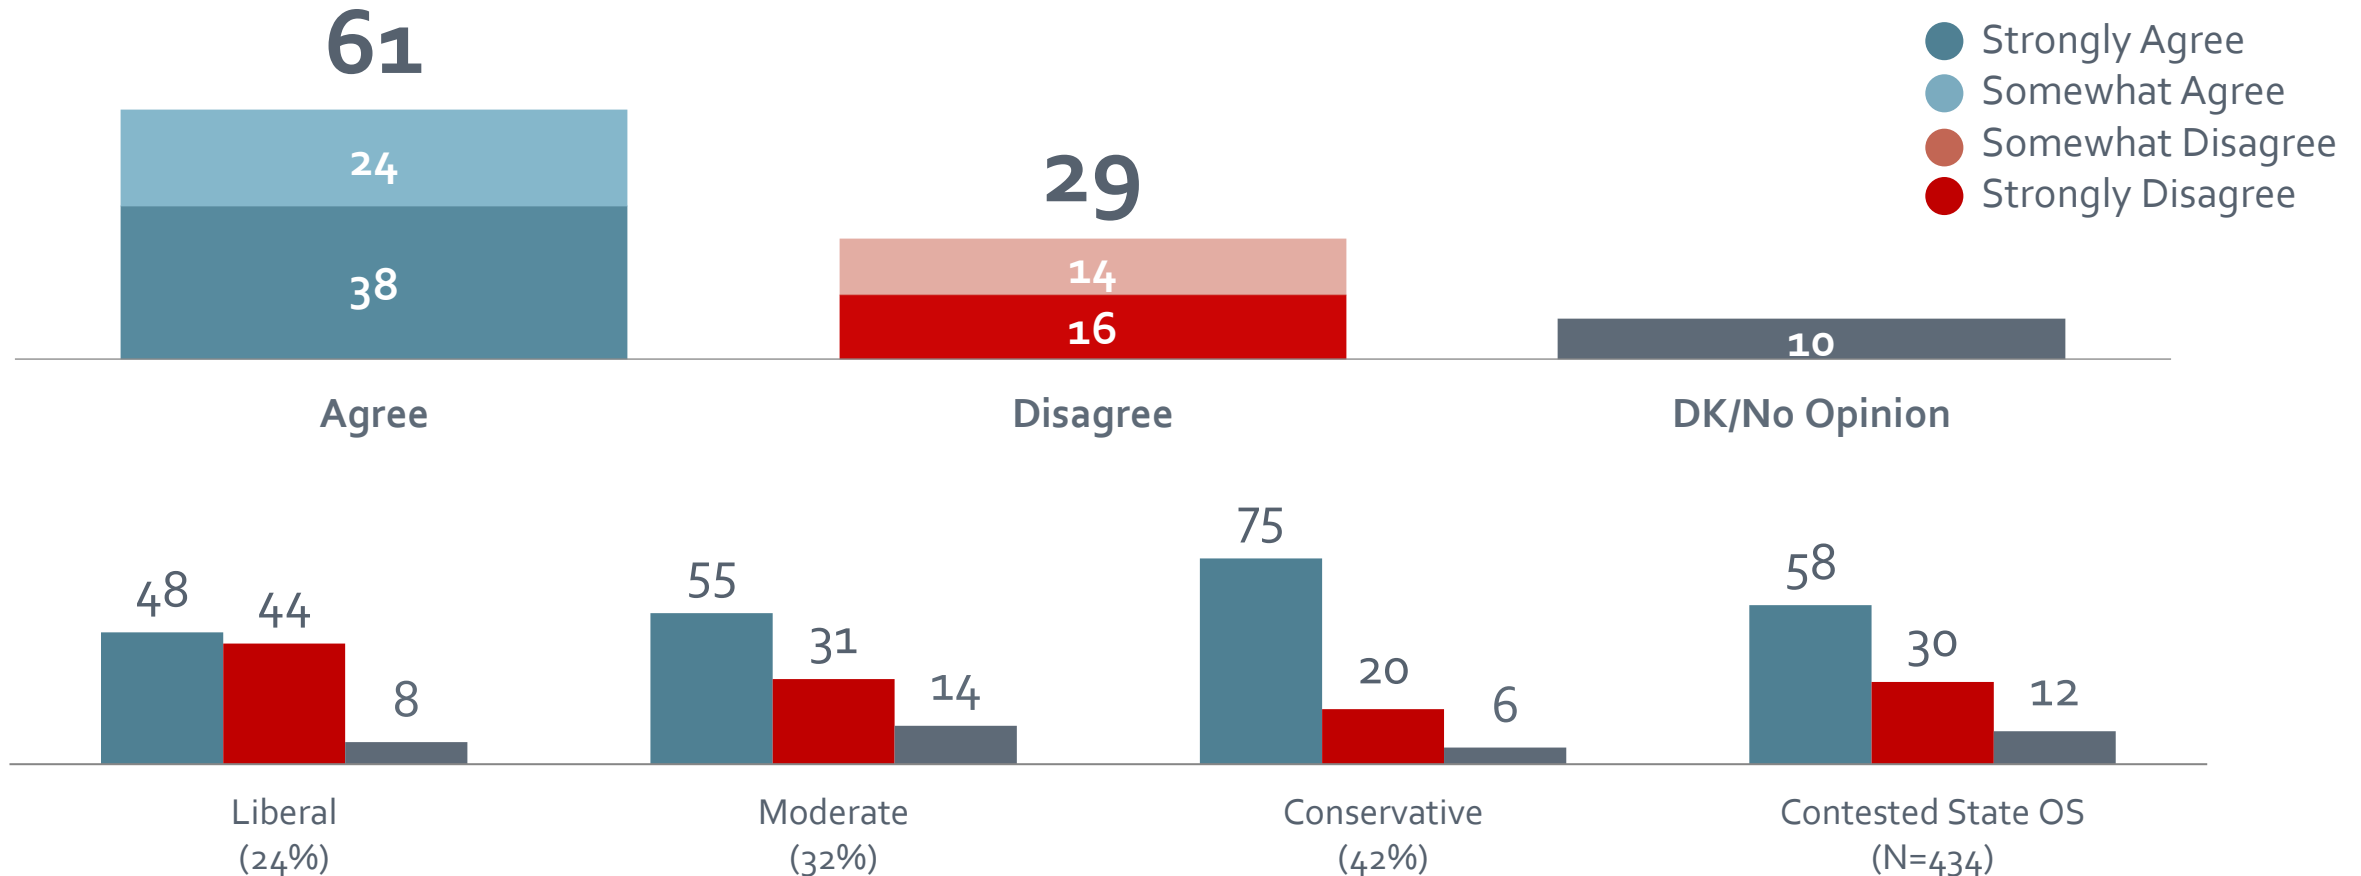

The Biden administration claims that the country is not in a recession.  
Do you believe the Biden administration?

# DEMOCRAT CREDIBILITY

Please tell me if you agree or disagree with the following statement.

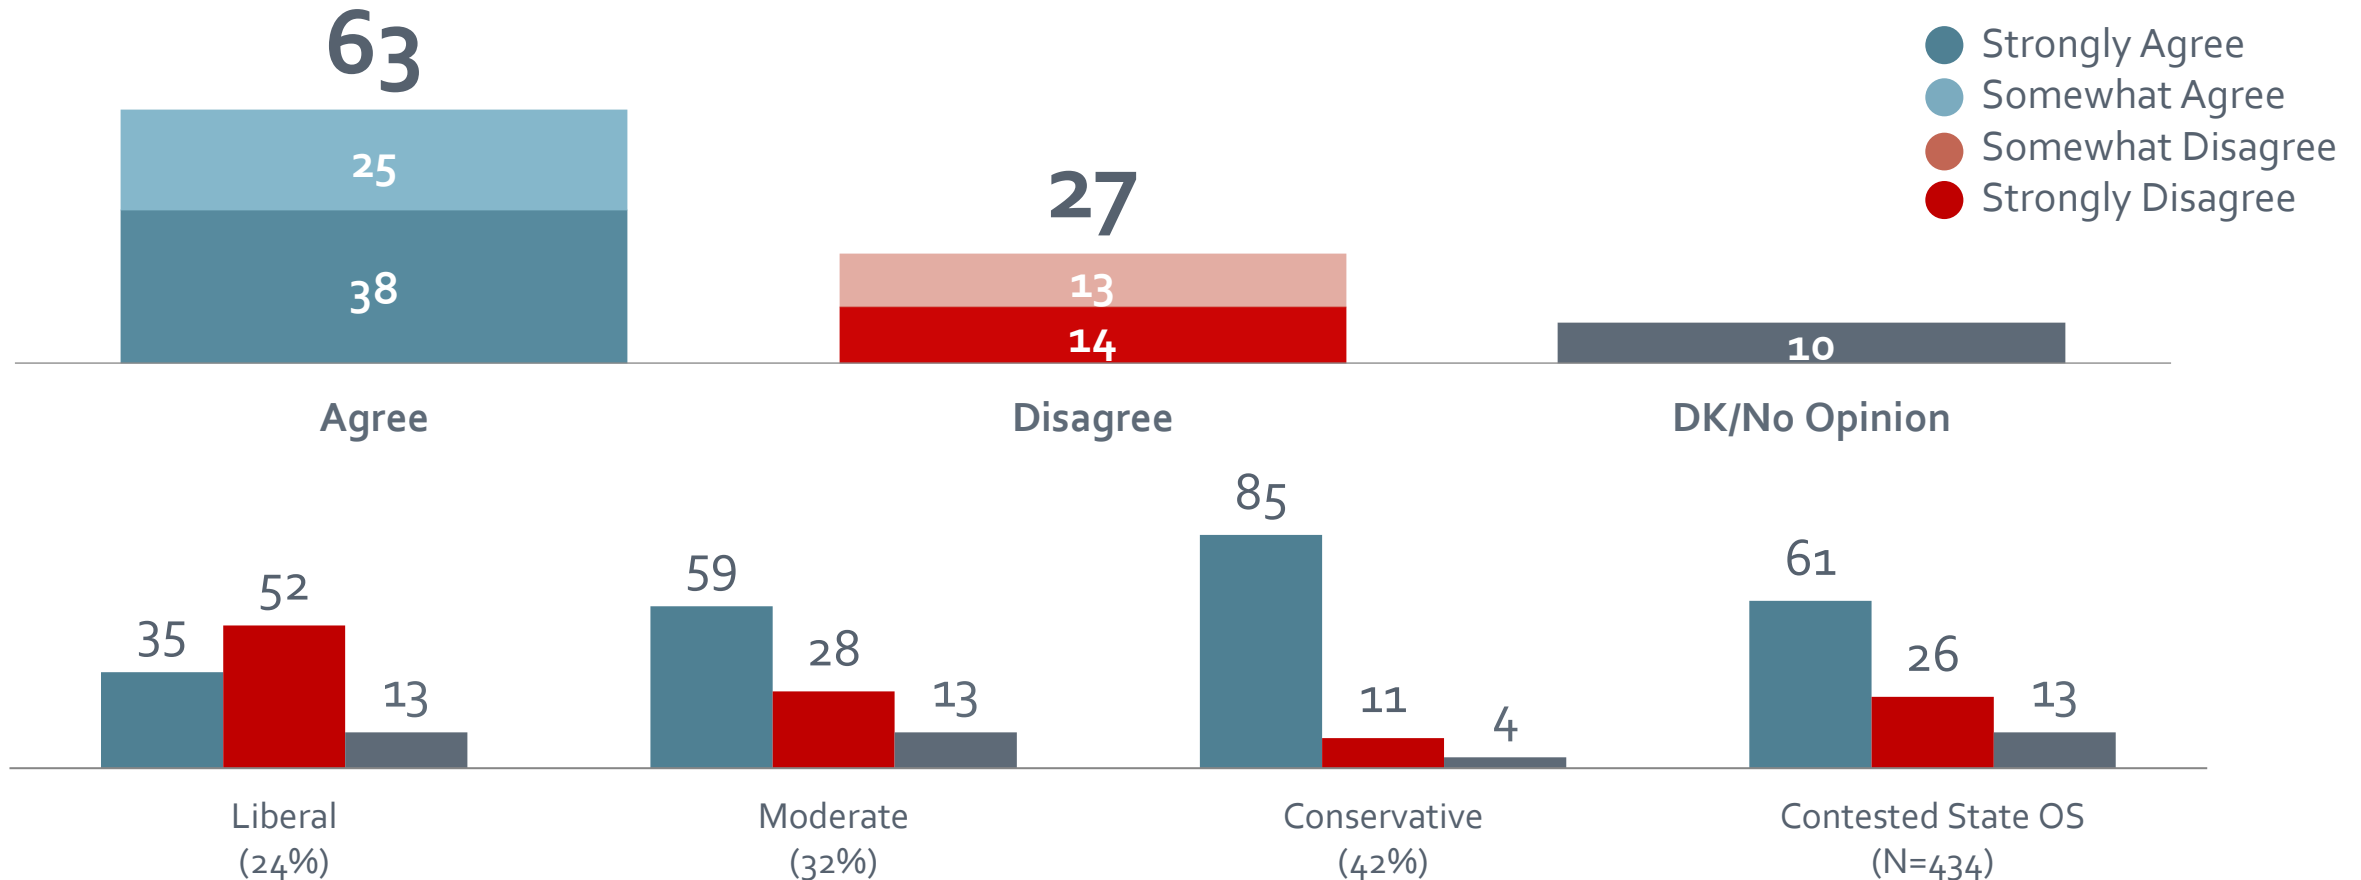

“Joe Biden and Democrats have a crisis of competence and credibility on the economy”

# REPUBLICAN INFLATION PLAN

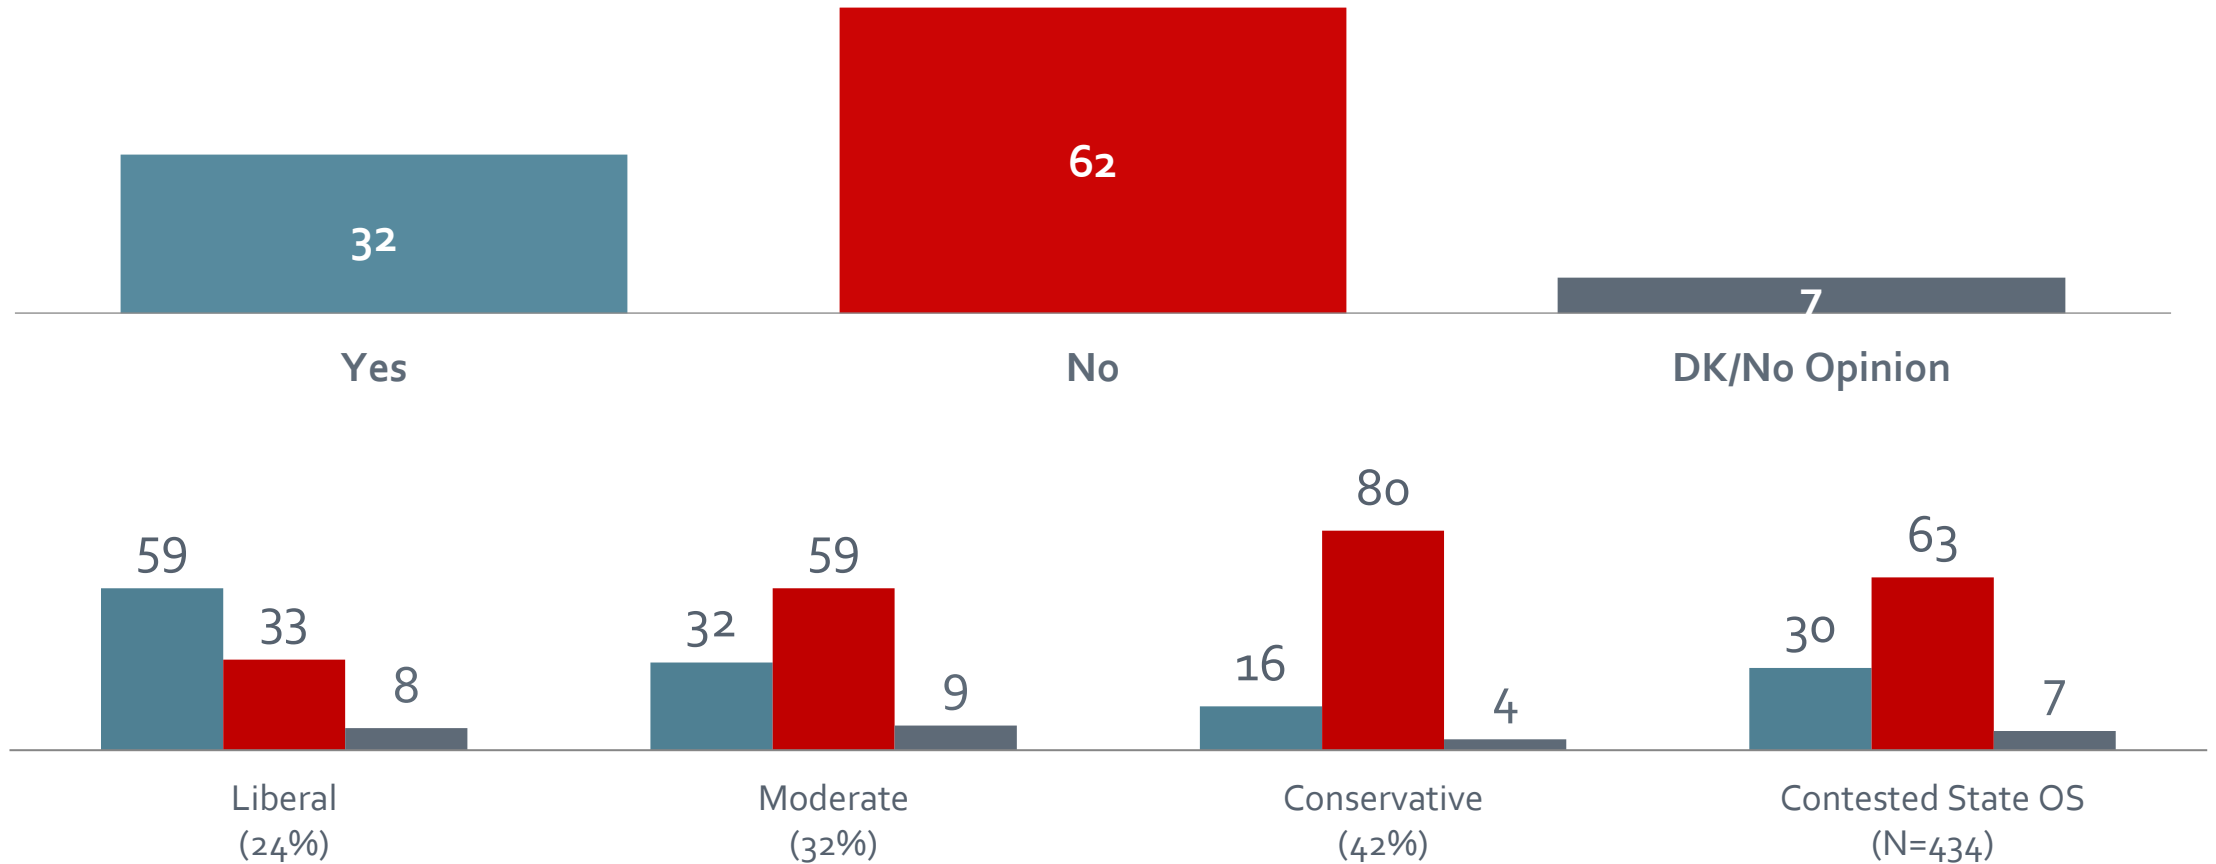

Please tell me if you agree or disagree with the following statement.

“Republicans say that in order to get inflation under control, it starts with unleashing American energy, cutting red tape, and stopping runaway government spending.”

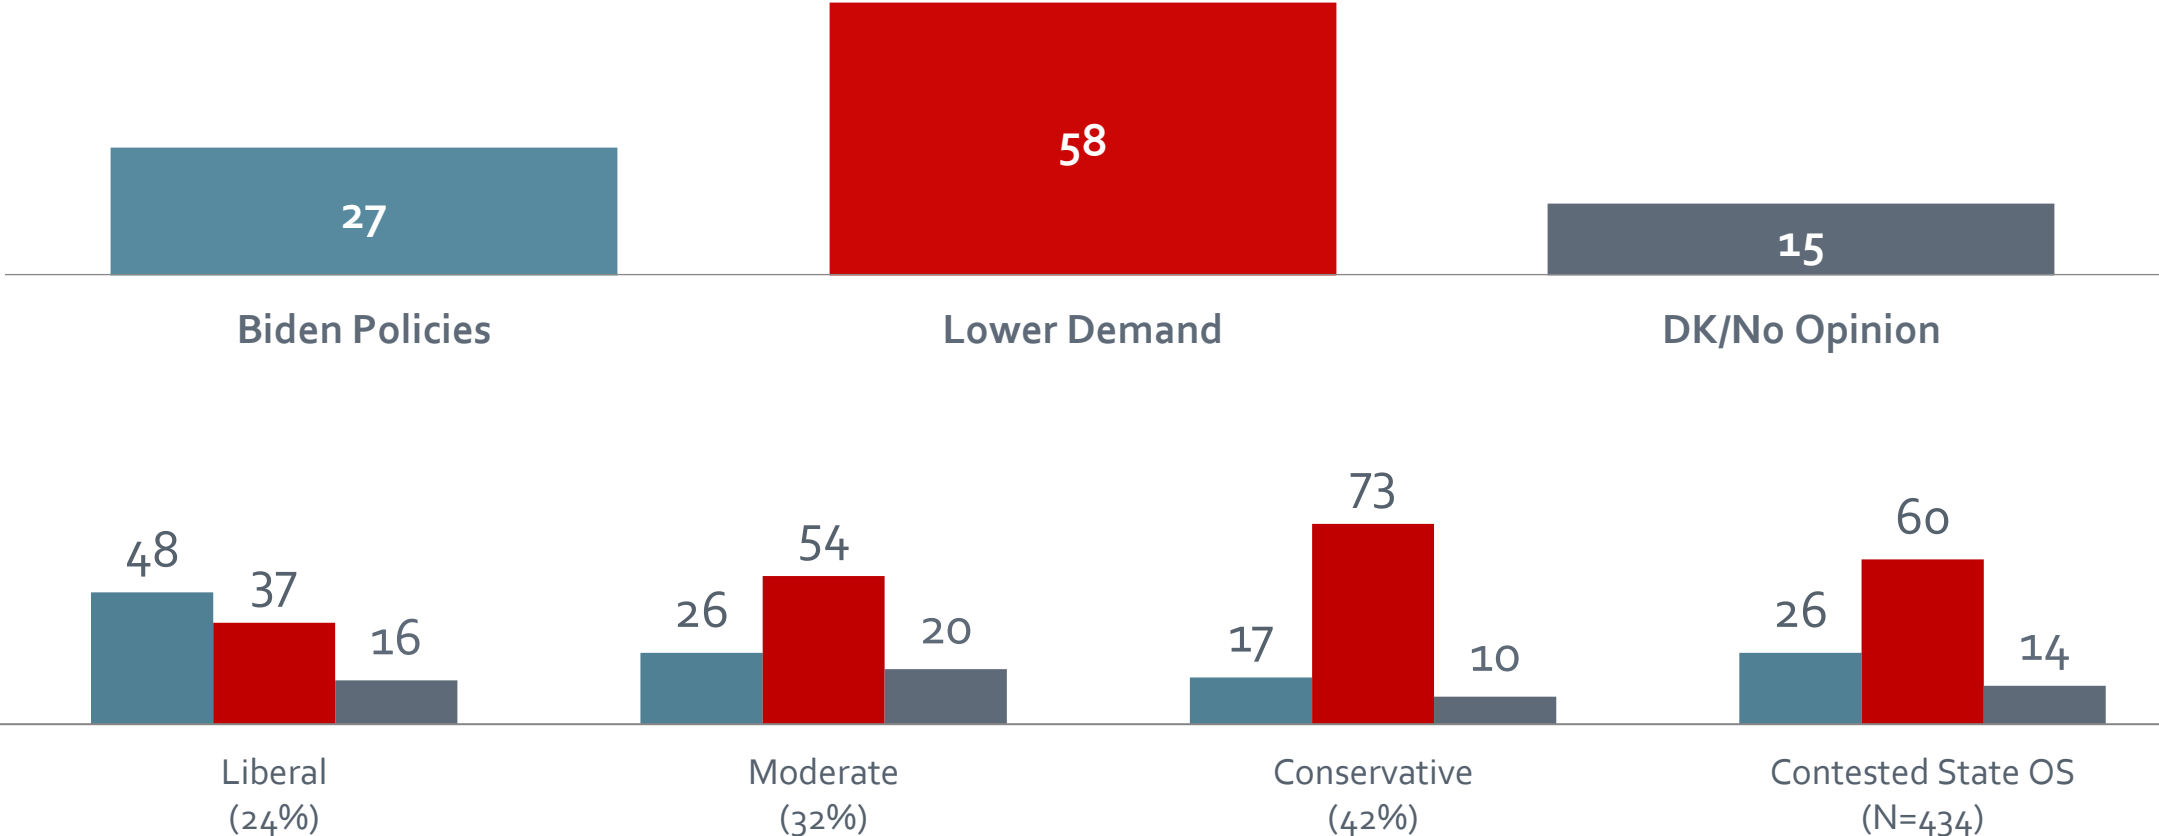

# DEMOCRAT ATTENTION

Do you believe Democrats in Congress are paying enough attention to the country's most important problems?

