# SUPREME COURT

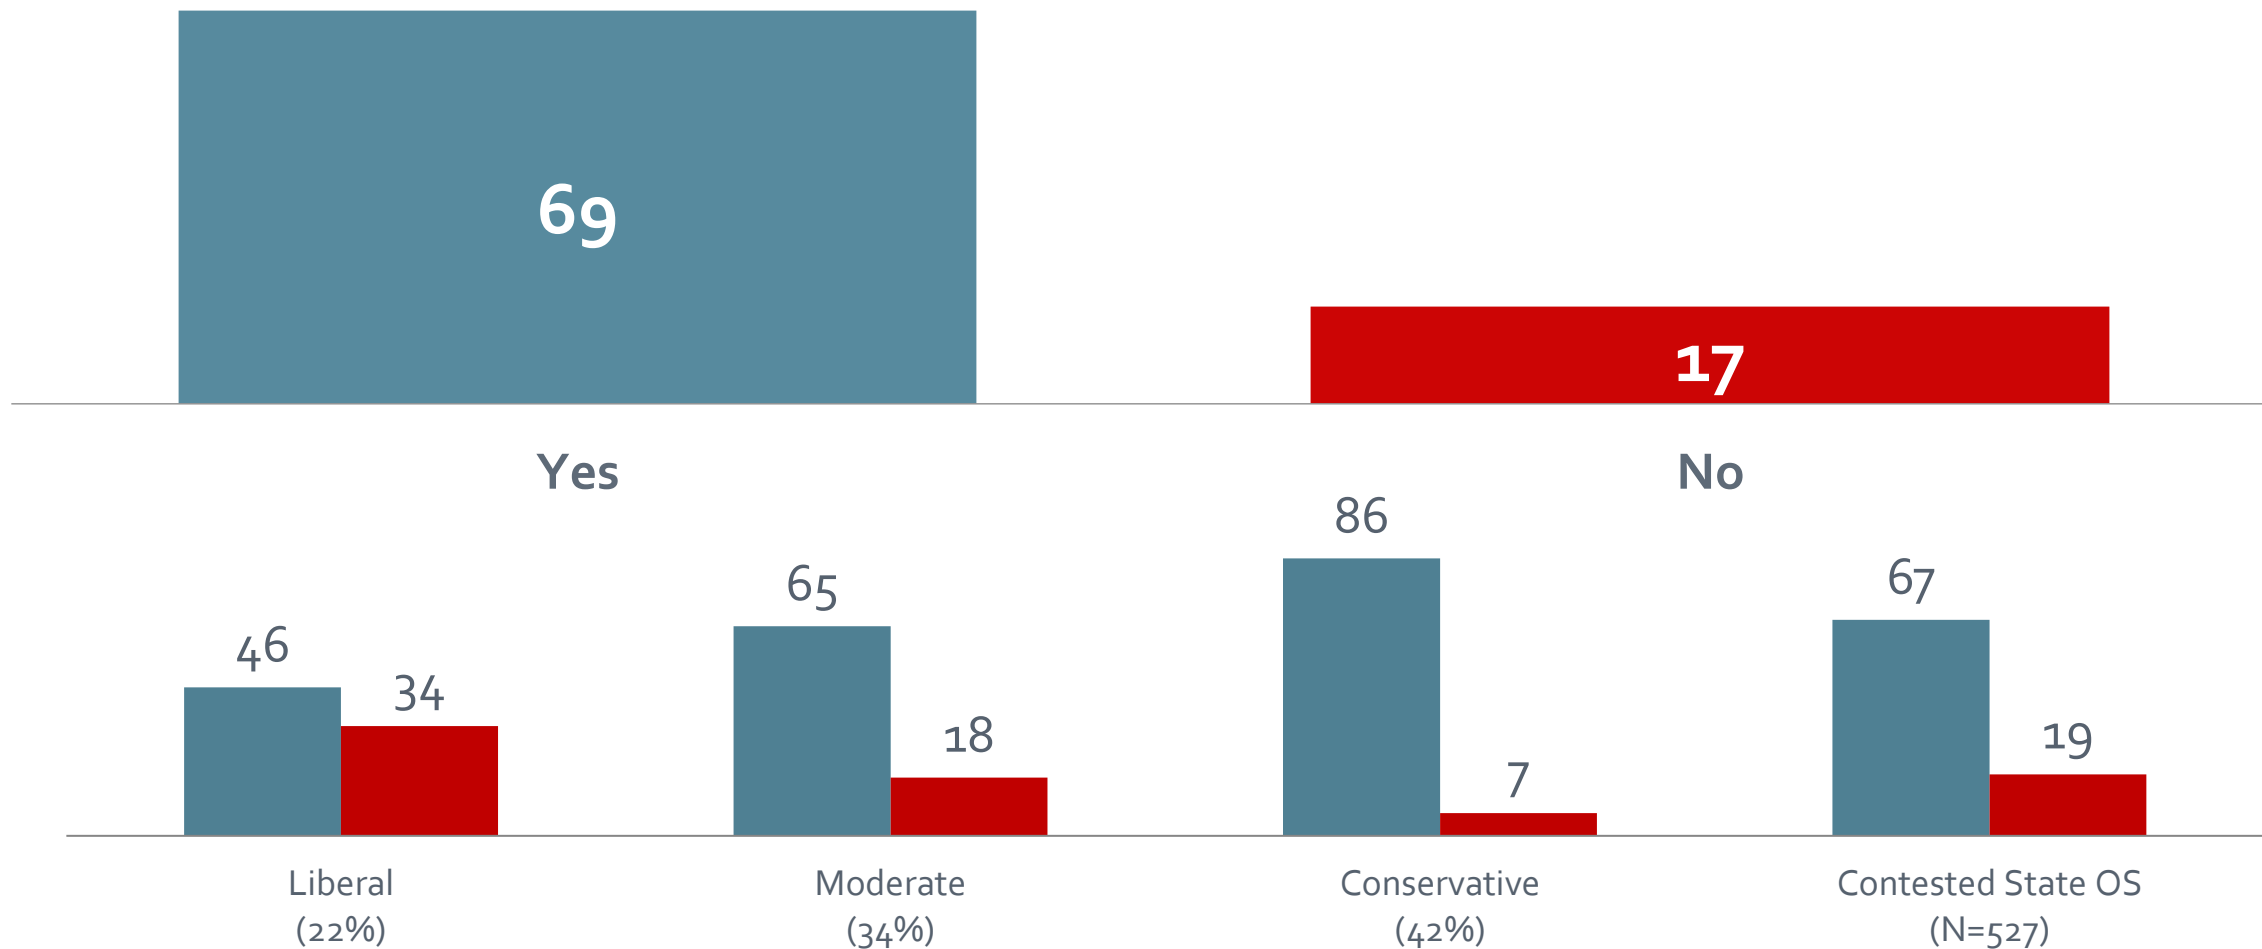

# JUSTICE AND FAIRNESS

Please tell me if you agree or disagree with the following statement:  
The Supreme Court upholds our constitutional principles of justice and fairness.

# RESPECT FOR DECISIONS

Regardless of how you feel about the Supreme Court, do you believe the rulings they make should be respected?

