Please tell me if you agree or disagree with the following statements:

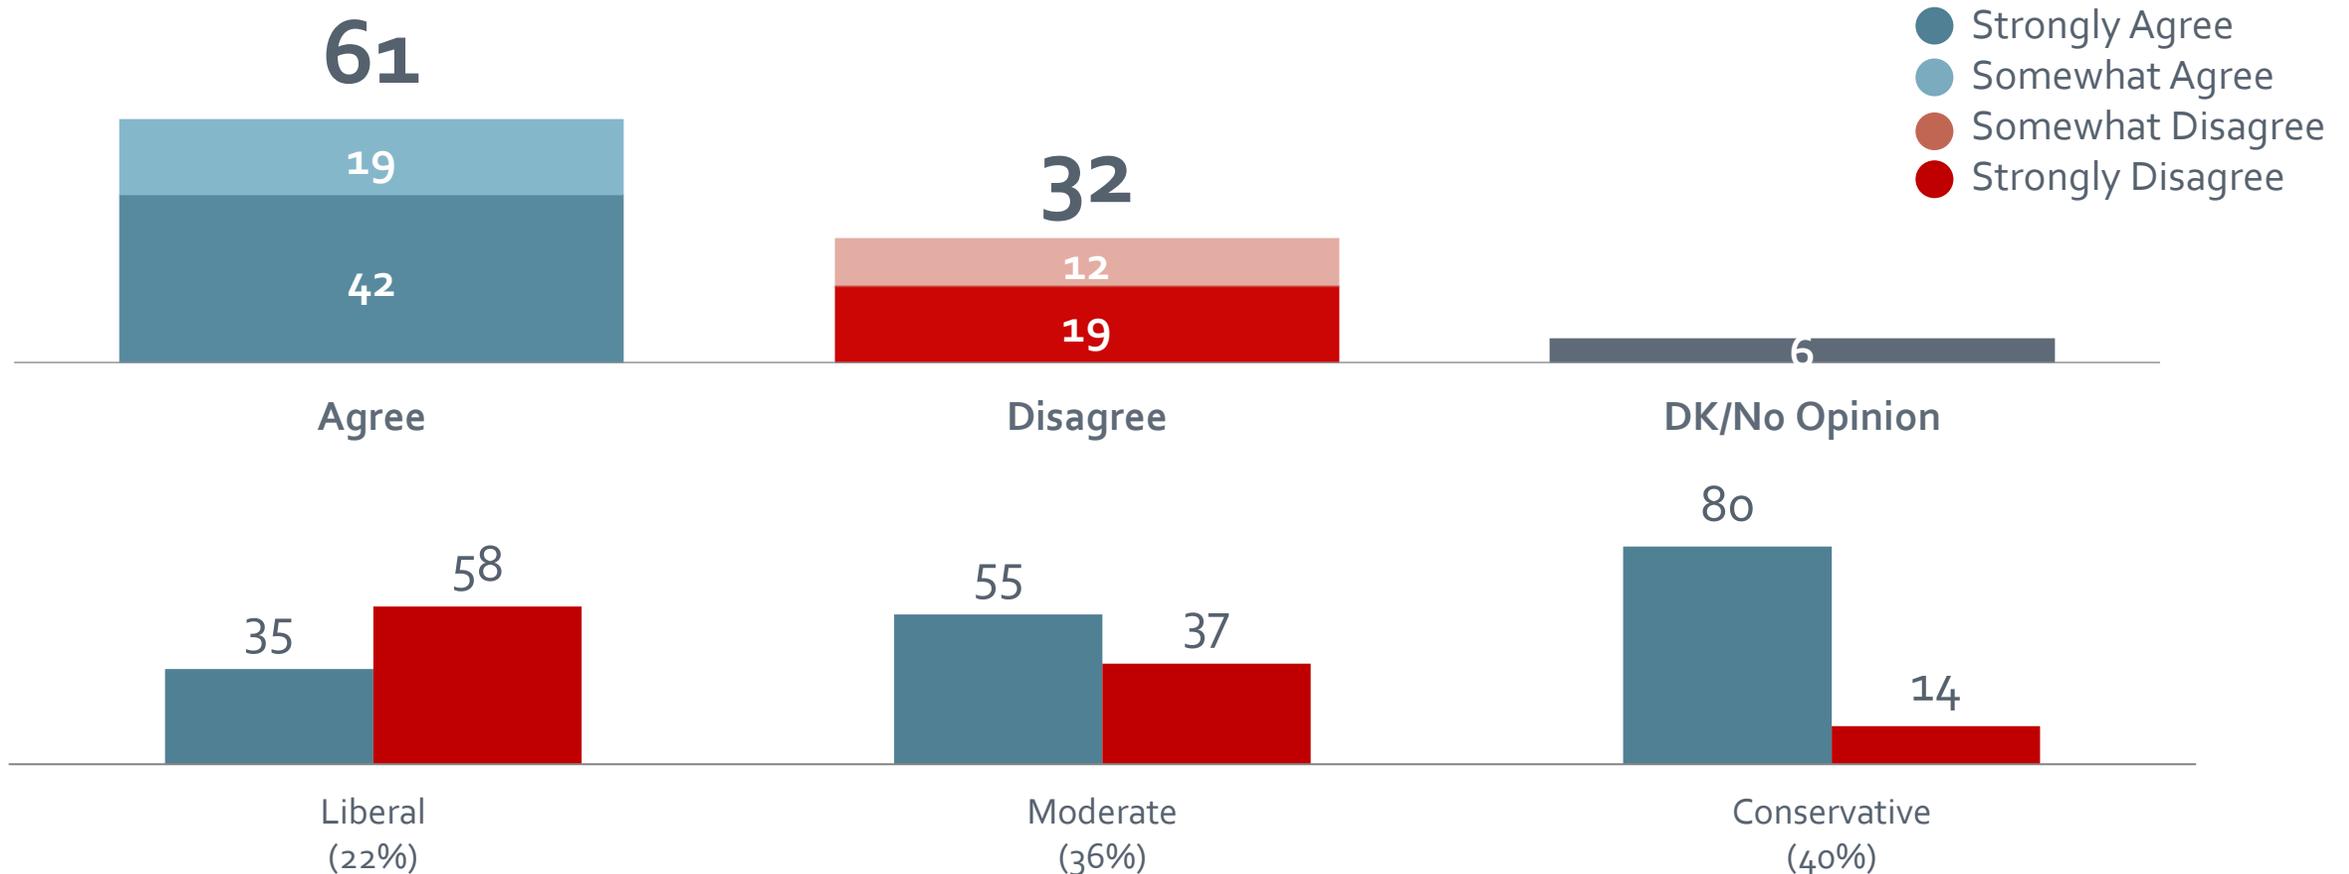

“Over the last two years everyday necessities like food, gas, rent, and energy have skyrocketed in price because of reckless spending by Congressional Democrats and Joe Biden.”

PROGRESSIVE AGENDA

Please tell me if you agree or disagree with the following statements:

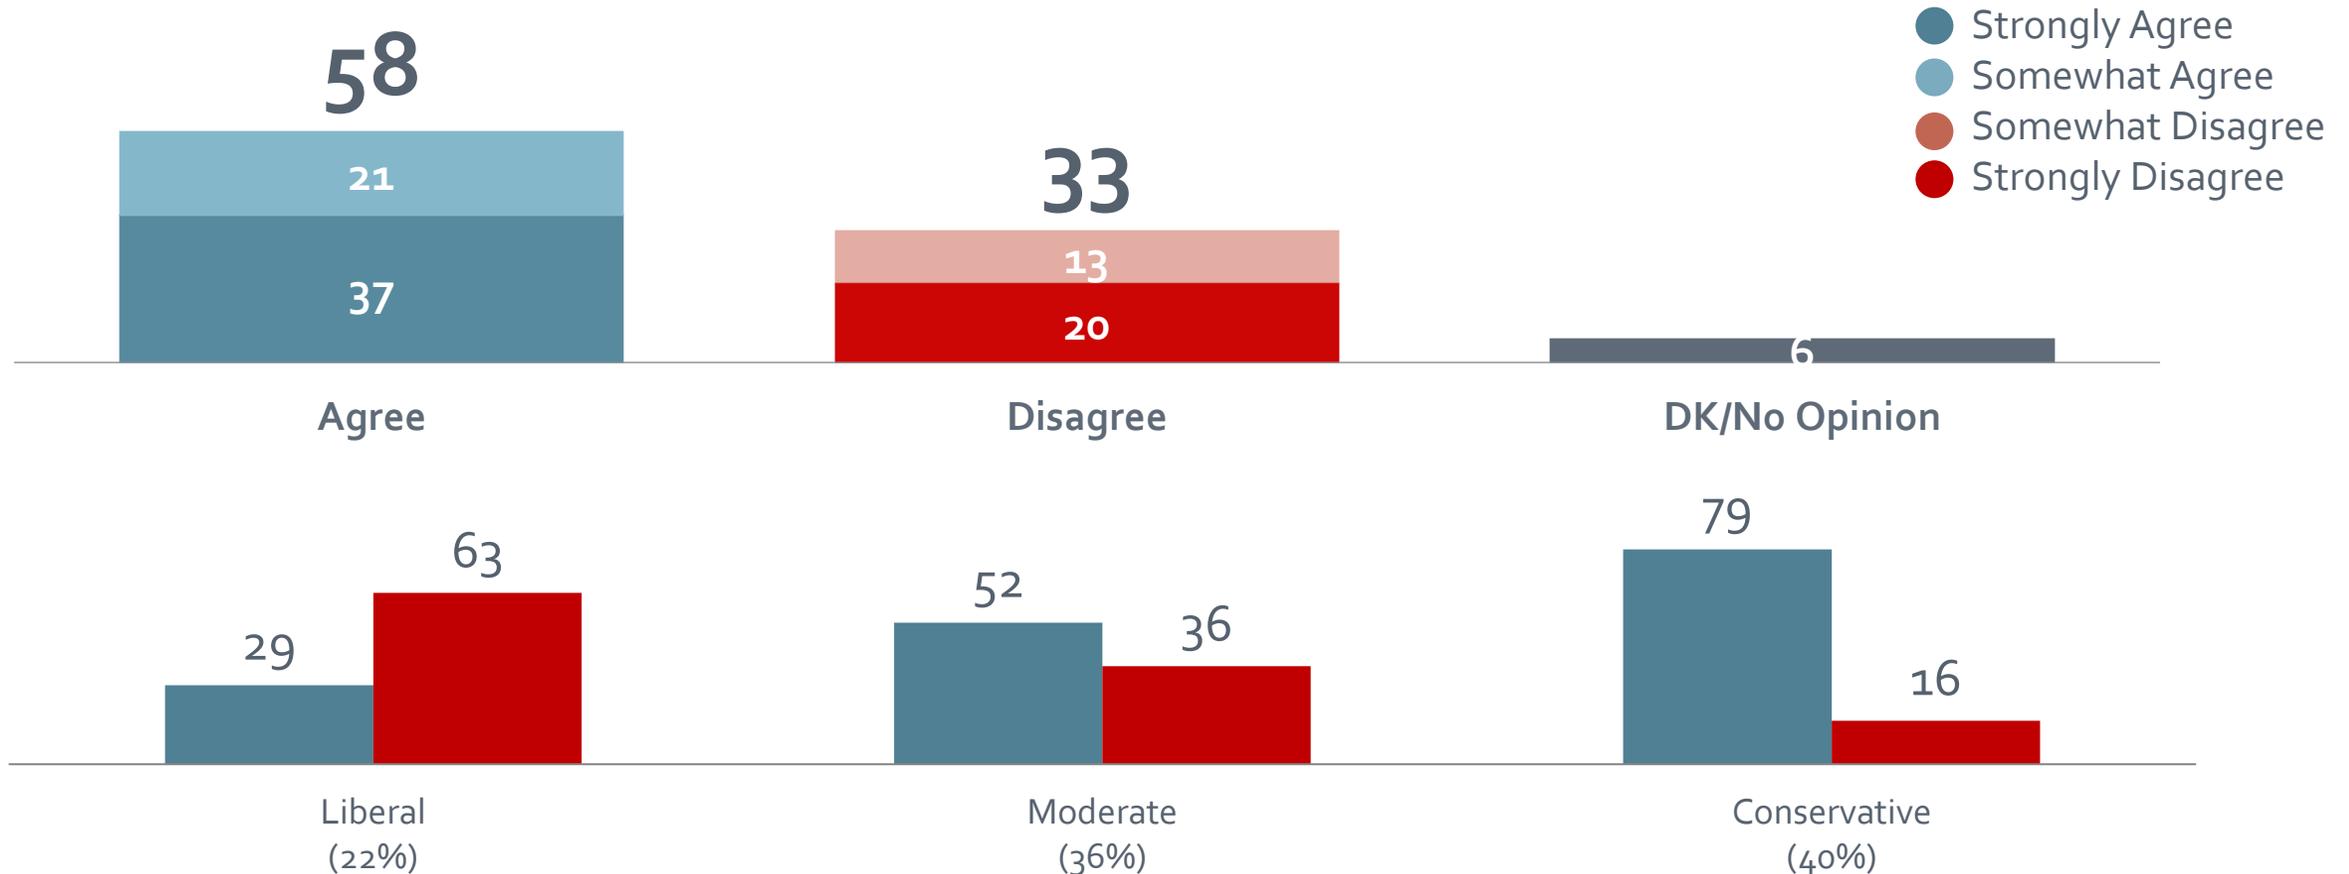

“The Biden administration and Democrats in Congress are more interested in advancing their progressive agenda than focusing on solving issues that matter to everyday Americans like rising food and gas prices.”

DEMOCRATS SOFT ON CRIME

Please tell me if you agree or disagree with the following statements:

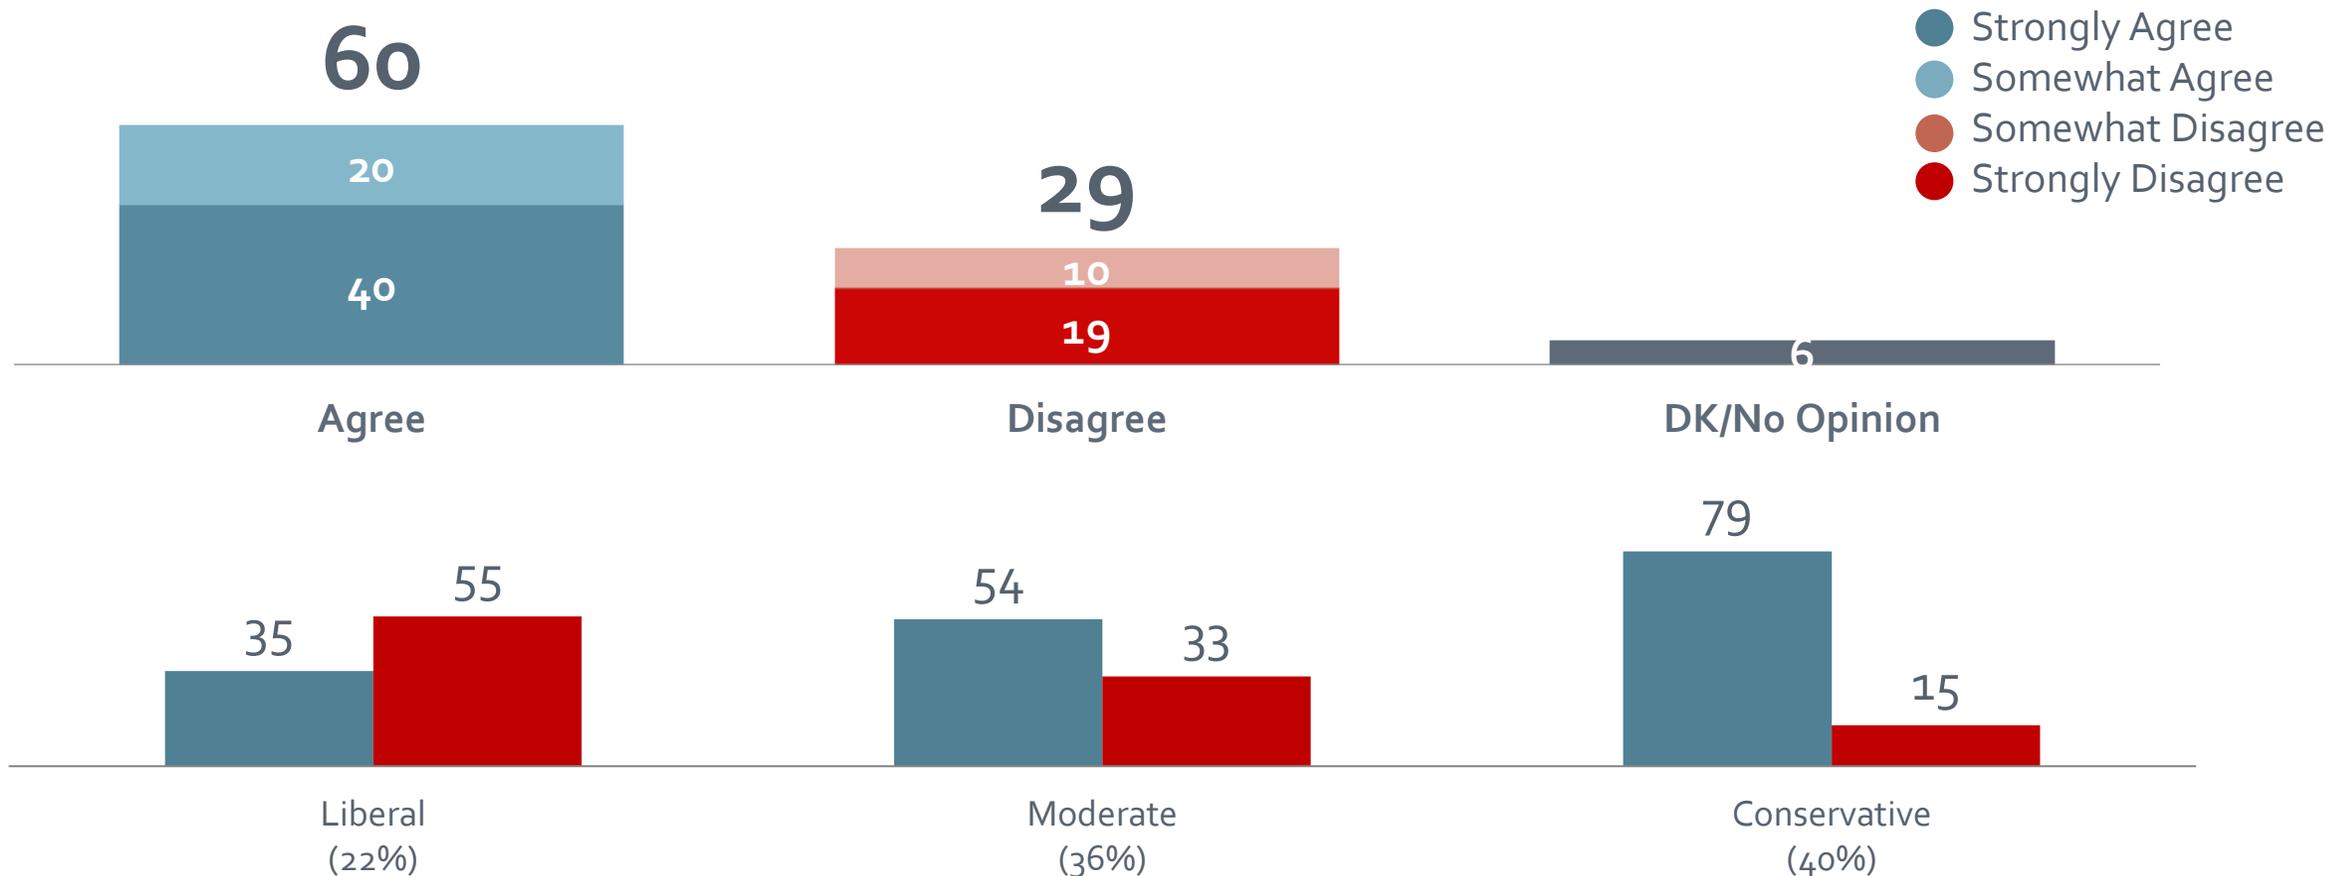

“Democrats soft-on-crime policies, like refusing to prosecute crimes and supporting cashless bail, have made American cities unsafe.”

STUDENT LOAN CANCELATIONS

Please tell me if you agree or disagree with the following statements:

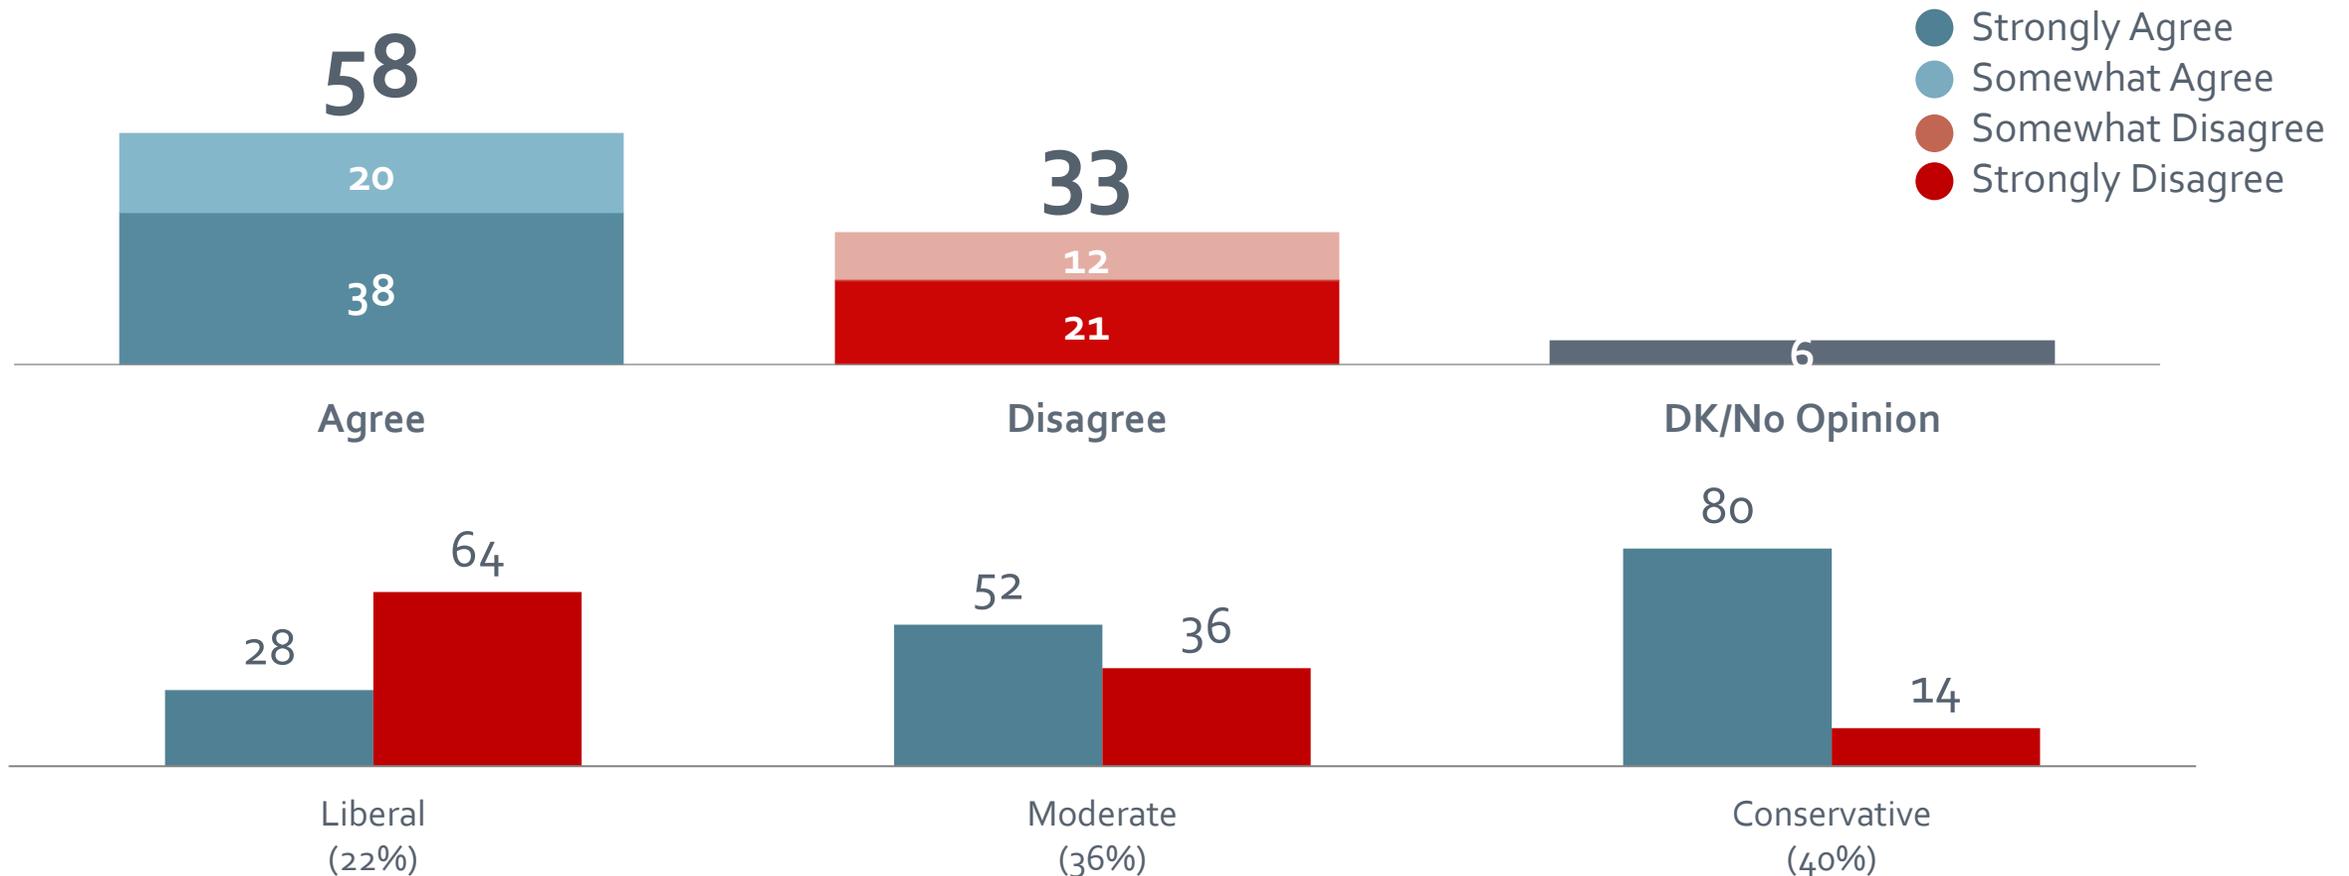

"President Biden used student loan debt cancelations to buy votes from young voters just before the midterm elections in November. It was a political decision."

RUNAWAY SPENDING

Please tell me if you agree or disagree with the following statements:

“Democrats’ runaway spending, punishing regulations, and attack on American energy is hurting the economy and forcing the country into a recession.”

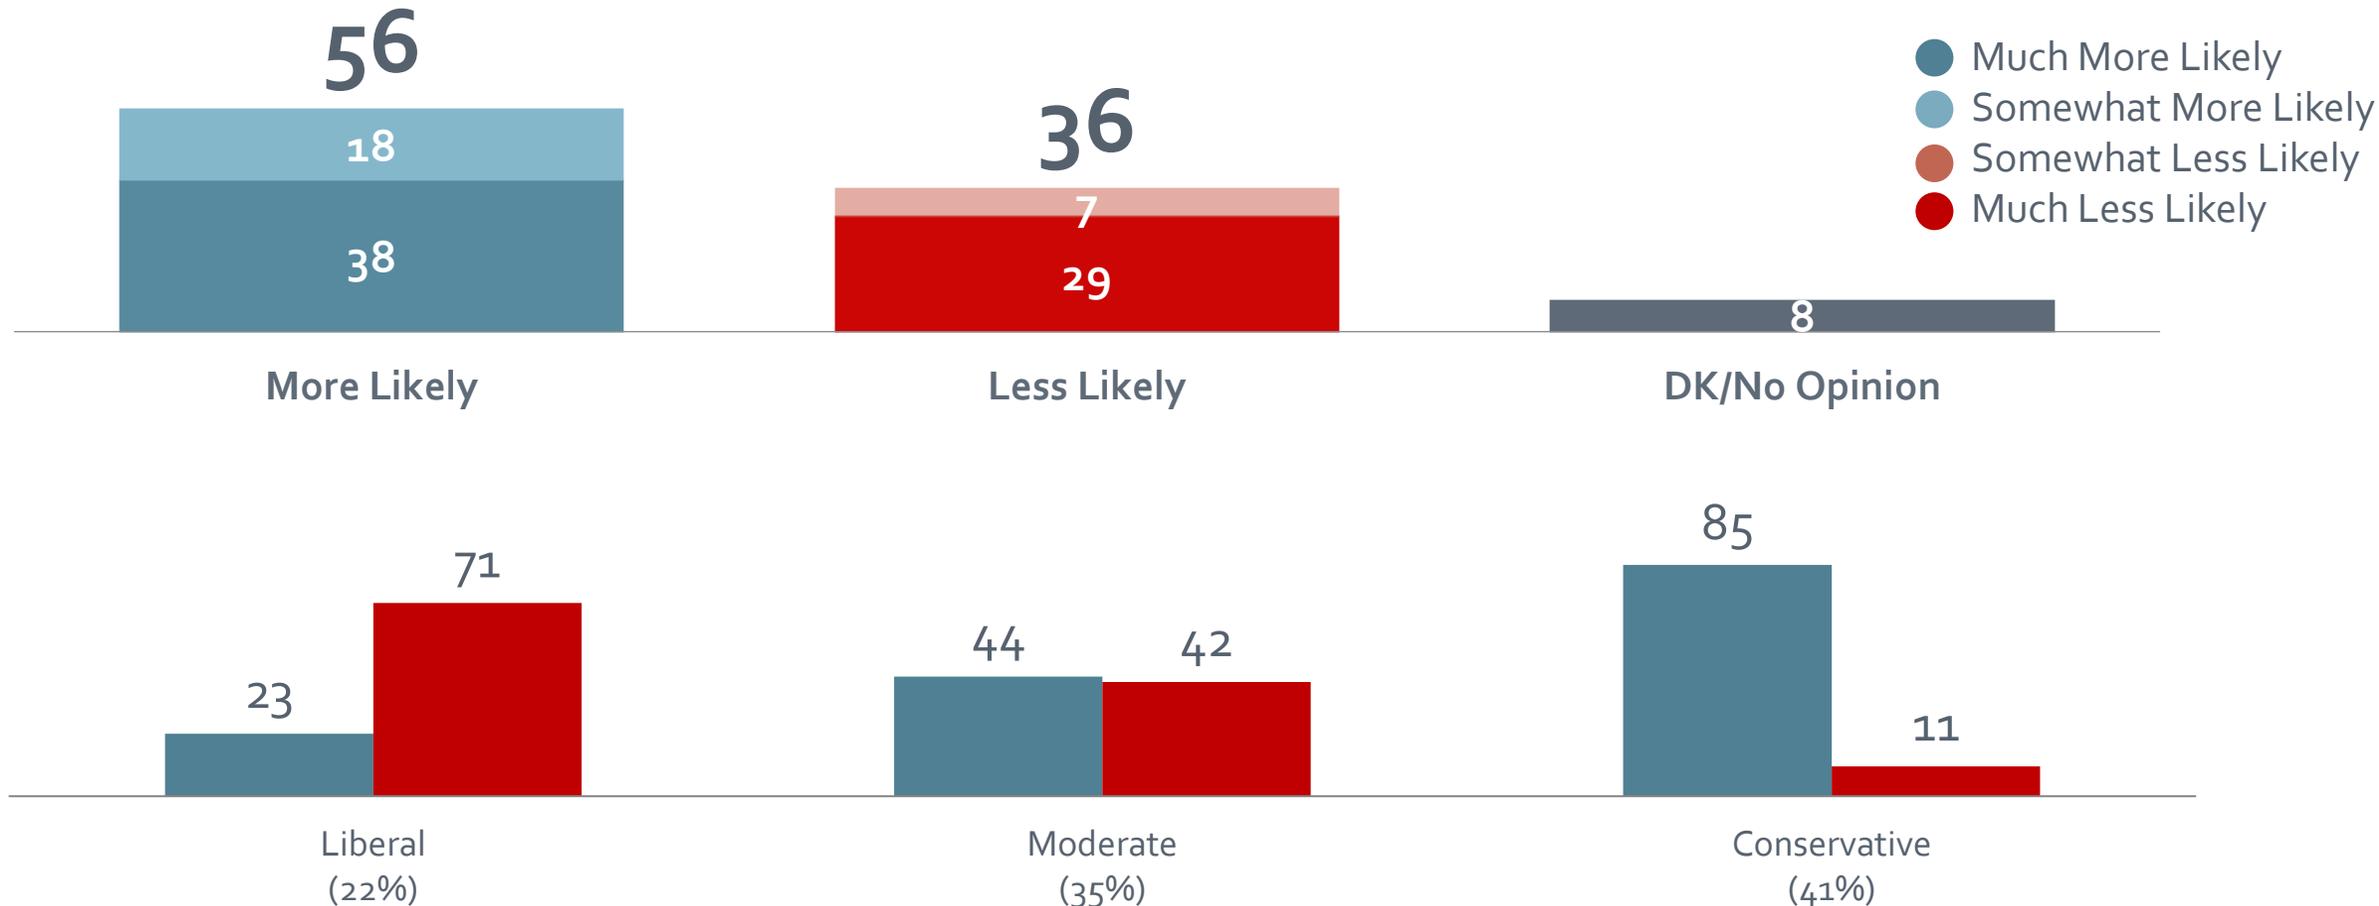

MAGA AGENDA

MAGA REPUBLICANS

If a Republican candidate for Senate or Congress made the following statement, would you be more likely or less likely to vote for that candidate?

"I am a supporter of President Trump's MAGA agenda. That means I support economic policies to reduce inflation and have the middle class keep more of their hard-earned money, I support a strong border to end the humanitarian crisis and stop deadly Chinese fentanyl from flowing into our communities, and I support energy policies to make America energy independent again."

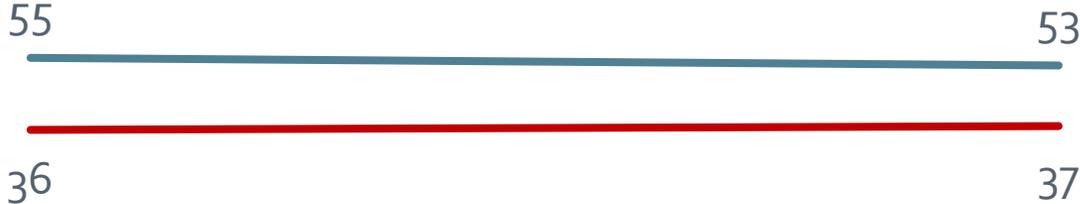

A world map is depicted using a grid of small dots. The dots are arranged to form the continents, with a higher density of dots in the landmasses and fewer dots in the oceans. The dots are a light blue color, and the overall background is a darker blue. The word "CRIME" is written in a bold, white, sans-serif font, centered horizontally and slightly below the vertical center of the map.

DEBATES

DEMOCRATS REFUSE TO DEBATE

As you may know, many Democratic candidates for Senate are refusing to debate their Republican opponents in competitive races across the country. Knowing this, do you agree or disagree with the following statement?

“All candidates should be willing to debate their ideas openly in front of the voters. That certain Democrats are refusing to do so is a disservice to their voters and shows they are not qualified to serve in the United States Senate on behalf of their state.”

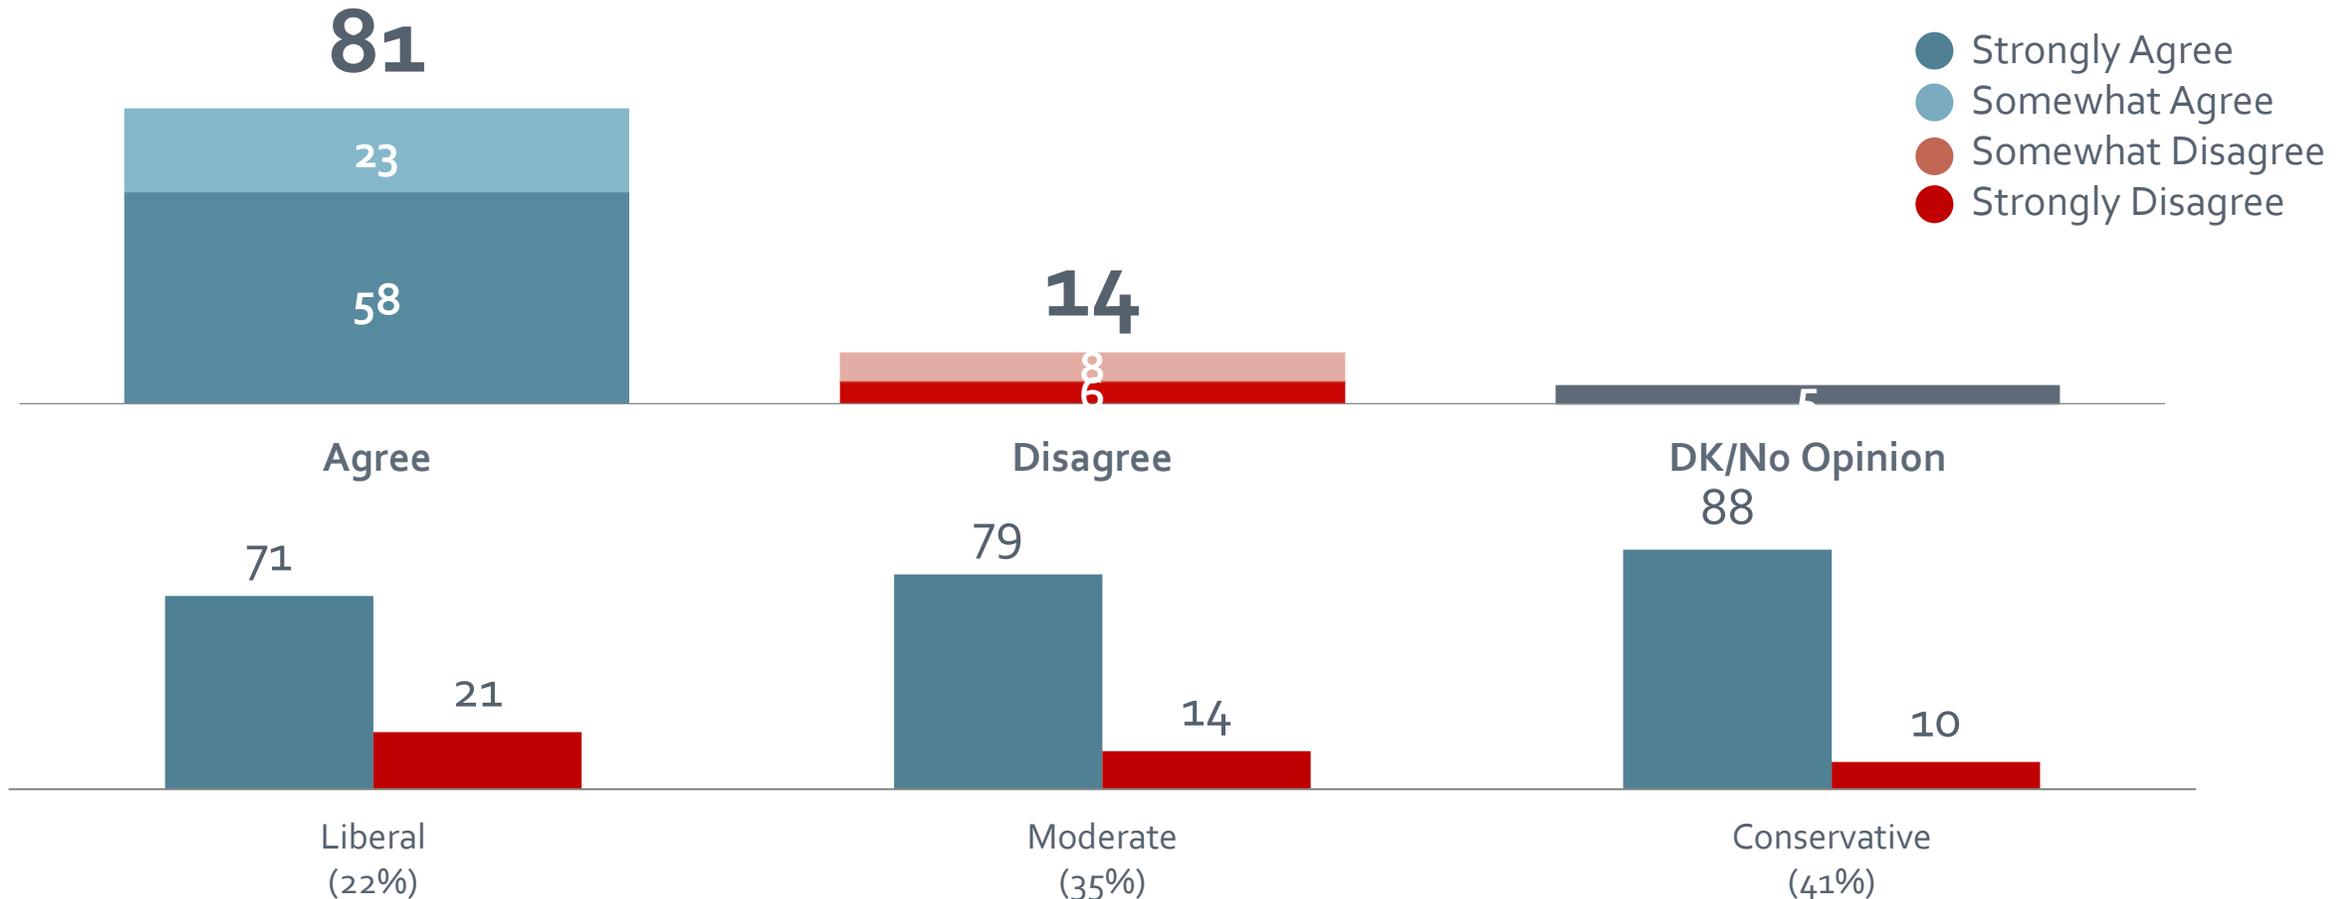

A stylized map of California is formed by a grid of dots of varying density. The dots are light blue in the upper portion and transition to a darker blue in the lower portion. The text 'CALIFORNIA ELECTRIC CARS LAW' is centered horizontally and overlaid on the map in a white, bold, sans-serif font.

CALIFORNIA ELECTRIC CARS LAW

CALIFORNIA ELECTRIC VEHICLES LAW

California recently announced it will require all new cars to be electric by 2035. No more gas-fueled cars. However, California's regular black outs and restrictions on energy usage could make it difficult to charge electric vehicles. With this in mind, please tell me if you agree or disagree with the following statement.

Americans who may not want or be able to afford an electric vehicle should not be forced to buy one.