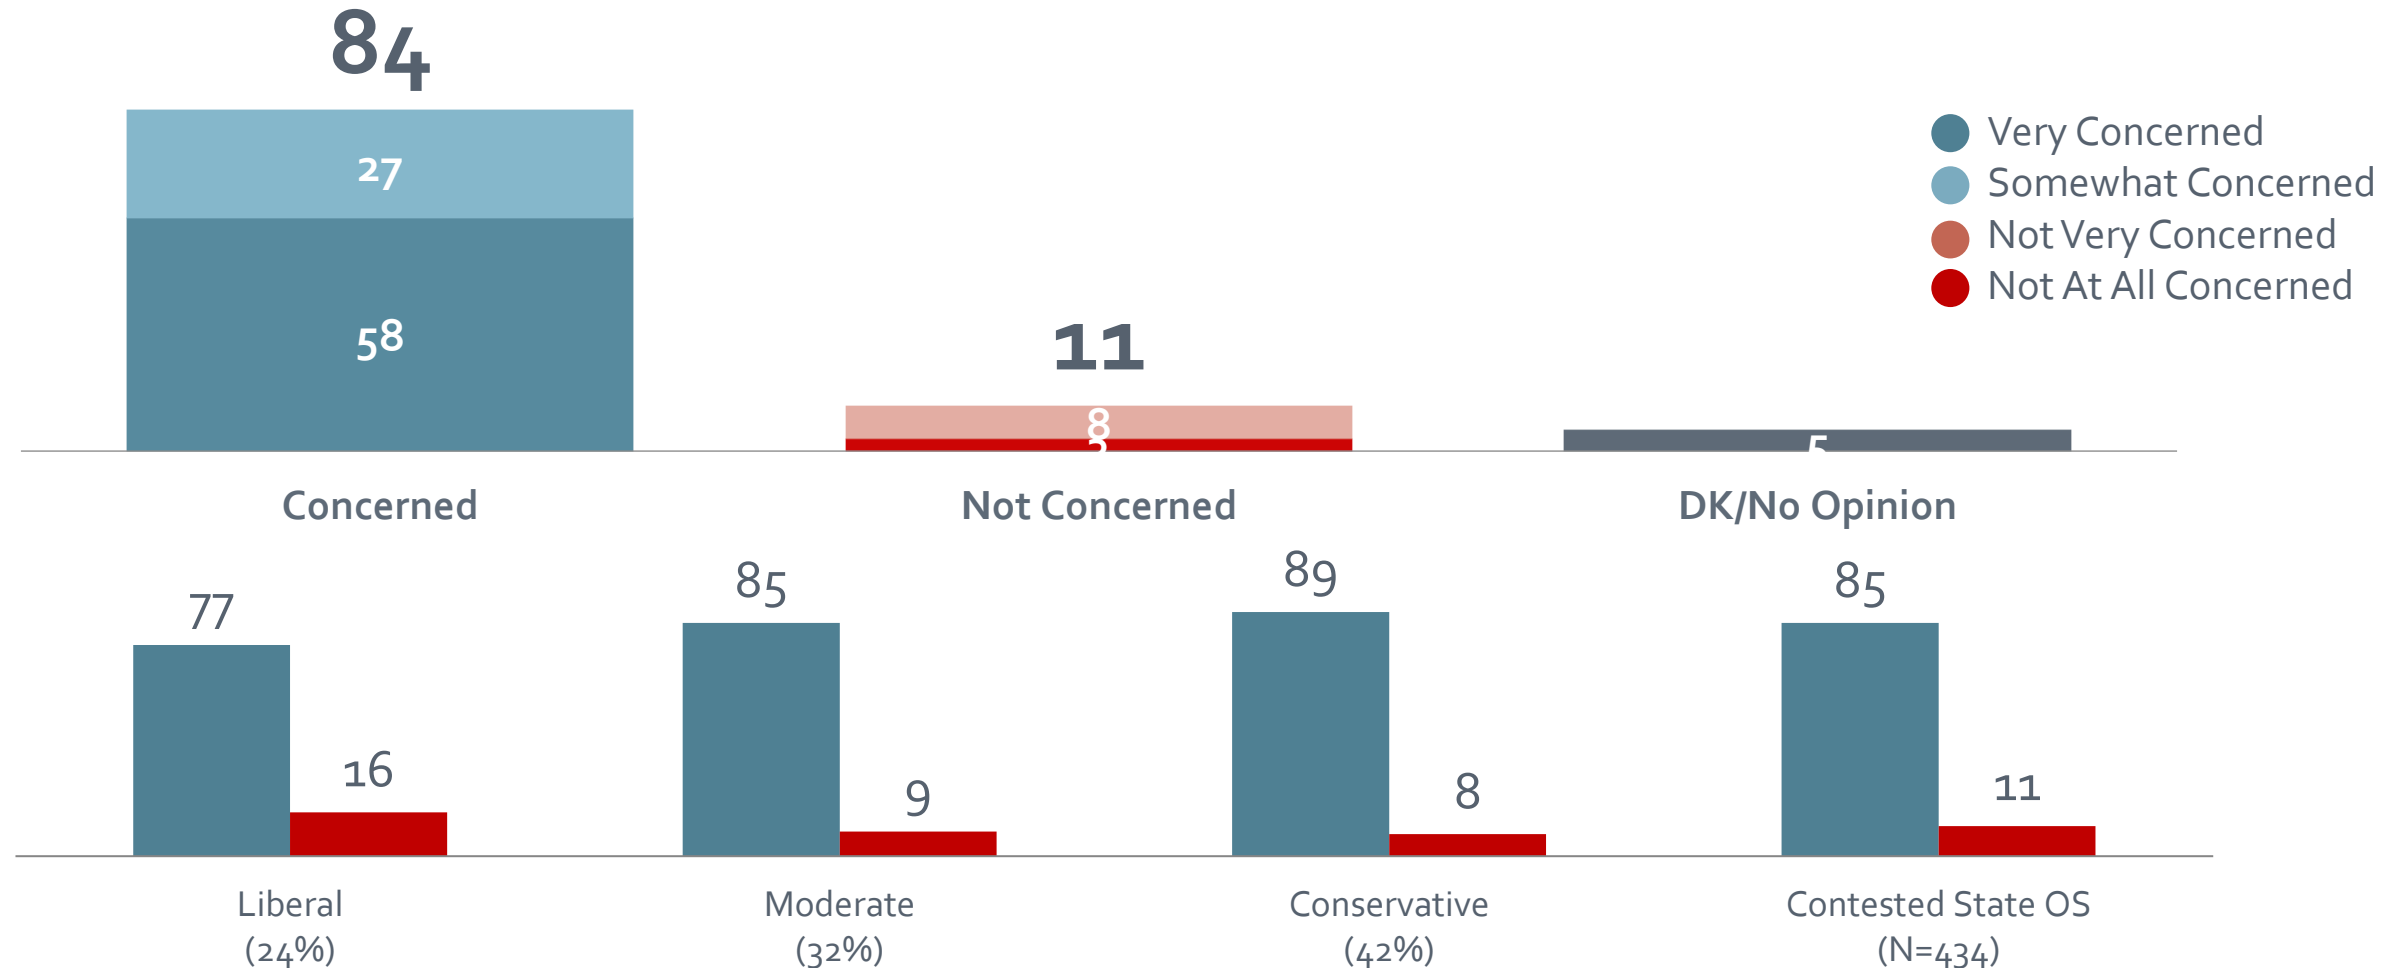

# GAS PRICE EXPLANATION

Do you believe the recent reduction in gas prices is because of policies from the Biden Administration or because of lower demand as the economy slows?

# RISING COSTS CONCERN

How concerned are you that none of the bills the Senate or House are dealing with right now address rising costs of gas, groceries, and rent?