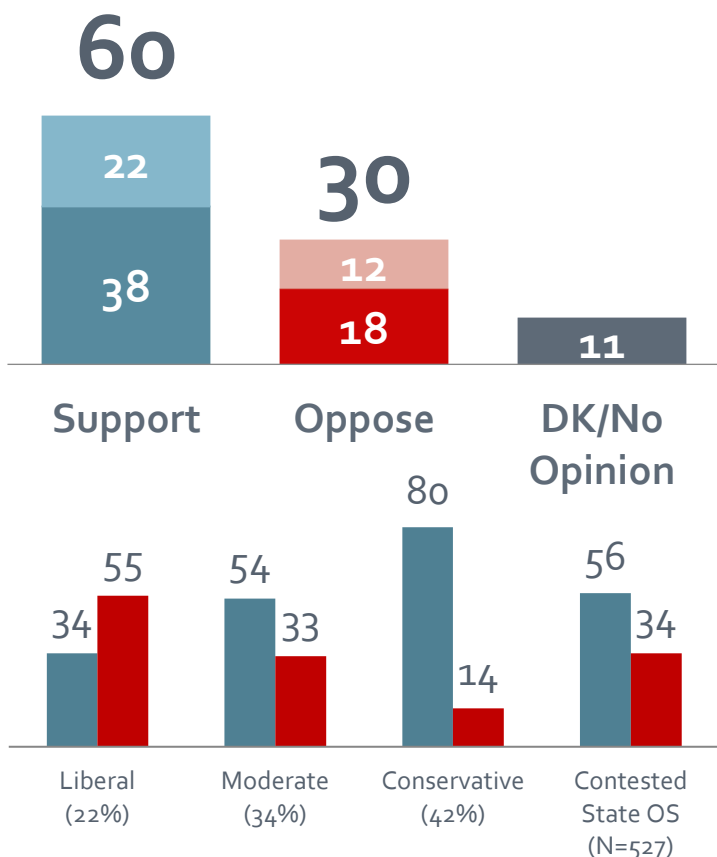

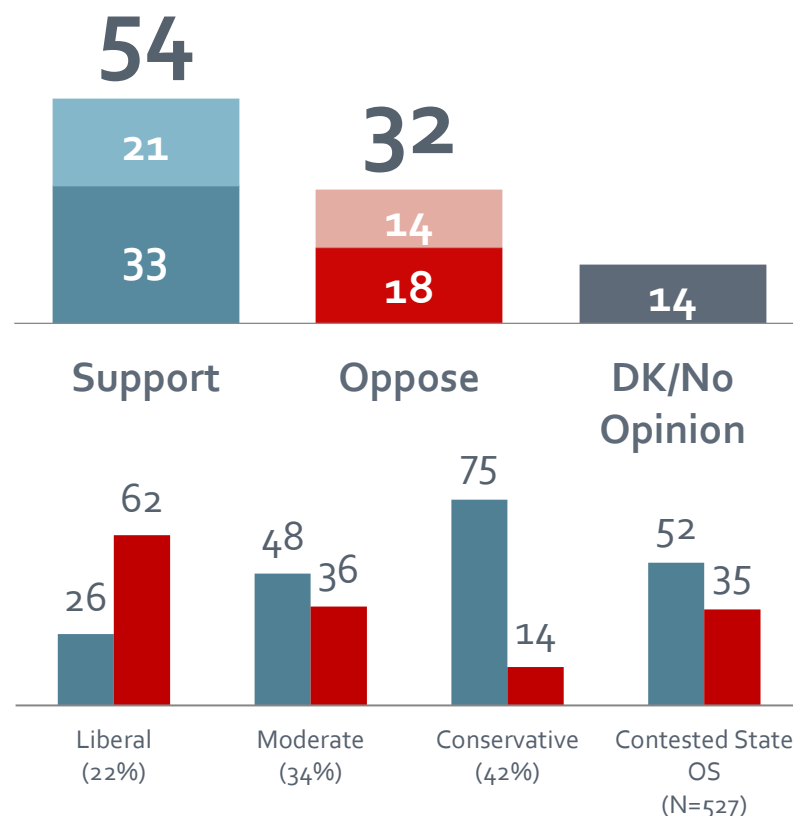

As you may know, the Supreme Court recently released multiple decisions from its last session. For each of the following, please tell me if you support or oppose the Supreme Court's decision:

- Strongly Support
- Somewhat Support
- Somewhat Oppose
- Strongly Oppose

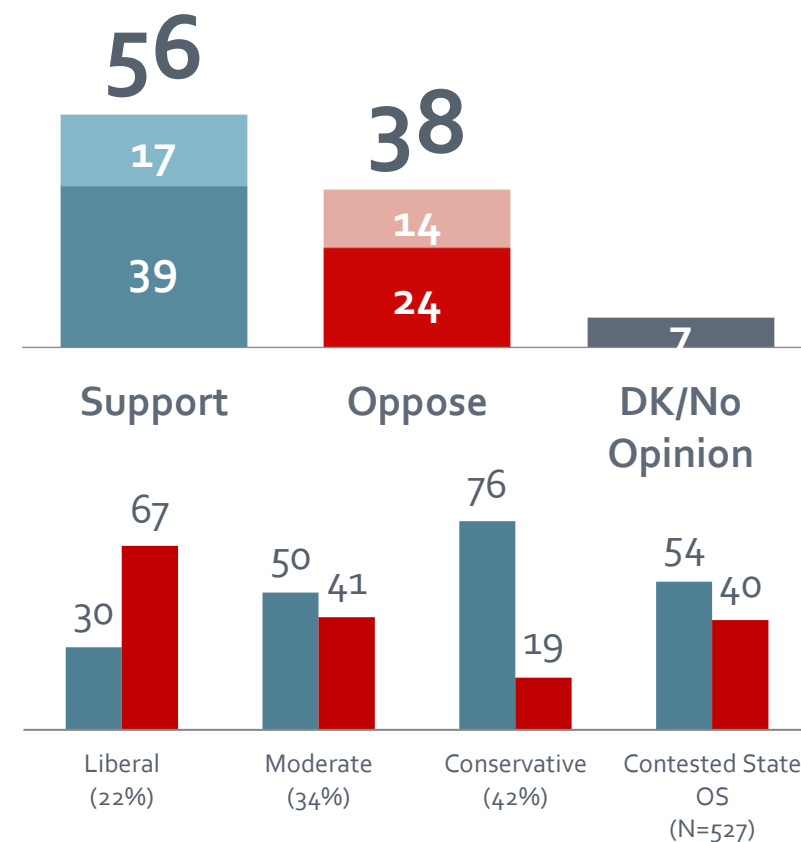

The Supreme Court ruled that the First Amendment protects a website designer from being compelled to create expressions they disagree with, including designs for a gay wedding.

The Supreme Court ruled that that affirmative action programs in college admissions are unconstitutional.

The Supreme Court ruled that Joe Biden's student loan forgiveness program was not allowed under the President's constitutional powers.

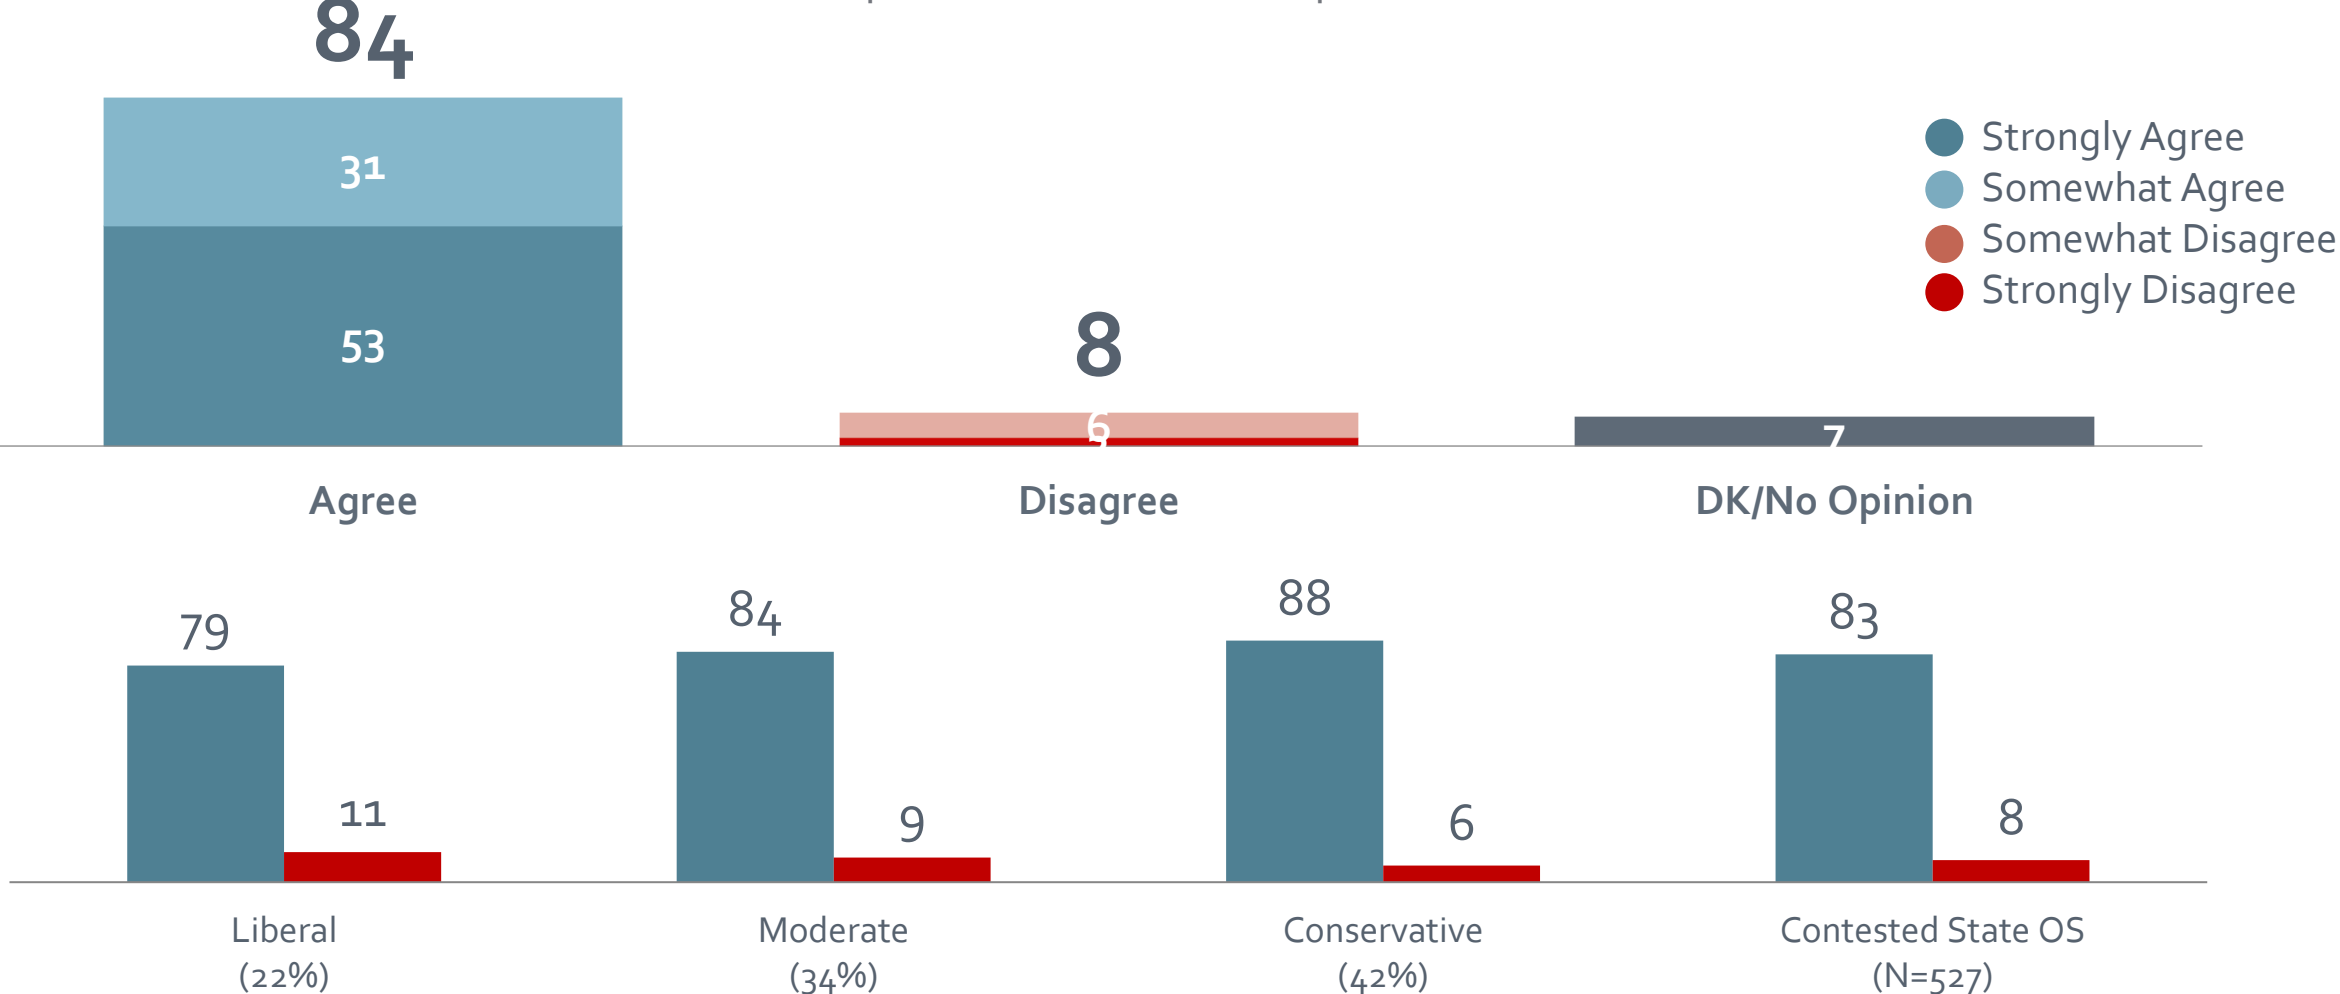

HEALTHCARE

# HEALTHCARE

Thinking about healthcare, please tell me if you agree or disagree with the following statement.

Doctors and patients should decide which drugs and treatments people get, not the government which may set lower prices but with fewer options.

