PAROLE

Do you support or oppose paroling migrants?

BORDER POLICY

The Senate is currently debating plans to address issues at our southern border. Which of the policy approaches do you support more?

Some say that we should enforce the border and deter illegal immigration by finishing the wall, allowing border agents to deport illegal migrants, and stopping the policy of letting unprocessed migrants into the country.

Others say that we should focus on better funding for our processing of migrants and asylum seekers so that there is less strain on our infrastructure and a smoother process for entering the country.

CLOSING THE BORDER

Please tell me if you agree or disagree with the following statement:
