# PRO-BABY AND PARENTS

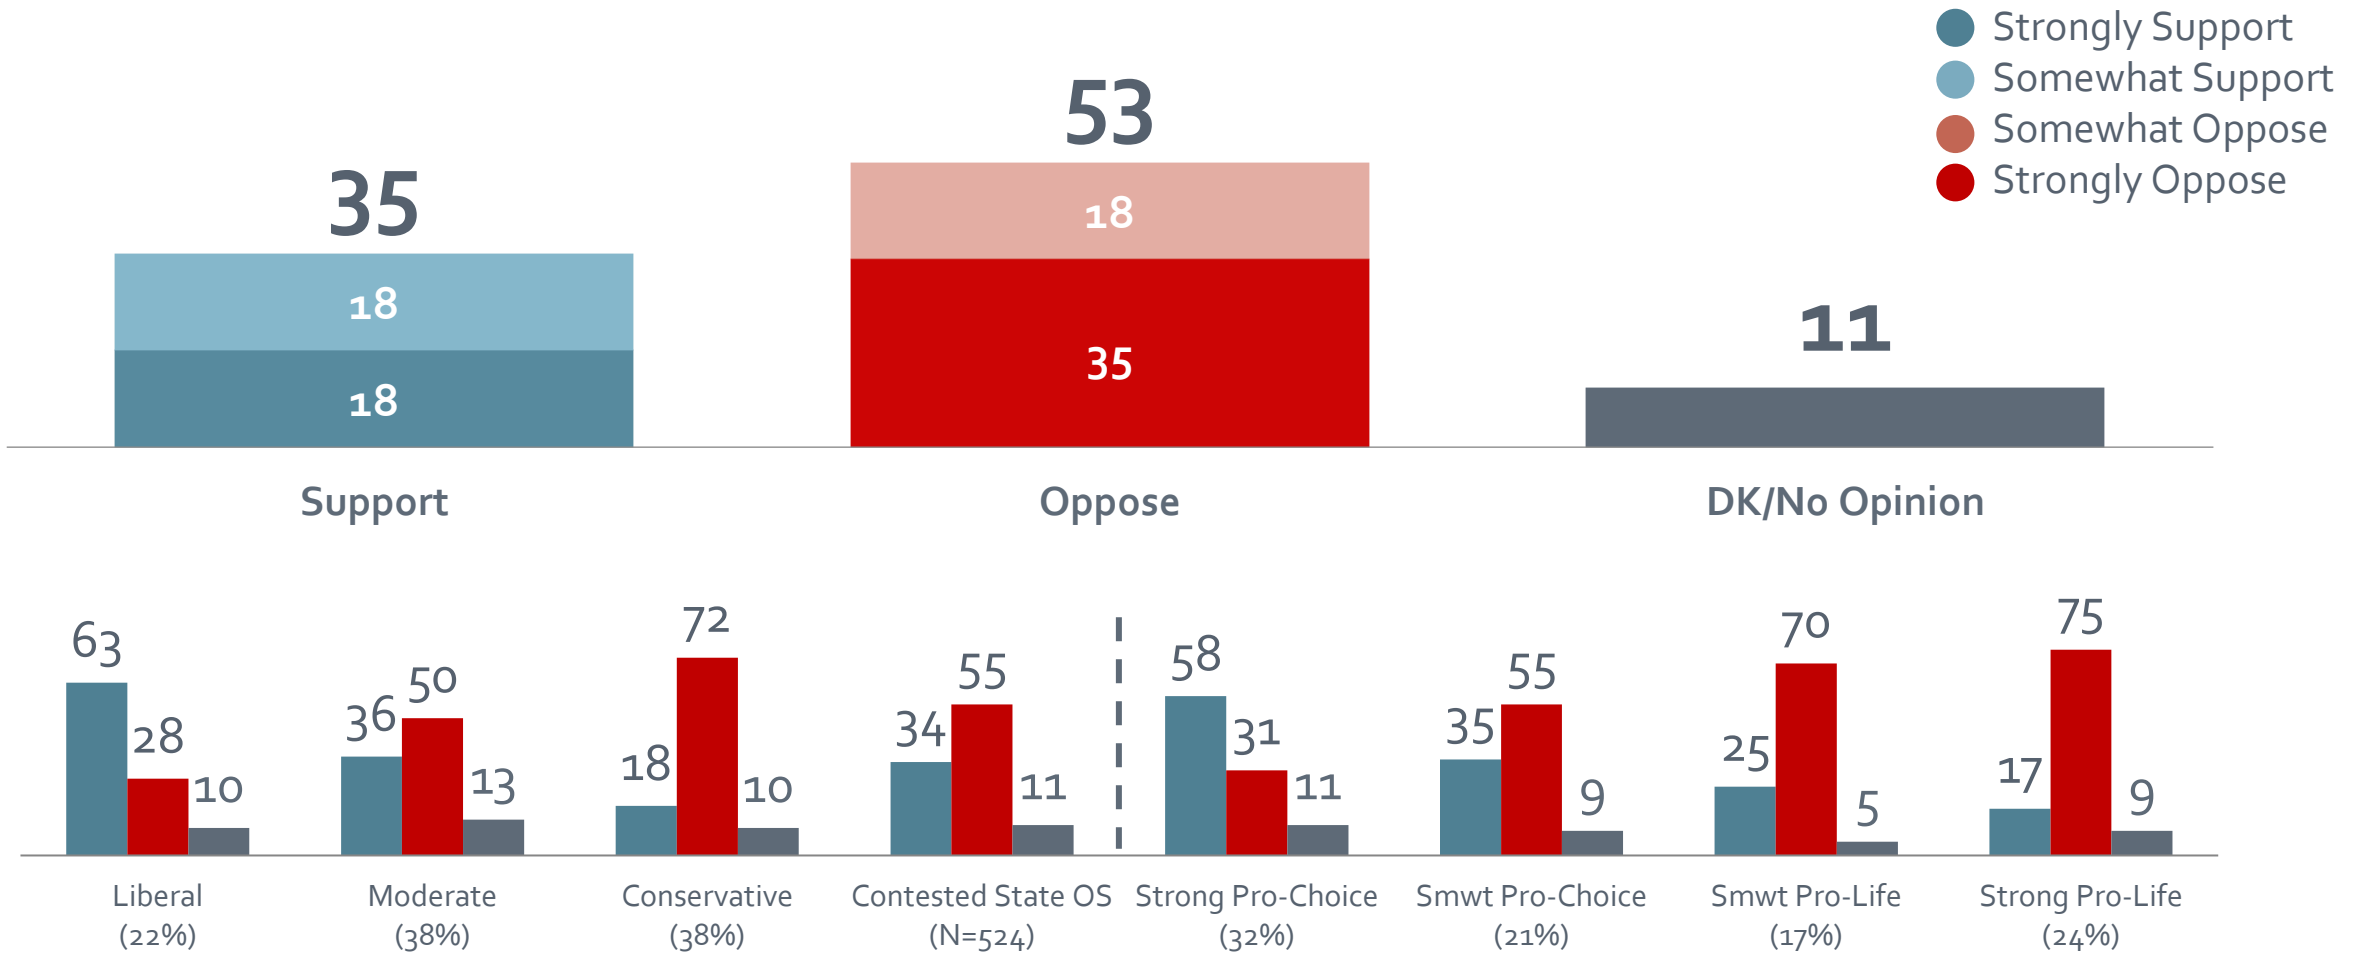

A Republican Senator was recently quoted on TV saying, “regardless of whether you’re pro-life or pro-choice, we can all agree that we are pro-baby and want policies that support becoming parents and forming families.”

Do you agree or disagree with that statement?