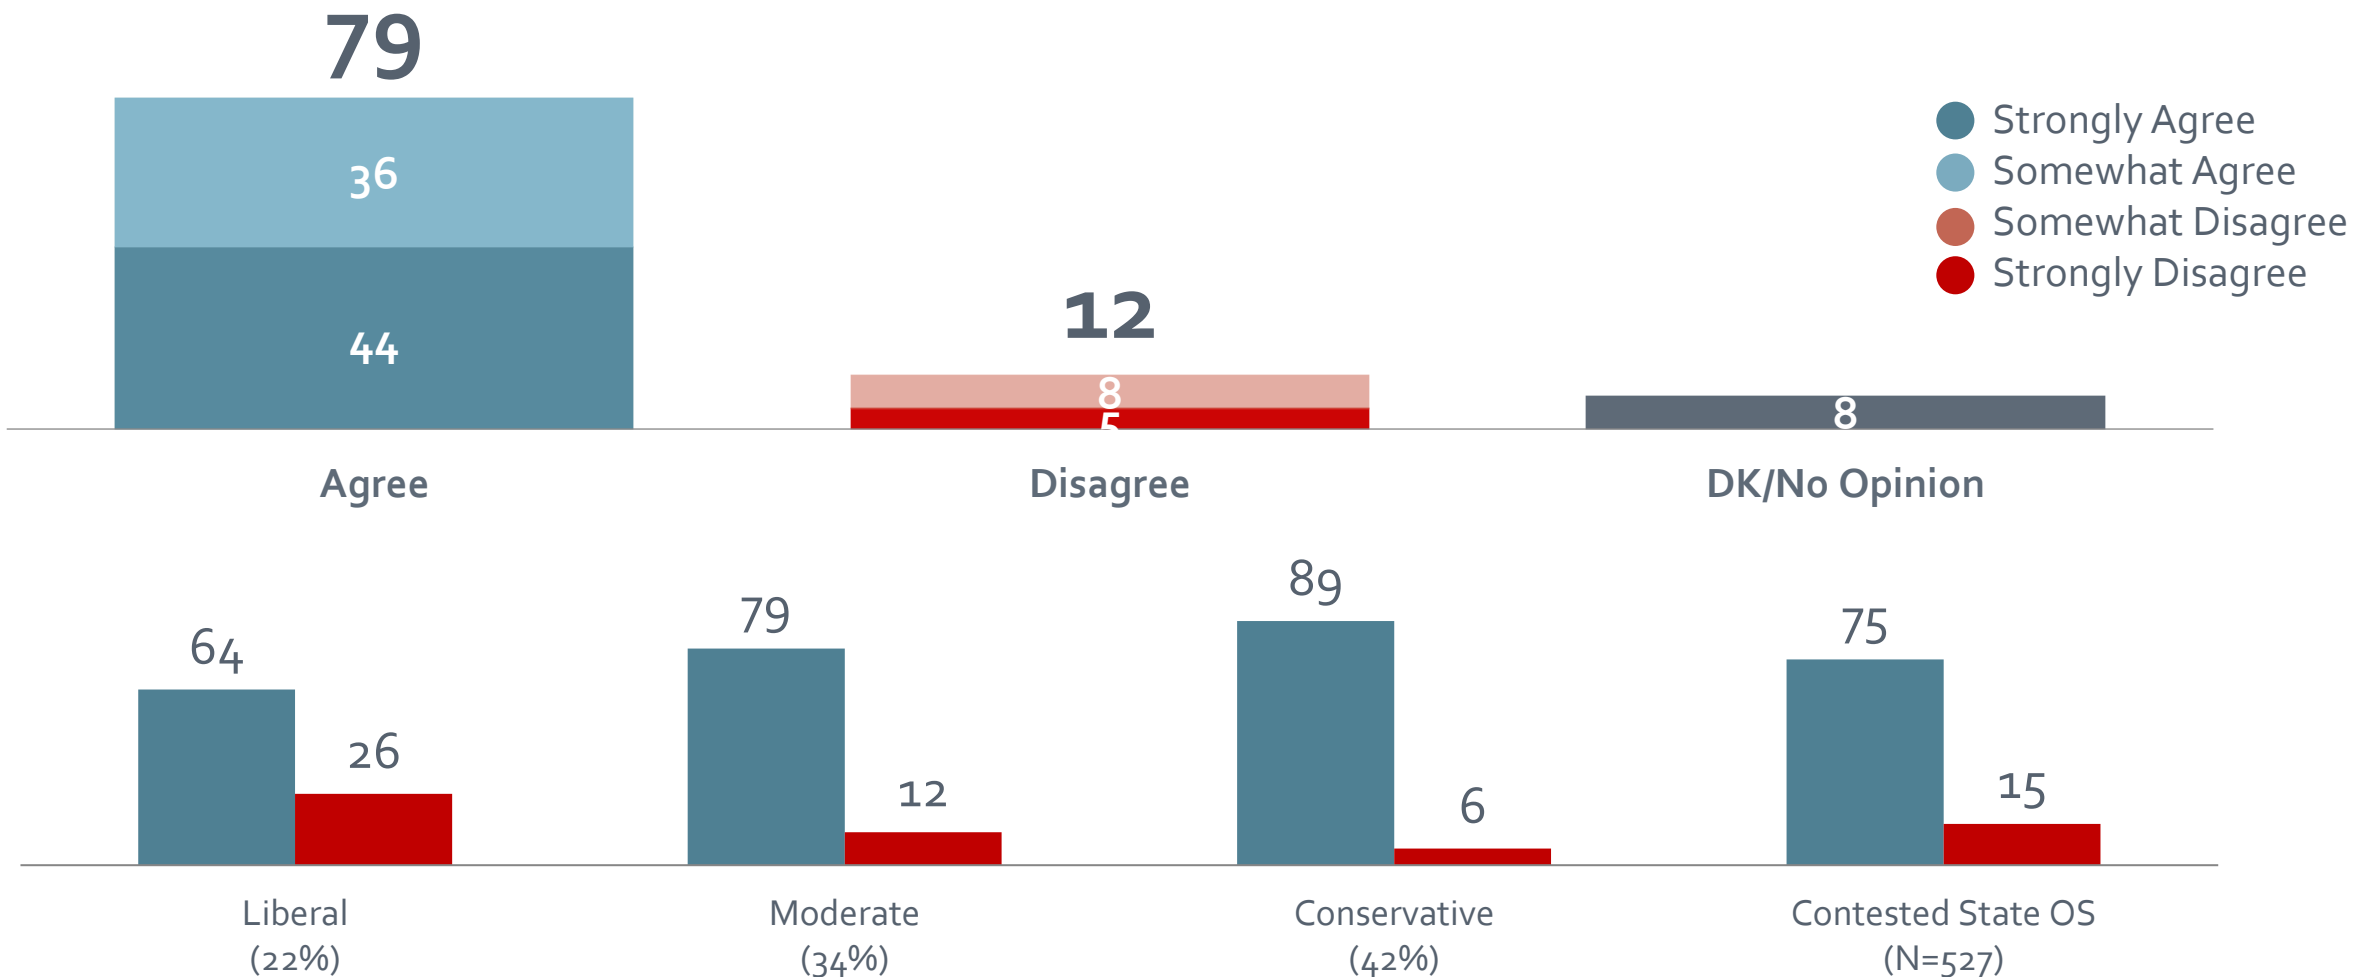

# GETTING BACK ON TRACK

# INFLATION

Please tell me if you agree or disagree with the following statement.