# NATIONAL RIGHT TO CONTRACEPTION AND UNLIMITED ABORTION

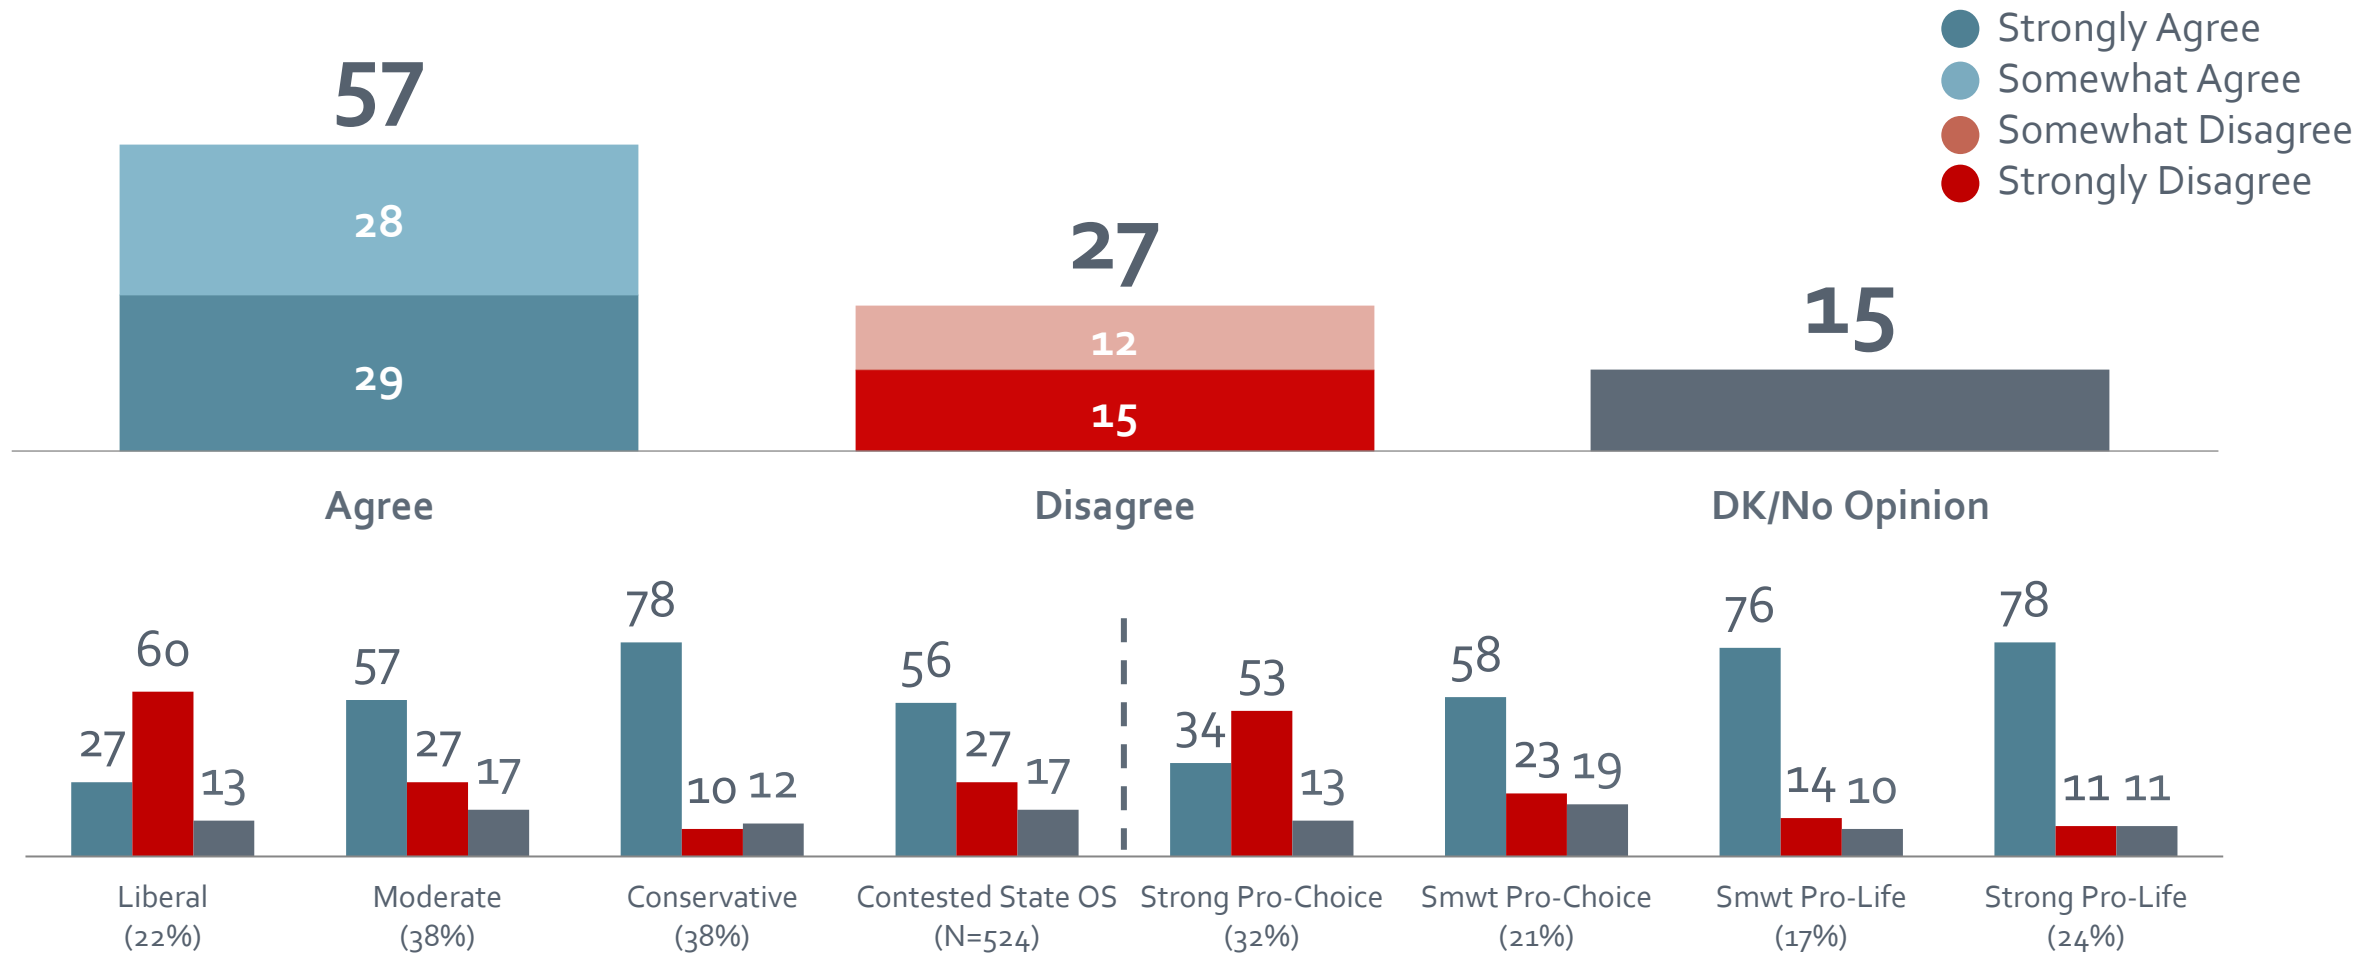

Thinking again about contraception and abortion, would you support or oppose a bill that created a national right to contraception and allowed abortion for any reason through all nine months of pregnancy nationally?

Republicans generally support access to contraception but are unwilling to vote for a bill that also includes Democrats' unlimited abortion policies. Knowing this, do you agree or disagree with the following statement:

"Abortion and contraception are two separate issues and attempts by Democrats to force votes at the same time are political moves that aren't focused on good policy outcomes for Americans."