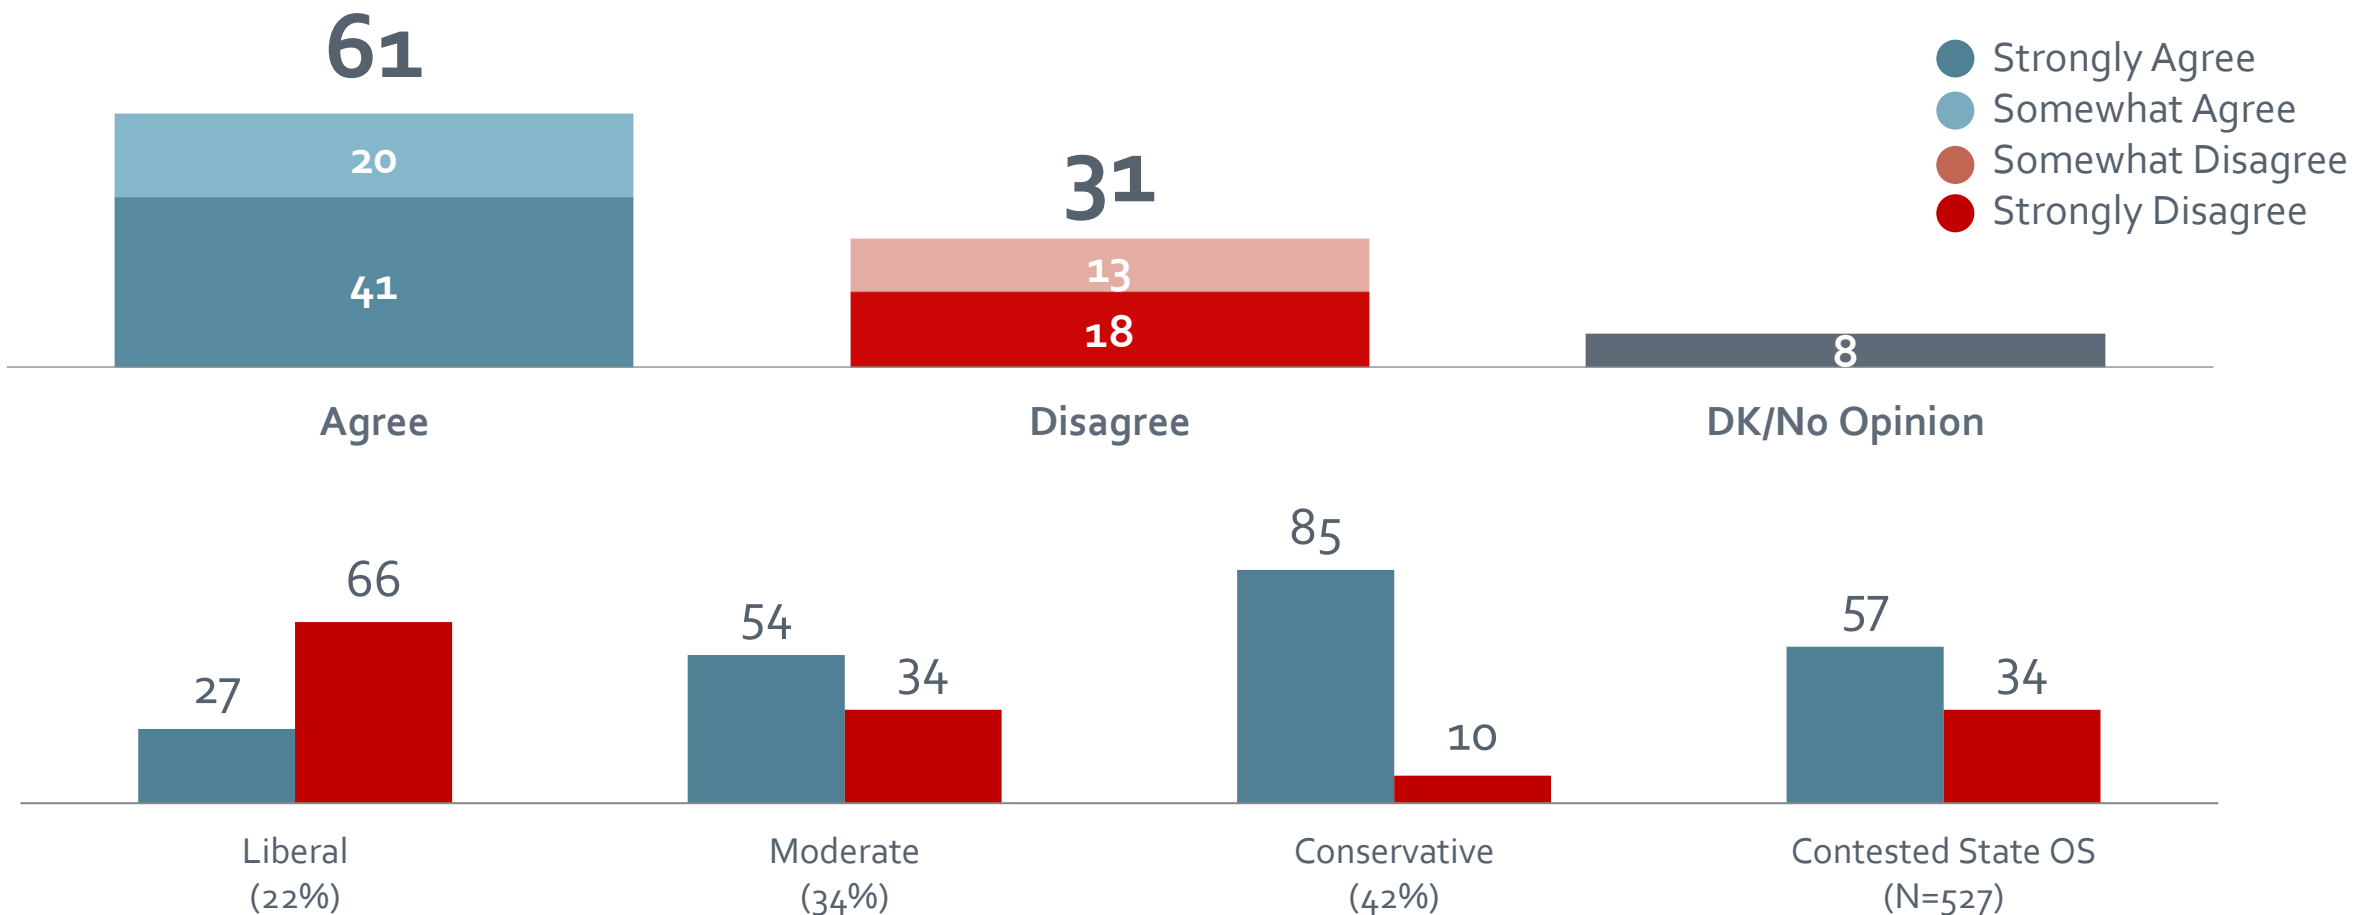

When it comes to inflation, we can get back on track by spending less, reducing red tape, and unleashing American energy.

# BORDER

Please tell me if you agree or disagree with the following statement.

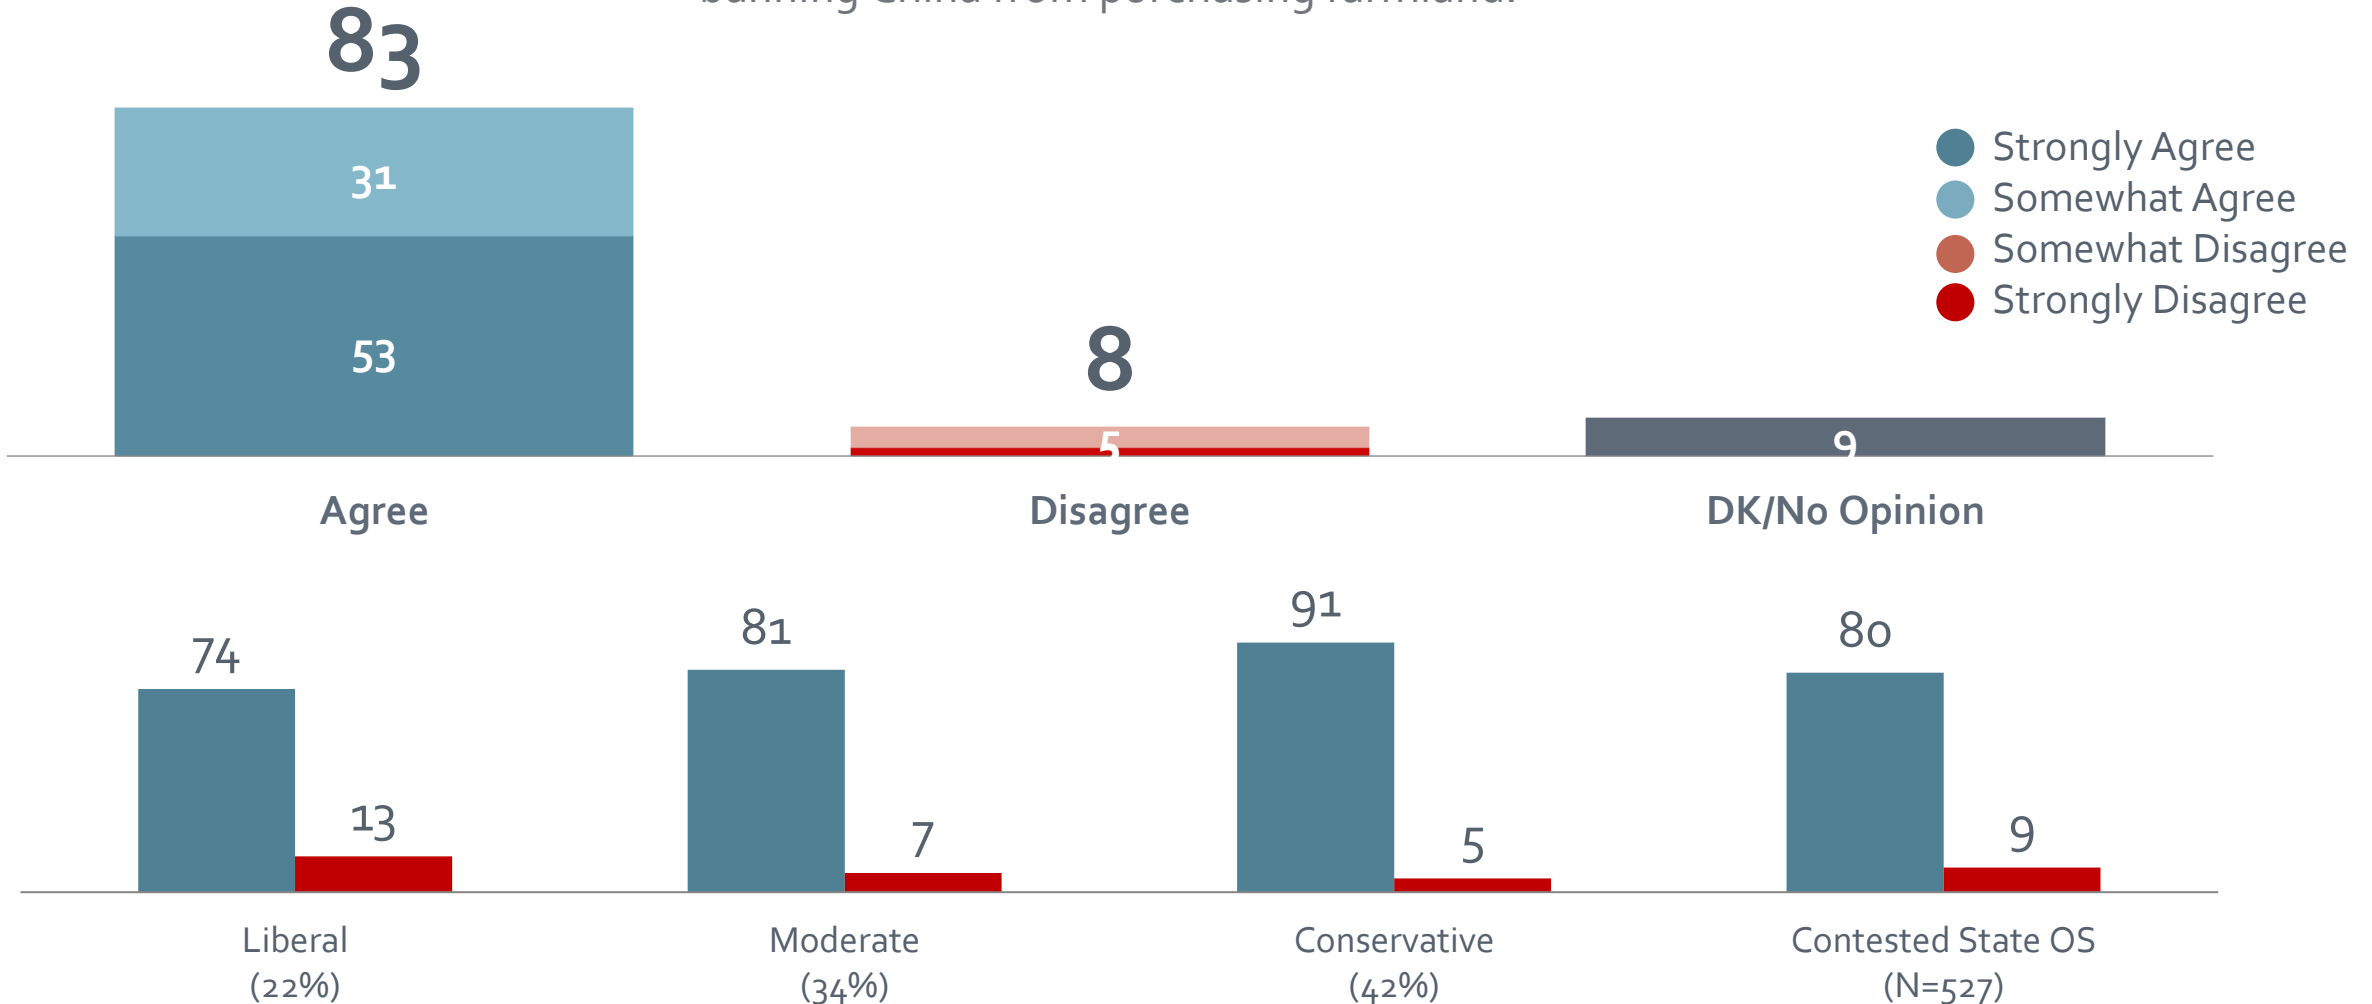

When it comes to the border, we can get back on track by finishing the wall, ending catch and release, and reinstating the Remain-in-Mexico policy.

# CHINA

Please tell me if you agree or disagree with the following statement.

When it comes to China, we can get back on track by controlling our supply chain, reducing America's debt, and banning China from purchasing farmland.
